Date: March 31, 2010

Memo To: Mayor Ray Jenkins and City Council

Subject: Air Conditioning Bids to Arena

After analyzing all references and speaking with Bobby Pittman, Public Work Department, I recommend we select United Maintenance, Inc. to install a new Air Conditioning unit at the Forest Fleming Arena.

We are now using United Maintenance, Inc. who serves our heating and air conditioning at the Forest Fleming Arena and we are very pleased with their service.

Carol Stephens
Director, Parks and Recreation Department
