

Dear Parents:

It is my pleasure to welcome you and your child to our kindergarten at Lathers! If this is your first child to enter our public schools, then I also want to welcome your family to our educational community! Lathers Early Childhood & Kindergarten Center is a great place to learn and it provides a solid foundation for your child's future school years.

Entering kindergarten is a very significant event in a child's life. We believe in the importance of building great rapport with our families, as well as our children. Our team of teachers, staff and support personnel are here to make your child's school experience very positive and successful!

Please let us know what we can do to make this process go smoothly! Don't hesitate to ask questions about the forms and the information packet that you have received. We know there is a lot of information coming to you all at once. A simple phone call may clarify something for you.

Keep an eye on our website and you will be informed about important dates for the upcoming school year. Make sure you sign up to get our REMIND text or email messages. This keeps you "in the loop" about Lathers news! We will be continually updating information via our website. Mark your calendar now for important dates such as student ID pick-up and Meet Your Teacher Orientation!

With anticipation for a great year together,

*Susan Ford, Principal*
