HEAP opens November 2, 2020 for all new applicants.

Each year, Genesee County Office for the Aging assists older adults and persons with disabilities with HEAP applications. This year, it is strongly recommended that you apply online at myBenefits.gov. If you do not have a computer or lack the skills to apply online, you may pick up a blank application in the front entryway of our building. If you need assistance or have questions about filling out the application, please call 343-1611 for a phone appointment. Once you have completed your application, you can either drop off or mail it in to our location. Please remember to include all necessary documentation and identification for all household members.

It is the mission of the Genesee County Office for the Aging to provide information, support, and advocacy to our residents 60 years of age and older, their caregivers, and persons with disabilities of all ages. Our aim is to promote their independence and improve their quality of life.
