(b) Upon investigation, the authorized officials of the Town may determine that a vehicle is an abandoned vehicle and order the vehicle removed.

Section 4. Nuisance vehicle unlawful, removal authorized.

(a) It shall be unlawful for the registered owner or person entitled to possession of a motor vehicle, or for the owner, lessee, or occupant of the real property upon which the vehicle is located to leave or allow the vehicle to remain on the property after it has been declared a nuisance vehicle.

Section 5. Junked motor vehicle regulated, removal authorized.

(a) It shall be unlawful for the registered owner or person entitled to the possession of a junked motor vehicle, or for the owner, lessee, or occupant of the real property upon which a junked motor vehicle is located to leave or allow the vehicle to remain on the property after the vehicle has been ordered removed.

(b) It shall be unlawful to have more than one junked motor vehicle, as defined herein, on the premises of private property. A single, permitted junked motor vehicle must strictly comply with the location and concealment requirements of this section.

(c) It shall be unlawful for the owner, person entitled to the possession of a junked motor vehicle, or for the owner, lessee, or occupant of the real property upon which a junked motor vehicle is located to fail to comply with the location requirements or the concealment requirements of this Ordinance..

(d) Subject to the provisions of subsection (e), the Town Code Administrator may order the removal of a junked motor vehicle found in violation of this Ordinance to a storage garage or area. No such vehicle shall be removed from private property without the written request of the owner, lessee, or occupant of the premises unless the Code Administrator finds in writing that the aesthetic benefits of removing the vehicle outweigh the burdens imposed on the private property owner. Such finding shall be based on a balancing of the monetary loss of the apparent owner against the corresponding gain to the public by promoting or enhancing community, neighborhood, or area appearance. The following, among other relevant factors, may be considered:

- (1) Protection of property values;
- (2) Promotion of tourism and other economic development opportunities;
- (3) Indirect protection of public health and safety;
- (4) Preservation of the character and integrity of the community; and
- (5) Promotion of the comfort, happiness and emotional stability of the area residents.

(e) Permitted concealment or enclosure of junked motor vehicles:

(1) One junked motor vehicle, in its entirety, may be located in the rear yard, as defined in the Town Zoning Ordinance, provided the junked motor vehicle is entirely concealed from public view from a public street and/or abutting premises by an acceptable covering for not more than sixty (60) calendar days. Junked motor vehicles kept on the premises more than sixty (60) calendar days shall be kept inside a completely enclosed building. The Town Code Administrator has the authority to determine whether any junked motor vehicle is adequately concealed as required by this provision. The covering must remain in good repair and must not be allowed to deteriorate.

(2) Any one or more junked motor vehicles kept for a period exceeding sixty (60) calendar days shall be kept within a completely enclosed building, as defined in the Town Zoning Ordinance.

Section 6. Removal of abandoned, nuisance, or junked motor vehicles; pre-towing notice requirements.

Except as set forth in Section 7 below, an abandoned, nuisance, or junked motor vehicle which is to be removed shall be towed only after notice to the registered owner or person entitled to possession of the vehicle. In the case of a nuisance vehicle or a junked motor vehicle, if the names and addresses of the registered owner or person entitled to the possession of the vehicle, or the owner, lessee, or occupant of the real property upon which the vehicle is located can be ascertained in the exercise of reasonable diligence, the notice shall be given by first class mail. The person who mails the notice(s) shall retain a written record to show the name(s) and address(es) to whom and to which mailed, and the date mailed. If such names and addresses cannot be ascertained or if the vehicle to be removed is an abandoned motor vehicle, notice shall be given by affixing on the windshield or some other conspicuous place on the vehicle a notice indicating that the vehicle will be removed by the Town on a specified date (no sooner than seven (7) days after the notice is affixed). The notice shall state that the vehicle will be removed by the Town on a specified date, no sooner than seven days after the notice is mailed or affixed, unless the vehicle is moved by the owner or legal possessor prior to that time.

With respect to abandoned vehicles on private property, nuisance vehicles and junked vehicles to which notice is required to be given, if the registered owner or person entitled to

possession does not remove the vehicle but chooses to appeal the determination that the vehicle is abandoned, a nuisance vehicle or in the case of a junked motor vehicle that the aesthetic benefits of removing the vehicle outweigh the burdens, such appeal shall be made to the Board of Adjustment in writing, heard at the next regularly scheduled meeting of the Board of Adjustment, and further proceedings to remove the vehicle shall be stayed until the appeal is heard and decided.

Section 7. Exceptions to prior notice requirement.

The requirement that notice be given prior to the removal of an abandoned, nuisance, or junked motor vehicle may, as determined by the authorized official, be omitted in those circumstances where there is a special need for prompt action to eliminate traffic obstructions or to otherwise maintain and protect the public safety and welfare. Such findings shall, in all cases, be entered by the authorized official in the appropriate daily records. Circumstances justifying the removal of vehicles without prior notice include:

(a) Vehicles abandoned on the streets. For vehicles left on the public streets and highways, the Town Council hereby determines that the immediate removal of such vehicles may be warranted when they are:

- (1) Obstructing traffic.
- (2) Parked in violation of an ordinance prohibiting or restricting parking.
- (3) Parked in a no-stopping or standing zone.
- (4) Parked in loading zones.
- (5) Parked in bus zones, or
- (6) Parked in violation of temporary parking restrictions.

(b) Other abandoned or nuisance vehicles. With respect to abandoned or nuisance vehicle left on town-owned property other than the streets or highways, and on private property, such vehicles may be removed without giving prior notice only in those circumstances where the authorized official finds a special need for prompt action to protect and maintain the public health, safety, and welfare. By way of illustration and not of limitation, such circumstances include vehicles blocking or obstructing ingress or egress to businesses and residences, vehicles parked in such location or manner as to pose a traffic hazard, and vehicles causing damage to public or private property.

Section 8. Removal of vehicles; post-towing notice requirements.

Any abandoned, nuisance, or junked motor vehicle which has been ordered removed may, as directed by the Town, be removed to a storage garage or area by a tow truck operator or towing business contracted to perform such services for the Town. Whenever such a vehicle is removed, the authorized Town official shall immediately notify the last known registered owner of the vehicle with such notice to include the following;

- (1) The description of the removed vehicle;
- (2) The location where the vehicle is stored;
- (3) The violation with which the owner is charged, if any;
- (4) The procedure the owner must follow to redeem the vehicle; and
- (5) The procedure the owner must follow to request a probable cause hearing on the removal.

The Town shall attempt to give notice to the vehicle owner by telephone; however, whether or not the owner is reached by telephone, written notice, indicating the information set forth in subsections (1) through (5) above, shall also be mailed to the registered owner's last known address, unless this notice is waived in writing by the vehicle owner or his agent.

If the vehicle is registered in North Carolina, notice shall be given within twenty-four (24) hours. If the vehicle is not registered in the State, notice shall be given to the registered owner within seventy-two (72) hours from the removal of the vehicle.

Whenever an abandoned, nuisance, or junked motor vehicle is removed, and such vehicle has no valid registration or registration plates, the authorized Town official shall make reasonable efforts, including checking the vehicle identification number to determine the last known registered owner of the vehicle and to notify him of the information set forth in subsections (1) through (5) above.

Section 9. Right to probable cause hearing before sale or final disposition of vehicle.

After the removal of an abandoned vehicle, nuisance vehicle, or junked motor vehicle, the owner or any person entitled to possession is entitled to a hearing for the purpose of determining if probable cause existed for removing the vehicle. A request for hearing must be filed in writing with the county magistrate designated by the chief district court judge to receive such hearing requests. The Magistrate will set the hearing within seventy-two (72) hours of receipt of the request, and the hearing will be conducted in accordance with the provisions of G.S. 20-219.11, as amended.

Section 10. Redemption of vehicle during proceedings.

At any stage in the proceedings, including before the probable cause hearing, the owner may obtain possession of the removed vehicle by paying the towing fees, including any storage charges, or by posting a bond for double the amount of such fees and charges to the tow truck operator or towing business having custody of the removed vehicle. Upon regaining possession of a vehicle, the owner or person entitled to the possession of the vehicle shall not allow or engage in further violations of this Ordinance.

Section 11. Sale and disposition of unclaimed vehicle.

Any abandoned, nuisance, or junked motor vehicle which is not claimed by the owner or

other party entitled to possession will be disposed of by the tow truck operator or towing business having custody of the vehicle. Disposition of such a vehicle shall be carried out in coordination with the Town and in accordance with Article 1 of Chapter 44A of the North Carolina General Statutes.

Section 12. Conditions on removal of vehicles from private property.

As a general policy, the Town will not remove a vehicle from private property if the owner, occupant or lessee of such property could have the vehicle removed under applicable State law procedures. In no case will a vehicle be removed by the Town from private property without a written request of the owner, occupant or lessee, except in those cases where the vehicle is a nuisance vehicle or is a junked motor vehicle which has been ordered removed by the Town Code Administrator. The Town may require any person requesting the removal of an abandoned, nuisance, or junked motor vehicle from private property to indemnify the Town against any loss, expense or liability incurred because of the removal, storage, or sale thereof.

Section 13. Protection against criminal or civil liability.

No person shall be held to answer in any civil or criminal action to any owner or other person legally entitled to the possession of an abandoned, nuisance, or junked motor vehicle, for disposing of such vehicle as provided in this Ordinance.

Section 14. Exceptions.

Nothing in this Ordinance shall apply to any vehicle: (1) which is located in a bona fide "automobile graveyard" or "junkyard" as defined in N.C.G.S. 136-143, in accordance with the "Junkyard Control Act", N.C.G.S. 136-141, et seq., (2) which is in an enclosed building, (3) which is on the premises of a business enterprise being operated in a lawful place and manner, or (4) which is in an appropriate storage place or depository maintained in a lawful place and manner by the Town.

Section 15. Unlawful removal of impounded vehicle.

It shall be unlawful for any person to remove or attempt to remove from any storage facility designated by the Town, any vehicle which has been impounded pursuant to the provision of this Ordinance unless and until all towing and impoundment fees which are due, or bond in lieu of such fees, have been paid.

Section 16. Alternative Remedies.

Nothing in this Ordinance nor any of its provisions shall be construed to impair or limit in any way the power of the Town to define and declare nuisances and to cause their removal or abatement by summary proceedings or otherwise nor shall enforcement of one remedy provided herein prevent the enforcement of any other remedy or remedies provided herein or in other ordinances or laws. In addition to the remedies provided for herein, any violation of the terms of this Ordinance shall subject the violator to the penalties and remedies, either criminal or civil or both, as set forth in the General Penalties Ordinance of the Town of Midland.”

Part 2. All ordinances in conflict with the provisions of this Ordinance are hereby repealed to the extent of such conflict.

Part 3. This Ordinance shall become effective upon its adoption by the Town Council of the Town of Midland, North Carolina.

ADOPTED this the 11th day of May, 2010.
