These rates are the maximum rates allowed. Persons providing towing services on a rotation basis for third parties (such as law enforcement agencies) may be required by that third party to charge less than the rates on this schedule, or may be prohibited from charging for some of the types of services outlined by this schedule. This rate schedule is not intended to serve as a minimum rate guarantee.

For the specific definitions of each service type and fee type listed above, please see Resolution No. 25-290 by the Board of County Commissioners. In adherence with Resolution No. 25-290, Base Rates will be adjusted on October 1 of each year based on Consumer Price Index changes.

Anytime the price of diesel fuel exceeds $3.00 per gallon as reported by the Federal Government for the Lower Atlantic states (PADD 1C) the mileage rates that are the subject of this Resolution may be increased or decreased in the following manner. At the time diesel fuel prices are below $3.00 per gallon there shall be no fuel surcharge applied to the mileage rates.

Average Diesel Price Per Gallon	**% of Charge**
$3.00	4%
$3.25	5%
$3.50	6%
$4.00	7%
$4.25	8%
$4.50	9%
