Policy for Street Address Standards

Note: The City of Fort Atkinson Building Inspection Department has made every effort to insure the accuracy of the information provided in this document. However, due to the possibility of errors or other aspects of electronic communication that is beyond the City's control, the City of Fort Atkinson does not guarantee the accuracy of this document and is not liable for reliance on this information. This document was created as basic plan submittal guide under the Code in effect at the time of creation. It is not intended to cover all circumstances.

Types and Location of Address Numbers

Address numbers shall be plain Arabic numerals not less than three inches in height . except in such cases where certain types or styles or numerals with good visibility may be approved by the council, and shall be affixed to the front of the building or in a conspicuous place visible from the street, and if painted must be in colors contrasting to the background.
