

2024 Senior Yearbook Information

Senior Portraits: The deadline for Senior Portraits to be included in the 2024 Yearbook is November 23, 2023. Our preferred provider is Focal Point Studios. You may use other studios or create your own headshot for the book, but all photos must follow specific guidelines. Contact Mr. Fulton (Yearbook Adviser) for a complete spec sheet. Most area professional studios know the requirements and will take care of everything.

Senior Tribute (Baby) Ads: These can be ordered and completed online at www.jostensyearbooks.com. You can also order directly through the Yearbook Department. Contact Mr. Fulton for details and assistance.

Ordering Yearbooks: Yearbooks can be ordered online at www.jostensyearbooks.com OR directly from Mr. Fulton at the school. The best pricing is early in the year - don't delay. Again, contact Mr. Fulton for info. Order forms will also be available in the main office.
