School Annual Education Report (AER) Cover Letter

February 7, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-2023 educational progress for Garden City Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Alex McNeece for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.gardencityschools.com/district.cfm?subpage=1332831> or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was given the TSI label due to testing slightly less than 95% of our students with IEPs being tested during the 2021-2022 school year. Even though that percentage of students tested has increased this past testing season above the benchmark 95%, the school remains with a TSI designation. We will continue to work to help our students test and increase their scores.

Garden City Middle School's students are assessed and the data from those assessments are used to inform our decision.

State law requires that we also report additional information.

Assigning and Enrolling Students: The following address how one may enroll in Garden City Schools and how a parent or legal guardian may see how their student(s) are assigned to specific schools: Students are assigned to schools based on their grade.
