

ACORNS is a nonprofit 501(c)(3) organization formed to enhance the public's experience at the Genesee County parks (Genesee County Park & Forest and Dewitt Recreation Area) by promoting the use and appreciation of the parks and supporting environmental education. Since 2006 ACORNS has provided financial and volunteer support for projects and programs that enhance and supplement the recreational, environmental and educational activities at the Genesee County parks. Our activities include staffing the Nature Interpretive Center, assisting at environmental education programs, funding displays at the Nature Interpretive Center, assisting with biological surveys and participating in trail and facilities maintenance.

As an ACORNS member, you are entitled to attend and participate in ACORNS meetings and special events, serve on the ACORNS board and committees, receive discounts to various events, and receive park newsletters. Members who join by January 31st receive snowshoe rental passes for that snowshoe season.

If you share our interest in supporting the Genesee County Parks, please consider joining us either as an *active member* or *contributing member*.

*ACTIVE members* assist at the Interpretative Nature Center, public and school programs, fund raisers and park projects as well as attend meetings.

*CONTRIBUTING members* make monetary donations used to support the parks and are welcome to any ACORNS events and meetings.

To join, please complete the information below and return to: ACORNS, PO Box 787, Stafford, NY 14143
