GOOD & WELFARE

- 1) Mayor Edelman explained that over the course of the past year and during a recent conference call with leaders in management in the Amazon organization regarding the warehouse/distribution center on Rockaway Turnpike (near Brookville Blvd.), the big trucks with the deliveries will occur between 11:00 p.m. and 6:00 a.m.; to avoid most of the traffic; and the small vans are scheduled to leave the facility after 9:30 a.m. and return 7:00 p.m. This will alleviate them from going back and forth throughout the day, eliminating additional traffic on Rockaway Turnpike. The Mayor went on to say that the major concerns were addressed and we have connections with the top management to address anything that may arise. Mayor Edelman thanked New York State Assemblywoman Stacey Pheffer Amato, who worked with him very diligently, for all of her assistance in this regard.
- 2) Mayor Edelman stated that the NYC DOT and Nassau County DOT have successfully worked together, over the course of a year, to adjust the timing of the traffic signals to enhance the flow of traffic on Rockaway Turnpike. Deputy Mayor Landy confirmed that indeed, the traffic seems to have improved. There is a working schedule for the traffic signals that can and will be adjusted as needed (in particular, four lights). Trustee Fragin noted that the new light (eastbound) at the Amazon Distribution Center is problematic (not working in synch yet), and as such, must be operational and synched up with the other lights; which are under the jurisdiction of the NYC DOT. Trustee Fragin went on to say that the NYS DOT must adjust the lights on Route 878 for the increased summer traffic. Deputy Village Administrator Gerry Castro responded that he would reach out to the new Director at the NYS DOT and request this adjustment. Village Administrator Ronald Goldman commended Mayor Edelman for this project, which was developed and implemented over the course of a year, due to the Mayor's diligent efforts, hard work and time. Mr. Goldman thanked him for his ingenuity and aggressive pursuit of solving the problem rather than just talking about it.
- 3) Mayor Edelman congratulated Nassau Herald Community Newspaper's "own" Jeffrey Bessen on his promotion from Senior Editor to Deputy Editor.
- 4) Mayor Edelman congratulated Deputy Village Administrator Gerry Castro on his appointment to the Board of Directors of BIANCO, the Building Inspectors Association of Nassau County, which is a "very big deal".
- 5) Mayor Edelman announced Inspector Vincent Boden is the new Commanding Officer at the Nassau County Police Department's Fourth Precinct. The Mayor welcomed him to the Village of Lawrence and the surrounding neighborhoods.

Mayor Edelman stated that he had a long conversation with him and reviewed the Village's current important issues (i.e. car thefts, etc.). He went on to note that catalytic converter thefts have risen dramatically and that while there were eleven car break-ins in the neighborhood, nine (of the eleven) were due to car doors being left open and/or keys/key fobs being left in the car. The Mayor, once again, requested that all residents lock their cars and not leave keys and valuables in their cars. An e-mail with all the pertinent information from the Fourth Precinct, has gone out to all Village residents who are on the Village's list (by request).

- 6) Mayor Edelman announced that Trustee Paris Popack will once again be Lawrence's Director of the Memorial Day Parade, to be held on Sunday, May 29th. He went on to say that she has been working very hard on all of the preparations, which she began with the Parade two years ago. The Mayor stated that this would never have happened without Trustee Popack's diligent efforts.
- 7) Mayor Edelman extended his, the Board's and the Village's condolences to Village Counsel Peter Bee, on the loss of his partner and close friend of many years, Peter M. Fishbein, Esq. Peter Bee thanked the Mayor and responded that he was with his firm for twenty-seven (27) years, and was "the very best of us".
- 8) Mayor Edelman stated that Deputy Village Treasurer (and Tax Assessor/Registrar) Lina Fusco is doing the herculean task of applying for a Grant, requesting \$5.5 million (75% of which would possibly go to the Village) from FEMA, to repair the Village's bulkhead. So far there are over 150 pages of amazing pictures of the damage and supporting documents, contributed by Dockmaster Dave Sarnelli.
- 9) Village resident Kim Kleppel of 85 Merrall Drive stated that the street lights on Merrall Drive, which have been "on and off" for a while, are out again. Deputy Mayor Landy responded that the Village has been working with Mittman Electric for the past three months regarding a problematic wiring issue, causing the outages. It may be that the wiring source is underneath some of the driveways and has yet to be fully determined, but the Village is in the process of trying to resolve the issue. Discussion ensued in this regard.
- 10) Trustee Paris Popack, who is taking on directing the Memorial Day Parade (with pleasure), announced that after discussing last year's Parade with the Mayors of Cedarhurst and Lawrence, and the Fire Chief, it was decided that if the soldiers can go out in inclement weather, the least we can do is march for them on Sunday, May 29th, rain or shine. The Parade route starts at Frost Lane, in Lawrence, and continues to Cedarhurst Park, where the ceremony is held.
- 11) Trustee Fragin announced that there is a Special Election being held for NYS Assembly, on April 7th, to replace former Assemblywoman Missy Miller, who was

appointed to Councilwoman, Bruce Blakeman's former position. He went on to note that there would be early voting for the Nassau County Special Election, being held at the Lawrence Yacht & Country Club, March 28th through Tuesday, April 5th. Trustee Fragin requested that the Village send out an e-mail blast to inform the residents and put the information on the VOL website. Mayor Edelman concurred that this is a very important Election.

12) Trustee Fragin congratulated Sam Nahmais on his appointment as Chairman of the Nassau County Bridge Authority. He went on to say that it's always nice to have a Lawrence resident as the Chairman of the Bridge. Village Administrator Ronald Goldman confirmed that Lawrence resident, Shalom Maidenbaum, is still on the Board of the Bridge Authority.

13) Village resident Josh Justic of 2 Amberly Road, requested a stop sign at the corner of Amberly Road and Auerbach Lane; to slow down the drivers who are speeding down Auerbach Lane. Deputy Mayor Landy responded that two stop signs already exist, a three-way stop sign at Jorgen Street and Auerbach Lane which would be in close proximity, and a stop sign at Barrett Road (and Auerbach Lane), and at the corner. Discussion ensued and Village Administrator Ronald Goldman stated that the Village would take his request under consideration and look into the matter and report back.

14) Josh Justic went on to say that there was some flooding at the corner of Amberly Road and Auerbach Lane. Village Administrator Ronald Goldman and Deputy Village Administrator Castro responded that the storm drains are being cleaned soon by using a Vactor-type basin cleaner by Dejana, which the Village does annually each spring. The matter will be looked at and be resolved with this process and the Village will follow-up.

Item 6 – Announce plans for Passover preparations

Village Counsel Peter Bee read the following plans for the Passover 2022 Preparations, to be put on the Village website and sent out in an e-mail blast:

“In anticipation of the upcoming religious holidays, please note the following:

- 1) Along with Sanitary District #1 and the Lawrence-Cedarhurst Volunteer Fire Department, the Village Department of Public Works will have containers

available to facilitate the religious ceremony of “Burning Chometz” as well as disposing of bread products on Friday, April 15th **FROM 7:00 A.M. UNTIL 12:00 P.M. at the LAWRENCE TRAIN STATION (ZION PARK)**

(Please note, no plastic bags or containers.)

- 2) Our 4th Precinct of the Nassau County Police Department, having been advised that many residents will be away for the holidays, has indicated that there will be increased patrols and surveillance during that time.

The Village has also assigned personnel to visibly patrol the area day and night, and the Auxiliary Police Units will be covering the Village at all hours.

Residents are reminded to **LOCK CAR DOORS** and suspend newspaper and mail deliveries.

Wishing all our residents and their families a safe and joyous holiday.”

Board Action: No Board action was required.

Item 7 – Zion Park Update/Report

Trustee Popack stated that she is very excited with the progress of the new Zion Park Playground. Most of the equipment is installed and the renovation is near completion with just a few items remaining to be received and installed. She went on to say that we are awaiting the consistent warmer weather to install the curbing to pour the rubber base material, hopefully by mid-April. Mayor Edelman thanked Trustee Popack for taking on the bulk of the project with assistance from Deputy Mayor Landy, and for doing such a monumental and beautiful job.

Board Action: No Board action was required.

Item 8 – Report on LY&CC Snack Bars

Trustee Popack reported that the LY&CC non-Kosher Snack Bar’s renovation is nearly completed. LY&CC General Manager Cory Menking added that as soon as it’s complete the new caterer, Greenview at LY&CC, is ready for a “soft open”.

Deputy Village Administrator Gerry Castro reported that the excavation for the new Kosher Snack Bar is supposed to start this week and then be followed by framing next week. Last week there were underground utilities relocation in that area. Mr. Castro thinks we will have a lot of progress next week. Village Administrator Ronald Goldman noted that Mr. Castro knows all of this due to his actual field work on this project. “He put on boots, took a shovel and went through it.” Deputy Mayor Landy thanked LY&CC

Dockmaster Dave Sarnelli most enthusiastically (“who is now a carpenter”) for doing a phenomenal job adjusting the PODS for (golf) bag storage almost overnight. Deputy Village Administrator Gerry Castro concurred and added that the organization within the PODS, is amazing. The entire Board commended Dave Sarnelli, Frank Franzese and Vinnie Biondo for the amazing job.

Board Action: No Board action was required.

Item 9 – LY&CC Status Report

LY&CC General Manager Cory Menking presented the LY&CC March 2022 GM status report (attached hereto as Exhibit “B”). John Morrison, the new Golf Pro, was in attendance. Discussion ensued in this regard.

Mr. Menking went on to discuss the three golf simulator proposals received at the direction of the Board (per the LY&CC March 2022 GM report attached hereto as Exhibit “B”) and stated that the preferred vendor for the golf simulators is Rain or Shine Golf (not HD Golf as reported during the February 17th BOT meeting). Golf Professional John Morrison recommended this vendor as well. Discussion regarding the proposals ensued.

LY&CC Golf Course Superintendent Adam Thomas went on to report on the golf course, range and working/coordinating with GOSR, the Governor’s Office of Storm Recovery; the New York State Rising drainage project, Triumph, Keller and Winterberry. Discussion ensued in this regard.

Board Action: Please note that the draft minutes reflect the unanimous vote in favor of the two (2) golf simulators from Rain or Shine Golf, the lowest, preferred/recommended vendor, in the amount of \$20,562.00. However, the tape recording does not reflect any vote being verbally cast. Counsel’s recollection is that everyone signified their affirmative vote by head nodding or other visible means.

Item 10 – Security Update

Deputy Village Administrator Gerry Castro stated that the completion of the security camera installation has been delayed and, as a result, has requested that the vendor give him a hard completion date, which he (the vendor) acknowledged; which he should be getting tomorrow. Mr. Castro doesn’t think it will take more than another week and a half for completion and live testing. Trustee Kutner inquired what type of signage will be used. Discussion ensued in this regard.

Board Action: No Board action was required.

- 13) Jose Cabrera – an annual salary of \$45,000.00 (previously part-time)
- 14) Franco Castro – an annual salary of \$46,000.00*

*The name and raise of Franco Castro were inadvertently left off the list of salary increases presented at the last BOT meeting. Mr. Castro should have been listed for a raise of \$6,000.00 to a salary of \$46,000.00 annually; however, this omission was merely a scrivener's error and it is believed it was the Board's intention to include him.

Plus, part-timers – an increase of \$1.50 per hour

Board Action: Deputy Mayor Landy moved to approve the above listed salary increases for Lina Fusco, Gerry Castro, Ronald Goldman, Frank Franzese, Karen Sarnelli, Stephanie Stein, Mario Longo, Oscar Silva, Alfonso Argento, Attilio Cassetta, Jose Martinez, Joseph Gallo and Jose Cabrera (who was formerly a part-timer); in addition to an hourly increase of \$1.50 per hour for part-timers. On motion by Deputy Mayor Landy, seconded by Trustee Fragin and unanimously approved, the Board adjourned at 9:00 p.m.

This is to certify that I, Ronald Goldman, read the preceding minutes, and they are in all respects a full and correct record of such proceedings.

Clerk/Treasurer

Course & Grounds w/ Superintendent, Adam Thomas

- NY Rising Update:
 - Winterberry has begun moving irrigation pipe out of the way of the NY Rising project; all pipe has been moved on 6, 7, and the range, and they are currently moving pipe between the start of 1 fairway and 18
 - NY Rising is digging more de-watering holes now; staff has noted drainage material should arrive in April
 - 7 tee was demolished, but since this was healthy turf, LYCC staff cut the sod and transferred half to 5 tee and expanded the tee back ~15 yards, and put the other half down along the left side of the teaching green for an added chipping area
- This past month has been spent doing a combination of indoor and outdoor work
 - All mowers and carts have been given their winter service, including fluid and filter changes, as well as grinding reels and putting new bedknives on mowers; all accessories have been sanded and painted
- Early March has consisted of cleaning tees, fairways, and greens, removing stump grindings, and filling stump holes with top soil and sodding; all tree work has been completed
- Tees will be aerated on April 4, greens will on April 11, and fairways will follow; weather permitting, aerification will be completed in April
- Green, runoff, and fairway expansion mowing has continued as we look to add more character to the golf course and continue to restore the original Devereux Emmet design

Golf w/ Head Professional, John Morrison

- New TV and mount installed, and handicap computer station relocated
- Onboarding golf shop and outside staff; transitioning staff into new roles – Joe Aebly has entered PGA Program as an entry level assistant professional/shop manager
- Still actively searching for a PGA assistant professional, though the lack of qualified candidates is nationwide; if the position is not filled by mid-April, we will move forward with the current professional staff and increase shop attendants
- Player Development Programs for juniors, women, and men are being planned now with an expected start date of April 15, weather permitting
- Due to lack of programs at surrounding Clubs, we will not be doing PGA Junior League, though we plan on hosting our own junior program that will be open to junior golf members, children/grandchildren of members, and Lawrence residents
- Research of launch monitors for the proposed simulator rooms is complete, quotes attached hereto
