The Board convened in Work Session at 7:30 p.m.

WORK SESSION

No Board Action was taken during the Work Session.

REGULAR MEETING - Mayor Oliner called the regular meeting to order at 8:15 p.m.

Mayor Oliner noted with great sorrow, the passing of the Village of Cedarhurst Mayor Andrew Parise, a man of unequalled commitment to public service. Mayor Oliner stated that the Village mourns his passing and requested a few seconds of silence out of respect.

GOOD & WELFARE

1. Hope Nathan complimented the Village's Highway Department regarding the incredible snow removal especially due to the extraordinary circumstances/conditions they had to deal with. She stated that they did a wonderful job and deserved to get the credit due them. Mayor Oliner concurred and extended the well deserved credit to the Village Administrator, Ronald Goldman and the Village Hall staff responsible as well.
2. Jonathan Neuman, Esq. , who had raised an issue pertaining to his client, Shlomo Nahmais of 575 Chauncey Lane, at the December 11, 2014 BOT meeting gave the Mayor and Board an update on the situation regarding the use and/or misuse of 580 Ocean Avenue owned by the Rockaway Hunt Club. He thanked the Mayor and Board for serving a "Notice of Alleged Violation" but added that the situation had not improved since then. He notified the Board that he (on behalf of his client) had commenced litigation, which also has not produced the desired results. Mr. Neuman reported another occurrence over the

prior weekend, on Sunday, March 8th, where there were numerous cars, people, larger vehicles, food deliveries, etc. not consistent with a single family dwelling. In addition, with the recent snow storms a huge commercial Caterpillar is used to plow the snow, not consistent with a residential single-family dwelling. He stated that he had proof in this regard. When queried if the Village had issued summonses Building Superintendent Michael Ryder responded that the Village has not issued any summonses because upon inspection no violations have been found. Discussion ensued in this regard.

Trustee Fragin noted, as presented at the December BOT meeting, that the Rockaway Hunt Club (in either 2011 or 2012) changed the tax classification of 580 Ocean Avenue from residential to commercial, cutting the taxes paid on this property almost in half. They did not, however, request a change in status from the Village in this regard. Trustee Fragin noted "There is an objective issue with that". Mayor Oliner requested that Mr. Neuman provide Mr. Ryder (who will make it available to the Board) with all of the documentation regarding the misuse of the premises and the tax reclassification, to facilitate meeting with the appropriate parties to try to remedy the situation prior to issuing summonses.

3. Gary Silver of 65 Merrall Drive stated that during the snowstorm on the evening of January 26, 2015 to January 27th, while parked in his driveway, the front bumper, grill and hood of his car was damaged. His house is at the end of a cul-de-sac, and he alleges that the Village plow damaged his car. Administrator Goldman already submitted Mr. Silver's claim to the Village's insurance company who refused payment and culpability. Mr. Silver provided the Board with photographs. Discussion ensued in this regard. Mayor Oliner responded that the Board would take it under advisement and get back to Mr. Silver.
4. Elizabeth Kurtz of 275 Barrett Road (between Longwood & Tanglewood Crossings), stated that she has been living at that address for 19 months and asserts that although it is beautiful being across from the LY&CC golf course, when it rains the golf course and Barrett Road become flooded. On three occasions this past fall and winter her children's' school buses were unable to pass and deposited her children about one and a half or two blocks away; cars get stuck repeatedly and there are serious drainage issues. In the summer, due to the pooling of water, there is a huge mosquito infestation, and in addition, the flooding has created huge potholes and cracks "all over" the road. She also stated that her septic tank(s) need to be emptied every six to nine months instead of every three to five years, costing thousands of dollars. Ms. Kurtz said that everything is working properly and was told that since Super Storm Sandy the water table has adjusted leaving no space for anything to leach, causing an ongoing odor from the septic tanks. Her house is not connected to the sewer system along with some of her neighbors. Mayor Oliner responded that he would have Building Superintendent Michael Ryder and Building Inspector Leo Romanelli check the drainage issues and report back.

5. Atlantic Beach resident and LY&CC member, Barry Ringelheim expressed gratitude to the Village, on behalf of the Wounded Warriors, for allowing the event held at the LY&CC last year, raising over \$32,000.00 for their charity/organization. This year's Wounded Warrior event at the LY&CC is set for Sunday, September 20, 2015, with a rain date of Wednesday, September 30th. Mr. Ringelheim had discussed the scheduling of this event at a previous BOT meeting. The LY&CC Men's Golf Club wanted Mr. Ringelheim to verify that this event was approved by the Village's Mayor and Board of Trustees. Mayor Oliner responded that the Board appreciated his attendance and would coordinate this with LY&CC General Manager Leo McMahon and the Men's Golf Club, and get back to him.
6. Jacqueline Handel reminded whoever would like to be interviewed by the Lawrence Association there will be a meeting the following Thursday, March 19th, at Margaret Carpenter's house.
7. Trustee Fragin commented that while he is aware that the Village is not responsible for maintaining Nassau County roads within the Village (i.e., Route 878 and Broadway), the situation has become so terrible and damaging to vehicles, that it is unacceptable. Trustee Fragin stated that he had broached the subject with N.Y. State representatives on several prior occasions. He also raised the issue of the street light outages on Route 878 exacerbating the problem, precluding a driver from seeing the enormous potholes at night in order to avoid them. Discussion ensued regarding the light on Route 878 and road conditions. Mayor Oliner suggested a possible IMA with the other jurisdictions regarding the street light and pothole issues on Route 878, Broadway and the other County, State and Town roads, for the Village to then go out and take care of these issues. Administrator Goldman is to check with Village Counsel regarding an Inter-Municipal Agreement for the purpose of the Village's ability to repair the County, Town and Village roads. The lighting on Route 878 is a more complicated issue and is under review.
8. Trustee Fragin requested an update on N.Y. Rising money regarding Village flooding. Administrator Goldman responded that N.Y. Rising is incorporating the Village with their ongoing engineering studies to provide a regional solution; and they are moving forward. Mayor Oliner, who has been in touch with Cameron Engineering and has arrived at a viable solution for the Village, is concerned that the Village's specific needs are not being addressed while being studied under the regional "umbrella". Mayor Oliner stated that "we are trying our best but don't know if we will be successful".
9. Trustee Edelman raised the issue of pre-Passover preparations for the Village. Mayor Oliner responded that Administrator Goldman would issue a release in that regard when it is ready.

10. Trustee Fragin requested an update regarding improvements to the Village playground area and proposals promised at the February 5th BOT meeting. Since this matter needs to be addressed for the coming spring/summer season, there is some urgency. Mayor Oliner stated that Administrator Goldman has gone beyond the original proposals and spoken with two landscape architects (regarding expansion of the Park) and is awaiting their proposals. The original playground designs received were based on the original confines of the current space. The Mayor expressed that he would like to use the extra parking spaces (near the train station) for this expansion and that this project should begin as soon as possible to be ready. Mr. Goldman is working on it.

Board Action: Mayor Oliner moved to open the Public Hearing for proposed Local Law #1 of 2015 – authorizing a property tax levy in excess of the limit established in General Municipal Law §3-c, attached hereto as "Exhibit A". Trustee Langer seconded the motion. All in favor.

Trustee Fragin commented that the public should be made aware of the substance of this proposed Local Law regarding the 2% tax cap imposed by New York State and the subsequent penalties (via lack of tax refunds, etc.) for breaking through the 2% tax cap; in order to have an educated discussion.

Mayor Oliner spoke against enacting proposed Local Law #1 of 2015, for the very reasons Trustee Fragin mentioned/outlined above. Mayor Oliner stated that he does not think it is needed even if the taxes are raised it will be within the 2% limit, and imposing said law will jeopardize the refunds that Village residents are currently receiving from New York State. Mayor Oliner stated that he believes the Village can stay within the 2% limit. Discussion ensued in this regard. Resident, Robert Kantowitz entered the discussion and stated that he did not believe that most Village residents were aware of the issue at hand and suggested that the Village make a concerted effort to publicize the hearing for the next BOT meeting.

Mr. McMahon said he would gather this information for the BOT to review prior to the subsequent meeting.

Mayor Oliner added that LY&CC General Manager Leo McMahon obtain more information pertaining to item “c. and a.” as well as obtaining the necessary information from Village Attorney Peter Bee on item “b.”, so the Board can vote on everything at a subsequent BOT meeting. Trustee Fragin requested that Mr. McMahon discuss “item d.” with Peter Procops and supply the names of the attendees of the Park Commission meetings going forward as well as who attended the prior meeting, whose recommendations were under review.

Mayor Oliner added that the Village is reviewing the golf course maintenance contract with Valley Crest which is currently up for renewal or possibly hiring a new company. A Bid/proposal was received from a second company and both are being investigated and discussed by Mr. McMahon, Mr. Goldman and Mayor Oliner. Administrator Goldman stated that not much progress had been made in determining a possible vendor in this regard. Mayor Oliner implored Mr. Goldman to move forward in procuring possible vendors for a new website, expansion and new equipment for the Park and acknowledged the relatively newly installed and well-received muni-meters. Discussion ensued regarding updating the Village’s website.
