RE: Executive Committee Meeting Report – September 9, 2021

Thank you for the opportunity to provide the MMSA Executive Committee with this report. Please note: the outline letters used in this report match the outline letters under item "V. Administrative Report and New Business"

a. Reminders -

Zoom Meeting – September 9, 2021 Executive Committee Meeting

Consistent with the opinion received from Steve Liedel during the April 2021 Executive Committee meeting and confirmed with his continued monitoring of actions in Lansing and Ingham County, the MMSA may continue to meet via Zoom and be compliant with State law. The link for our September 9, 2021 meeting is: https://us06web.zoom.us/i/9015758091

b. FMS Project Update

Grand Rapids continues to have performance issues with CGI. In the months of July and August, MMSA hosted a call for Grand Rapids staff to explore with Steve Leidel about the city's options regarding CGI's non-performance issues. During a meeting on August 20, Attorney Leidel indicated that he had enough information to draft a letter putting CGI on notice of Grand Rapids (and MMSA) concerns regarding its performance. We await a draft letter from Attorney Leidel.

MMSA hosted a call on July 29 with Kent County and CGI to review the path forward to amend the MMSA / Kent / CGI FMS contracts to accommodate Kent's upgrade to the "Advantage Cloud" product. On August 19, MMSA had a follow-up meeting with Kent County to get their feedback on the suggested CGI changes. Kent County and CGI both expressed the urgency to have the amended agreement so that they can proceed with the upgrade. Attorney Leidel indicated that he had enough information to draft amendment documents for the CGI / MMSA agreements. We await a draft amendment proposal from Attorney Leidel.

c. LCSA Project Update

Metro Act

On August 12, Resultant hosted a project meeting with MMSA (LCSA) to continue to work on the FYE 2022 Metro Act process. Implementation of the project is currently on-time and on-budget.

PPT

As reported last month, on July 27, the LCSA mailed invoices to five (5) local units of government who received "overdistributions" from the State during the 2020/21 period. The repayment may be made over three years. Staff has developed a new system with Plante to track, and follow-up on invoice these types of overdistribution invoices.

On August 20, LCSA invoiced the prior years (through 2018) overdistributions.

LCSA is required to collect previous overpayments over a three-year period. We are pleased to report we have made some progress with units of government paying back the overdistributions. Below is a summary of the invoiced / paid during this period:

Report for LCSA Board (September 2021)					
	Original Overpayment Year	Balance as of 7/1/21	Invoiced July / Aug 2021	Paid July / Aug 2021	Current Balance
City of St. John's DDA	2019	852.98	284.33		852.98
Fennville City	2018	17,386.91	8,693.45		17,386.91
Southfield Public School District	2018	6,448.84	2,149.61		6,448.84
Lakeview Community Schools (Montcalm)	2020	6,819.74	2,273.25	6,819.74	-
Northwest Community Schools	2020	68,734.09	22,911.36	68,734.09	-
South Haven Public Schools	2020	24,343.85	8,114.62	24,343.85	-
Hemlock Public School District	2020	60,650.18	20,216.73	20,216.73	40,433.45
Thornapple Kellogg School District	2020	42,896.21	14,298.74		42,896.21
TOTAL		228,132.80	78,942.09	120,114.41	108,018.39

In addition, a meeting is scheduled for September 7, 2021, with Treasury to discuss overpayments made / outstanding for years prior to 2018. There are several minor amounts due and one larger amount. Below is a summary:

Unit of Government	Amount	Reference
Standish	30,912.53	2015 & 2016 Overpayment
City of Potterville	1,147.73	2016 Overpayment
Huron County	2,666.23	2016 Overpayment
Kalamazoo Transit Authority	673.3	2016 Overpayment
Potterville-Benton Twp District Library	40.17	2016 Overpayment
Sleeper Public Library	2,376.77	2016 Overpayment
Village of Central Lake	115.61	2016 Overpayment
Village of Holly	195.67	2016 Overpayment
Village of Rosebush	0.74	2016 Overpayment

Staff will be advocating "writing off" the smaller amounts and will ask for direction from Treasury regarding the large amount owned by Standish.

MiClass

As noted prior, we continue to engage MiClass in conversations to see if it might be possible to expand LCSA's use of their services. Staff met with MiClass staff on August 19 and provided MiClass with additional information. We continue to pursue this option.

d. State of Michigan

On August 25, Jaymes and MMSA Board Member Kathleen Lomako met with Treasury staff Larry Steckelberg and Heather Frick to talk about how MMSA could expand its services with Treasury. Several ideas were discussed. It is clear that Treasury is most interested in ways MMSA could help support and assist about fourteen (destressed) communities. While temp staffing is a focus of Treasury, we were able to expand the conversation a bit further to include training, best practice forums, compliance assistance (with ARPA in mind), coordination of the MML/MTA/MAC, and pre-qualification of potential service providers.

While no specific project was identified as "next," the conversation continues our efforts to deepen our relationship with Treasury and we look forward to scheduling our next call.

e. Potential Projects

Health Insurance – in August I met with Plante's health insurance division to brainstorms ways that MMSA could work on multi-jurisdictional health insurance solutions. The conversation focused on Treasury's interest on their group of municipalities and on getting "good" data from potential units of government to consider multi-jurisdictional efforts. I was very encouraged by the thoughts Plante had regarding data collection and will be following-up on that potential project.

Health Insurance – I also followed up with the health insurance consultant ManquenVance, a firm that a former MMSA Board member was working with to explore multi-jurisdictional health insurance solutions. I was able to understand better the thought of potential pools and / or a focus on retiree coverages. I will keep this line of communication open for the MMSA.

Purchasing – On August 18, I met with MMSA Board Member Aaron Wagner to learn more about potential cooperative purchasing models that may be beneficial to the MMSA (and other units of government). We established a couple of next step meetings that we think are important to explore this further.

f. CEO Position and Other

As I have discussed with the Executive Committee, I am interested in transitioning the duties of the MMSA CEO duties to someone else, but only at such time as an the right individual or consulting firm is identified / available. I am very excited to report that I believe I have found an exceptional individual, Samantha Harkins, who is willing to assume the duties of MMSA CEO. I have attached a proposal from Samantha (through her consulting firm Hundred Place), which includes Samantha's bio, along with details about an additional resource (a sub-consultant, Nate Geinzer) she plans to engage in the project. Samantha would bring to the MMSA a wealth lobbying knowledge, State contacts, and local municipal connections.

At this time, I would like to continue to serve the MMSA in the capacity of LCSA Director. I think this is a benefit to the LCSA as we work to streamline the PPT / MetroAct process and continue to develop a project with MiClass to improve our payment and banking activities.

Based on the proposal from Samantha and my experience of the time needed for me to complete the duties of the LCSA Director, the cost for MMSA Administration might increase from where it has been since February, but still will be lower than it was prior to February (a full-time CEO / Director position).

RECOMMENDED ACTION:

- 1) Schedule a Special Meeting to meet Samantha Harkins and Nate Geinzer (the firm Hundred Place).
- 2) Authorize Attorney Leidel and Jaymes to work with Hundred Place to develop an appropriate services agreement.
- Authorize Attorney Leidel to work with Jaymes to amend the scope of work to remove MMSA responsibilities and retain LCSA responsibilities for Vettraino Consulting.

g. Workers Compensation Insurance Renewal

MMSA purchases workers compensation insurance through Blackwell Insurance Services. I had an email exchange with our representative to confirm the premium for the insurance did not change from last year (total cost \$945.00). The policy currently includes wages for a CEO as covered wages. Since MMSA has changed to contracting for these services, the covered payroll will be reduced when the policy is renewed (see attached policy and email exchange).

RECOMMENDED ACTION: MMSA Executive Board authorizes the renewal of the MMSA's workers compensation insurance coverage with \$945.00 and an adjustment of covered payroll to remove the full-time employee CEO position.

h. FYE 2021 MMSA Budget Amendments

In consultation with staff, Plante Moran has prepared a recommend budget amendment for the FYE 2021 budget. Initial budget amendments were approved during the June 2021 meeting. The attached, final, amendments are relatively minor and reflect actual projected activities. Thank you to Kelly from Plante for providing detailed notes regarding each of the amendments.

RECOMMENDED ACTION: Review and consider approval of Resolution 2021-03 Fiscal Year 2020-2021 General Appropriations Act Amendment

i. Budget Consideration and Approval

MMSA staff worked with Plante Moran to prepare a draft the FYE 2022 budget. A draft budget was presented to Executive Committee during its meeting of June 10, 2021. At that time the Executive Committee received the draft budget and scheduled a public hearing for September 9, 2021, to consider adoption of the FY 2021-2022 MMSA Budget.

RECOMMENDED ACTION: Open a Public Hearing to receive comments regarding the MMSA FY 2021-2022 Budget. [Close public hearing]

RECOMMEDNED ACTION: Review and consider approval of Resolution 2021-04 Fiscal Year 2021-2022 MMSA Budget General Appropriations Act

j. Monthly Financial Statements

Please find attached the monthly financial statements for July 2021.

If you have any questions or if I can provide any additional information, please let me know.

MMSA: The Next Steps in Municipal Collaboration

Opportunity Statement:

In 2012, Governor Snyder created the Michigan Municipal Services Authority (MMSA) as an ecosystem that would foster collaboration and innovation among local governments. While the cities of Grand Rapids and Livonia were initial members and have had success in their specific projects, communities overall were mistrustful of the Governor's motives, which has limited MMSA's potential.

MMSA is uniquely positioned to be a central place for innovation and collaboration among local governments on a diverse array of projects and policy priorities. The institution of local government is at a pivotal point in its complex history. Local government is facing many challenges: pensions, other post-employment benefits (OPEB), health care costs, post-recession recovery, COVID, talent and skillset deficiencies, and more. These challenges have forced resilient and creative solutions. The MMSA has the unique opportunity to be a resource to support local government through innovation and collaboration.

Hundred Place is uniquely positioned to support the MMSA. We know Lansing and have spent more than 15 years building relationships and working in local government policy. Hundred Place will work with Double Haul Solutions, a community expert, to ensure the MMSA becomes a pivotal resource for Michigan's local governments.

Statement of Work:

- 1. Hundred Place will contract with MMSA to be its CEO and manage the day-to-day operations of the authority. In addition to the current projects, we will work to engage stakeholders to ensure they know the importance of MMSA to local government. We've developed deep relationships in Lansing and will leverage those relationships to develop local government champions in state government and the legislature.
- 2. Our team will work with the Board of Directors to focus on existing and new innovative initiatives including, but not limited to, software opportunities to streamline local government operations, expanding community assistance services including those aligning with the goals of Treasury, and other projects as determined by the Board in collaboration with the CEO.
- 3. Our team will reintroduce and reposition MMSA, working to share MMSA's mission and service opportunities with communities, local government associations, councils of governments, legislators, universities, developing an ecosystem that aligns with the commendable vision of 2012, yet recognizes the evolution of community needs.
- 4. MMSA is not bound by the city, township, county dynamic. MMSA has a unique opportunity to be an objective leader in conversations regarding municipal finance not limited to the oftentimes diverging interests of membership organizations. Hundred Place will position MMSA to become a leader in this critical void should the Board share this vision.

Fee Arrangement:

Hundred Place will receive a monthly retainer of \$6,800 per month. That retainer will include up to 40 hours of services a month from Samantha Harkins, CEO of Hundred Place, at \$130/hour. This retainer will include up to 20 hours of services a month from Nate Geinzer, CEO of Double Haul Solutions, at \$80/hour.

It is our team's understanding that Jaymes Vettraino of Vettraino Consulting is interested in a reduced role as administrator or the Local Community Stabilization Authority. Our team is open welcomes this arrangement with the willingness to fully transition if/when the Board or Vettraino Consulting wishes to make a transition.

Qualifications:

Samantha Harkins, the CEO and Founder of Hundred Place, has focused her entire career on helping communities influence policymakers and funders by speaking their language.

Prior to founding Hundred Place, Harkins was Deputy Mayor in Lansing, Michigan. She joined Mayor Andy Schor's administration upon his inauguration on January 1, 2018. She has had the pleasure of participating in the Bloomberg Harvard City Leadership Initiative and completing the Driving Government Performance Course at the Harvard Kennedy School. She is a former board member of Engaging Local Government Leaders (ELGL).

Prior to joining the City of Lansing, Harkins worked as Vice President of Government Relations at Munetrix, a data company that represents local units of government and school districts. Harkins increased their municipal client base by 20 percent and secured state reimbursement funding for local governments who contracted with a data company.

Harkins spent 8 ½ years at the Michigan Municipal League where she worked as a Legislative Associate for four years. During this time she was ranked as the state's second highest lobbyist in 2011. She was promoted to Director of State Affairs in 2012 and succeeded in securing 100 percent reimbursement for cities following the elimination of personal property tax. In 2014 she was named one of ten people to watch by Crain's Detroit. In 2015, Harkins was again promoted to the President of the MML Foundation.

Harkins has also worked on local government policy in the Michigan House of Representatives and as the Executive Assistant to the Mayor of Norfolk, Virginia prior to moving to Michigan.

Nate Geinzer, CEO of Double Haul Solutions entered the world of local government in 2005, quickly finding his passion for local government and the engagement of stakeholders who build and support "community." Geinzer has served the Cities of Brighton, Berkley, and Farmington Hills during his local government career.

Currently, Geinzer serves the City of Brighton as City Manager where he has successfully tackled complex financial, personnel, and capital challenges. His efforts have set a new course in his community where he has resided for 17 years. Renewed financial stability and sustained infrastructure investment is a source of pride for Geinzer and his team. Most notably, Geinzer and his team successfully developed and negotiated a strategy that will save the City an estimated \$5.5 million in pension and OPEB liabilities. Geinzer has also used his passion of organizational restructuring and culture development, as well as practical frugality, to save over \$1 million in

Hundred Place Consulting, L.L.C.

organizational costs annually, directing resources to needs such as infrastructure, while improving local government service delivery.

Double Haul Solutions was founded as an outlet for excess capacity, energy, and a sincere desire to use his successes and experiences to assist communities and organizations throughout Michigan and beyond.

Geinzer has been active in organizations such as the Michigan Municipal Executives, Michigan Municipal League, and the International City/County Managers Association, including leadership roles. He also formally served on the Eastern Michigan University Masters of Public Administration Advisory Board.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

- Bodily injury by accident must occur during the policy period.
- Bodily injury by disease must be caused or aggravated by the conditions of your employment.
 The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

- 1. reasonable expenses incurred at our request, but not loss of earnings;
- premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
- 3. litigation costs taxed against you;
- interest on a judgment as required by law until we offer the amount due under this insurance; and
- 5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other

insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

- 1. of your serious and willful misconduct;
- you knowingly employ an employee in violation of law;
- you fail to comply with a health or safety law or regulation; or
- 4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

- As between an injured worker and us, we have notice of the injury when you have notice.
- Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
- We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.
- 4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
- 5. This insurance conforms to the parts of the

workers compensation law that apply to:

- a. benefits payable by this insurance;
- special taxes, payments into security or other er special funds, and assessments payable by us under that law.
- Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

- 1. The bodily injury must arise out of and in the course of the injured employee's employment by you.
- 2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
- Bodily injury by accident must occur during the policy period.
- 4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
- If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

 For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against

- such third party as a result of injury to your employee;
- 2. For care and loss of services; and
- For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
- 4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

- Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
- Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
- Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;

- Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 USC Sections 51–60), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws:

- 12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 USC Sections 1801–1872) and under any other federal law awarding damages for violation of those laws or regulations issued there under, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

- 1. Reasonable expenses incurred at our request, but not loss of earnings;
- 2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
- 3. Litigation costs taxed against you;
- 4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
- 5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

- Bodily Injury by Accident. The limit shown for "bodily injury by accident—each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.
 - A disease is not bodily injury by accident unless it results directly from bodily injury by accident.
- 2. Bodily Injury by Disease. The limit shown for "bodily injury by disease—policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease—each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.
 - Bodily injury by disease does not include disease that results directly from a bodily injury by accident.
- We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

Actions Against Us

There will be no right of action against us under this insurance unless:

 You have complied with all the terms of this policy; and The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

- This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
- If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
- We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
- If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

- 1. Provide for immediate medical and other services required by the workers compensation law.
- 2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
- 3. Promptly give us all notices, demands and legal

papers related to the injury, claim, proceeding or suit.

- 4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
- 5. Do nothing after an injury occurs that would interfere with our right to recover from others.
- Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE—PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

- all your officers and employees engaged in work covered by this policy; and
- 2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

- 1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
- 2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancelation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX—CONDITIONS

A. Inspection

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancelation

- You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancelation is to take effect.
- We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancelation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
- 3. The policy period will end on the day and hour stated in the cancelation notice.
- Any of these provisions that conflict with a law that controls the cancelation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancelation.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit anyone not named in the Schedule.

TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT DISCLOSURE ENDORSEMENT

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto, including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

"Insurer Deductible" means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premiums, during the immediately preceding calendar year.

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000,the United States Government would pay 80% of our insured Losses that exceed our Insurer Deductible.

Subject: Re: MMSA - Renewal Work Comp Policy

Kelly-

Thank you again for sending the policy renewals. After looking at it, the MMSA would like to lower the "Clerical Office Employees" premium basis from \$265,200 to \$100,000.

Since February 2021, Kristen Delaney, Office Administrator, has been the MMSA's only full-time employee. Over the past year we also had a part-time employee. We currently do not have a part-time employee, but I anticipate we may during this coming September to August period. The MMSA CEO position (held by Shea Charles) is no longer an employee-position of MMSA. I am effectuating the duties of the CEO as a contracted consultant and would not be covered under the MMSA's Workers Comp coverage.

Thank you for your assistance with this request. If you need any additional information or would like to discuss this further, please let me know.

Sincerely, Jaymes Vettraino MMSA 248-379-38923 (cell)
