Dear Resident:

I am pleased to extend an invitation for you to participate in the Village of Lawrence recreational facilities. I urge you to visit our Club House and to enjoy all it has to offer.

The opportunity is offered to you as a Lawrence resident to enjoy the outstanding 18-hole championship golf course and indoor/outdoor driving range, nine Har-Tru tennis courts, one of the finest marinas, and a Village Club House whose related activities may be enjoyed by you and your neighbors.

The Mayor, Board of Trustees, Park Commission and staff are dedicated to ensure a safe, healthy and friendly atmosphere. The maintenance of the Lawrence Village Country Club is a priority and is always administered on a self-sustaining basis.

We are constantly striving to improve and upgrade the Lawrence Village Country Club.

In addition, kindly note that permit holders may wish to apply for membership in the Men's and Women's Golf and Tennis Clubs, and the Yacht Club. These organizations provide sports competitions, tournaments, social functions and an opportunity to meet and be with people who enjoy the same sports as you do. These clubs are independent of the Village and your participation will spur them onto even greater achievements.

Please join with your neighbors and friends and make our Village a friendly and wholesome place in which to live and raise our families.

We welcome you!

Sincerely,

*Dr. Sheldon Genack*  
Chairman, Park Commission
