GOOD & WELFARE

- 1) Mayor Edelman announced that this year's Annual Movie Night at the LY&CC is Wednesday, August 28th. Mayor Edelman went on to say that Trustee Diamond has been working very diligently to ensure that this year's Movie Night will be as terrific and successful as previous Movie Nights. He also announced that July 24th was Residents' Appreciation Day and Mr. Cory Menking reported that it was a very successful event, with well over 200 players on the course. He added that he would have the full report tomorrow. Mayor Edelman commented that over 200 players was great and inquired if any were interested in possibly becoming

new members. Mr. Menking replied that five (5) were seriously interested. Discussion ensued in this regard.

- 2) Mayor Edelman announced that our “esteemed” Village of Lawrence Administrator, Mr. Ronald Goldman, has earned a spot on the 2019 Municipal Code Honor Roll. It was created in 2001 and offers municipal officials and others the opportunity to acknowledge the efforts of clerks for a job well done. Mr. Goldman, a longtime Lawrence resident who has served as Village Administrator since 2013, was nominated for the honor by fellow Village employees Gerry Castro, Alison Cohen and Lina Fusco. The Mayor went on to say that he appreciates having Mr. Goldman as the Village Administrator and thanked him for doing an outstanding job. Mr. Goldman thanked the colleagues who nominated him.
- 3) Mayor Edelman stated that Deputy Village Administrator Gerry Castro was successful with New York State (after approximately 15 phone calls) in the removal of a sign on Broadway (near Congregation Beth Sholom).
- 4) Mayor Edelman announced that the Village had a nice Family Day on May 23rd at the LY&CC. He added that he was in attendance, there was a great turnout and it was very successful.
- 5) Park Commission Vice Chairperson, Ms Jacqueline Handel stated that Mr. Dave Sarnelli had submitted estimates for (chain link) fence repairs along the seventeenth (17th) hole at the LY&CC golf course, in two different places by the Marina.. Ms. Handel added that ladders for entry into the water had been requested for the Marina (because someone had fallen into the water previously). Village Administrator Ronald Goldman responded that he was awaiting a list of locations (and numbers) from Mr. Dave Sarnelli, to know how to proceed. Mr. Goldman said that he would follow up.
- 6) Trustee Goldstein stated that he read in the newspaper that the Village of Patchogue had passed a Resolution to prohibit the idling of motor vehicles for more than ten (10) minutes. In the spirit of “going green” and to benefit the environment, Trustee Goldstein would like the Village of Lawrence to enact/adopt a similar Resolution or pass a new Local Law: that cars not be allowed to idle within the Village limits for more than ten (10) minutes. Village Administrator Goldman stated that he had a copy of the Village of Patchogue’s Resolution and would provide it to the Village Counsel as a template. Discussion ensued in this regard.

Board Action: Trustee Goldstein moved the approval to set a Public Hearing for the next Board meeting (on September 12th) to prohibit the idling of all motor vehicle engines for no more than ten (10) minutes. Trustee Kaufman seconded the motion. (Also moved in Item #14)

- 7) Trustee Goldstein stated that "Trustee Kaufman knows a company to go out there and give us an idea of what we need to do to make an official bike lane on Causeway". Trustee Kaufman responded that he could find one if that's what Trustee Goldstein wants. Mayor Edelman requested the information for the next BOT meeting.
- 8) Trustee Kaufman inquired about a Woodmere Club update/status report. Nassau Herald Senior Editor, Jeff Bessen, suggested reading the paper (The Nassau Herald), as they had recently run an article on this subject in this week's paper and had previously been reporting on the subject regularly/weekly. Village Administrator Ronald Goldman gave a verbal update on the status of the Woodmere Club property as follows. Mayor Edelman sent the Village Administrators to the community-wide meeting. The Village went on record as opposing the project as it's currently constituted; which is in alignment with Woodsburgh and Cedarhurst. Mr. Castro has responded in writing on behalf of the Village to the SEQRA report. We had pressured them to extend the SEQRA deadline from the July date to an August date, which they did. It was stated that everyone should send a letter regarding their opinion and/or opposition to the project as well. Lawrence Village Administrator Ronald Goldman added that "we've done everything we can". Further discussion ensued in this regard.

Mayor Edelman informed the Board and public that the Village has received numerous complaints about landscaping/bushes/foliage overhanging on the sidewalks. The Village personnel advised homeowners to please cut their bushes. Some homeowners were very cooperative while others (unfortunately) had to be given summonses. The Mayor went on to say that in addition, the Village has surveyed the sidewalks in the Village; and where the sidewalk is broken or in disrepair the Village has sent letters/notices to the homeowners to please have their sidewalk repaired (including the names and telephone numbers of three contractors recommended by the Village to do so). If the homeowner chooses not to repair/remedy the situation, the Village will repair the sidewalk at the expense of the homeowner.

Mayor Edelman announced that Sunday, July 28th, there will be a picnic at the LCFD Firehouse at 1:00 p.m., and everyone (including Board members) is invited.
