MINERAL COUNTY SEEKING SEALED BIDS

The Mineral County Fire Department is seeking bids for two separate projects. The work is to be done at the Mineral County Fire Department located at 418 Mineral Way in Hawthorne, Nevada.

Project 1 Scope of Work:

Site Preparation

- Determine proper elevation
- Install fill necessary to achieve elevation

Concrete Slab

- 6" concrete slab, 40' x 65', with footings
- 20' concrete apron at the roll-up door entrance

Project 2 Scope of Work:

Metal Building Installation

- 40' x 65' metal building to be installed on the new concrete slab. Engineered plans for the building being provided must accompany the bid.

The building is to include:

- one 14' roll-up door, height to be determined by the Fire Department.
- two metal, insulated man doors, 3'0" x 6'8"
- four 5'0" x 3'0" operable sliding windows, white vinyl
- complete insulation
- no electrical, no interior walls

The bids for this project must arrive sealed and be delivered to the Clerk's office located at the Mineral County Court House, 105 South A Street, Hawthorne, Nevada 89415. You can also mail them to P.O.Box 1450, Hawthorne, Nevada 89415.

There will be a 60-90 day construction window. All work must be done in accordance with Mineral County building codes. For any further information contact Chris Lawrence, Fire Chief, at 775-945-0462.
