Action Requested: Update the pawnshop regulations to include, but not limited to, restrictions on the number of pawnshops permitted within the City limits.

History, Facts, Issues: The current pawnshop regulations were enacted in 1981 and have received little or no updating since their enactment. Changes desired include limiting the number of pawnshops by either distance or population. Furthermore, there is currently no set regulatory fee for pawnshops as permitted by state law and our local ordinances.

Options: Update the pawnshop regulations or leave as is.

Recommended Action: Direct the City Attorney to update the pawnshop ordinance to at least include limitations on the number of shops allowed and to also set regulatory fees.
