Action Requested: Request investigation of evidence and allegations against the Mayor and City hall Personnel.

History, Facts, Issues:
Evidence of possible theft of city funds by violation of Overtime ordinances and questionable uses of City Credit cards By City Hall employees was recently brought to the attention of the city council.

The Mayor proposes to investigate these allegations. However as a direct participant (via authorizing signatures) the Mayor is, in effect, investigating himself.

This is unacceptable - no one is above the law, including the Mayor or city hall employees.

It falls to the council to request an independent investigation by an appropriate law enforcement agency such as the GBI or Dekalb County.
