

# Route Schedule

Don't let a lack of transportation or a fear of driving in traffic keep you at home. Cabarrus Links is here to help those who live in rural Cabarrus County to get connected to jobs, shopping, and a more active life by offering public transportation from Midland, Mount Pleasant and Harrisburg to major employment and shopping destinations.

Beginning October 5, Cabarrus Links public transportation vans will make stops at central locations in Midland, Mount Pleasant and Harrisburg with routes going to Concord Mills and to Carolina Mall and Carolinas Medical Center - Northeast. These van routes also link up to the CK Rider bus system, which will take you to additional destinations throughout Concord and Kannapolis for increased connectivity.

For a \$1 fare you can travel one way to any of these destinations and link up to CK Rider at no additional charge. Each trip will take approximately one hour from the first pick-up site to the final destination. To learn more, call Cabarrus County Transportation today at 704-920-2931.
