Action Requested: Text amendments needed to allow special events on private property and to address grand openings, pennants, tents, audio eqpt. Etc.

History, Facts, Issues: The Zoning Code of Ordinances prohibit accessory structures on private property, carnivals, bazaars, and community events on private property.

Options: Consider the changes or not.

Recommended Action: After reviewing Dekalb County, Chamblee, and Norcross ordinances a TUP Temporary Use Permit is not the source used for Special Events. In an effort to facilitate community events, blood drives, church bazaars, etc. and to allow banner signage and entertainment, the following added in ***Green*** may support the City's Vision to increase Doraville's Marketing ability and increase an attitude of pride.
