AGREEMENT

NEW FIRE TAP CONNECT APPLICATION
For HAWTHORNE, MINA OR LUNING

I hereby request Hawthorne Utilities to install a new fire suppression water connect for my property line. I will have the desired location of the connect marked for Utility Personnel.

I have also been informed that Hawthorne Utilities will install the line ONLY to my property line. I will be fully responsible for the replacement and costs on my property and release Hawthorne Utilities of any and all liability incurred thereon.

I understand that Hawthorne Utilities requires approximately three days prior notification for the new water connect for fire suppression installation, but that it will be done as manpower and equipment are available.
