

Hawthorne Utilities  
P.O. Box 1448  
Hawthorne, NV 89415-1448  
Phone: (775) 945-2486

**AGREEMENT**

**NEW SEWER CONNECT APPLICATION**

I hereby request Hawthorne Utilities for a new sewer connect from the main line to my property line. I fully understand that I will be completely responsible for the payment of a new Residential Connect Fee of \$1,172.00.

I have also been informed that Hawthorne Utilities will install the line ONLY to my property line. I will be fully responsible for the replacement and costs on my property and release Hawthorne Utilities of any and all liability incurred thereon.

Hawthorne Utilities requires back water valve be installed on the property owner's line. The costs and maintenance of the back water valve would be the property owner's responsibility.

I understand that Hawthorne Utilities requires approximately three days prior notification for the new sewer connect, but that it will be done as manpower and equipment are available.
