GOOD & WELFARE

1. Village resident, Ms. Jacqueline Handel, commended the Village's Department of Public Works for the wonderful snow removal/plowing job done after the blizzard-like snow storm earlier in the day. Mayor Edelman added that he had received many compliments as well, regarding the great job done throughout the Village of plowing the snow and gave credit to Superintendent of the Highway Department, Mr. Robert Daniels.
2. Deputy Mayor Fragin stated that Sutton Pond recently overflowed "significantly", during a recent storm with heavy rain and high tides. Deputy Village Administrator Gerry Castro spoke to a resident, who lives adjacent to the Pond, regarding this matter. Mr. Castro added that this is not a check valve issue.
3. Deputy Mayor Fragin stated that the Village must enforce restricting the parking on Central Avenue, going in the westbound direction, between the hours of 7 to 9 a.m. (in the morning) and 4 to 7 p.m. (in the afternoon), at the intersection of Rockaway Turnpike, by the long light. Administrator Goldman responded that the new Code Enforcement person was recently trained and was supposed to start tonight (the night of the Board meeting), but due to the snow storm that was not a viable option. Mr. Goldman explained that Mayor Edelman has arranged the new Code Enforcement person's hours to better address (and enforce) this issue going forward. Discussion ensued in this regard.
4. Trustee Goldstein raised the issue of illegal parking in front of 301 Central Avenue, by Stefan's Florist. Administrator Goldman and Deputy Administrator Castro stated that there was striping at this location, which would be reviewed as well as more Code Enforcement.
5. Trustee Goldstein requested that the Village provide a plaque to be placed on the beautiful clock in front of Stefan's Florist to commemorate Chris Stefan's

generous donation (of said clock) to the Village's Business District landscape. It was noted that the Village did indeed place a bench in Chris Stefan's honor, in front of Stefan's Florist with two such plaques. The matter was noted and taken under advisement.

6. Trustee Kaufman stated that although he was aware that Pearsall Avenue is not within the Incorporated Village of Lawrence, "the condition of the road is beyond an embarrassment, it is very dangerous". He inquired as to the status and what can be done to resolve this safety issue. Deputy Administrator Gerry Castro stated that he had spoken with the Village of Cedarhurst as well as the subcontractor working on the electrical upgrades on Pearsall Avenue, who said that as soon as the electrical upgrades are completed, the road would be repaved.
7. Mayor Edelman provided an important update regarding the repairs of the street lights on Route 878. He stated that 44 out of the 67 street lights have been repaired by the Village (including underground wiring, wiring, connections at the base of the poles, fuses, bulbs, fixtures sensors, etc.), and the remaining lights are currently being worked on and should be restored to their original "glory" in the near future.
8. Mayor Edelman stated that the LY&CC tennis lights were finished.
9. Mayor Edelman gave an update regarding the golf course driving range, stating that the poles and netting have been delivered and will be installed/completed shortly.
10. Mayor Edelman noted that all Building Department forms and applications can now be obtained and filled out on the Village's website.

OLD BUSINESS

- 1) Deputy Mayor Fragin inquired as to the status of the appraisals being done on the Village's surplus properties. Deputy Administrator Gerry Castro has met with the appraiser and provided the requested information. Mr. Castro stated that the appraisals should be available by the next BOT meeting on March 16, 2017.
- 2) Trustee Goldstein thanked the Village's DPW for doing such an outstanding job with the snow removal. He added that he said that the Village's snow plows were the first out there, very early in the morning, cleaning the roads "before anyone else". Mayor Edelman stated that the DPW crew went out with the snow

plows starting at 4:30 a.m. All concurred that Highway Superintendent Robert Daniels and the DPW crew did a great job.

There being no further business, on motion by Trustee Kaufman, seconded by Mayor Edelman and unanimously approved, the meeting was adjourned at 8:35 p.m.

This is to certify that I, Ronald Goldman, read the preceding minutes, and they are in all respects a full and correct record of such proceedings.
