Passover Preparations

Dear Resident:

In preparation for Passover, District 1 Sanitation and the Lawrence-Cedarhurst Fire Department in conjunction with the Lawrence Department of Public Works are providing special services to Lawrence residents to help facilitate final pre-Passover clean out as follows.

Sanitation – A special truck will be located in the **Lawrence Station LIRR parking lot on Monday, April 10th between the hours of 7:00 AM and 12:00 PM.** Residents may bring garbage bags to the truck for disposal. Please line up in orderly fashion and Sanitation personnel will be available to assist. The full range of Sanitation services is described on the flyer below.

Lawrence-Cedarhurst Fire Department/Lawrence Dept. of Public Works – The Fire Department and the Village DPW will be providing a designated area in the **Lawrence Station LIRR parking lot for burning bread products. Hours of service will be on Monday, April 10th between 7:00 AM and 12:00 PM.** Bread is to be wrapped in a small paper bag for easy disposal. **Items wrapped in plastic bags or containers must not be brought as they will not burn and will delay the entire process.** Fire Department personnel will be available to assist the DPW.

We urge residents not to make fires at home as these can easily become hazardous.

Wishing all our residents and their families a safe and joyous holiday season.

Very truly yours,

Alex H. Edelman
Mayor

Enhanced Erev Pesach sanitation collection service in the Five Towns began a decade ago when Village of Cedarhurst Mayor Andy Parise, and former Village of Lawrence Mayor Jack Levenbrown arranged to park Sanitary District #1 trucks at various Five Towns locations on Erev Pesach allowing residents a convenient way to dispose of garbage before the holiday.

Thank you to our local elected officials, and religious and community leaders for generously sharing time and resources needed to arrange this valuable community service.
