

**NORTHAMPTON COUNTY
REGULAR SESSION
January 6, 2014**

Be It Remembered that the Board of Commissioners of Northampton County met on January 6, 2014 with the following present: Robert Carter, Fannie Greene, Virginia Spruill, Chester Deloatch, and Joseph Barrett

Others Present: Ken Creque, Kimberly Turner, Charles Vaughan

Agenda Work Session:

Vice-Chairwoman Greene was not present at this time.

A 10-minute work session was held to discuss today's agenda items. There were no changes to the agenda.

Vice-Chairwoman Greene joined the meeting at this time.

Regular Session:

Chairman Carter called the meeting to order and welcomed everyone. Chairman Carter delivered the Invocation and the Pledge of Allegiance was recited.

Approval of Regular Session Minutes for December 2, 2013:

A motion was made by Chester Deloatch and seconded by Virginia Spruill to approve the Regular Minutes for December 2, 2013. Discussion: Chairman Carter stated that on page 898, in reference to the present use application for Willis Martin, the motion should have been 3 for-Greene, Barrett, and Deloatch and 1 against- Carter. **Question Called For: All present voting yes. Motion carried.**

Approval of Work Session Minutes for December 9, 2013:

A motion was made by Virginia Spruill and seconded by Chester Deloatch to approve the minutes of the work session for December 9, 2013. Discussion: Commissioner Barrett noted on page 944, it states that the Manager's Mid-Year Report will be presented on January 20; however, that is a holiday and the Board meets on the 22nd. Ms. Kimberly Turner, Clerk, stated that it was a mistake made in the County Manager's document that was scanned into the minutes and the Commissioners' Meeting Schedule has January 22nd as the meeting date. **Question Called For: All present voting yes. Motion carried.**

Approval of Agenda for January 6, 2014:

A motion was made by Joseph Barrett and seconded by Virginia Spruill to adopt the agenda for today as printed. **Question Called For: All present voting yes. Motion carried.**

Phase V Reimbursement Resolution:

Mrs. Dot Vick, Finance Officer, appeared before the Board to obtain approval of Resolution of Official Intent to Pursue Tax Exempt Financing and to Reimburse Expenditures with Proceeds of a Borrowing for the Phase V Water Improvements Project.

A motion was made by Fannie Greene and seconded by Joseph Barrett to approve the Resolution with the approval of the attorney. **Question Called For: All present voting yes. Motion carried.**

PLEASE SEE SCANNED RESOLUTION BELOW WHICH IS HEREBY MADE A PART OF THESE MINUTES:

The following resolution was discussed and its title was read:

RESOLUTION OF OFFICIAL INTENT TO PURSUE
TAX EXEMPT FINANCING AND TO REIMBURSE
EXPENDITURES WITH PROCEEDS OF A BORROWING

WHEREAS, the Board of Commissioners of Northampton County, North Carolina (the "County") intends to finance a portion of the cost of the acquisition, construction and installation of improvements to its water system referred to as Phase V (the "Project") during the next several years;

WHEREAS, the County may advance its own funds to pay expenditures related to the Project, may borrow funds on a short term taxable or tax exempt basis in order to pay such expenditures or may enter into contracts obligating third parties to make certain expenditures relating to the Project (the "Expenditures") prior to incurring indebtedness and to receive reimbursement for such Expenditures from proceeds of tax-exempt obligations or taxable debt, or both;

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF NORTHAMPTON COUNTY, NORTH CAROLINA:

1. The County intends to utilize the proceeds of tax-exempt indebtedness, including but not limited to general obligation bonds and installment finance agreements (collectively, the

"Indebtedness") or to incur other debt, to pay the costs of the Project in an amount not currently expected to exceed \$4,900,000.

2. The County intends that the proceeds of the Indebtedness be used to reimburse the County for Expenditures with respect to the Project made on or after the date that is no more than 60 days prior to the date of this resolution. The County reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Indebtedness or other debt.

3. The County intends that the adoption of this resolution confirms its "official intent" within the meaning of Treasury Regulations Section 1.150-2 promulgated under the Internal Revenue Code of 1986, as amended.

4. This resolution shall take effect immediately upon its passage.

Commissioner Greene moved the passage of the foregoing resolution, Commissioner Barrett seconded the motion, and the resolution was passed by the following vote:

Ayes: -5- Carter, Greene, Spruill, Barrett, DeLoatch

Nays: -0-

Not Voting: -0-

I, Kimberly L. Turner, Clerk to the Board of Commissioners for Northampton County, North Carolina, DO HEREBY CERTIFY that the foregoing is a true and complete copy of so much of the proceedings of the Board of Commissioners for the County at a regular meeting duly called and held January 6, 2014, as it relates in any way to the resolution hereinabove set forth and that the proceedings are recorded in Minute Book 22 of the minutes of the County. Pursuant to G.S. § 143-318.12, a current copy of a schedule of regular meetings of the Board of Commissioners for the County is on file in my office.

WITNESS my hand and the common seal of the County, this 6 day of January, 2014.

Kimberly L. Turner
Clerk to the Board of Commissioners
Northampton County, North Carolina

Mrs. Vick introduced the new Assistant Finance Officer, Leigh Etheridge.

Vice-Chairwoman Greene left the meeting at this time.

Status Update for Job Readiness Coordinator:

Mrs. Shelia Manley-Evans, DSS Director, appeared before the Board to give an update on the Job Readiness Coordinator.

Commissioner Spruill stated that since the DSS Director is satisfied with the performance of the Job Readiness Coordinator, she recommended that the DSS Director no longer come back to the Board with a status report on this position.

The Board agreed with the recommendation coming from Commissioner Spruill.

Emergency Management Performance Grant Application:

Mr. Ronnie Storey, Emergency Management Director, appeared before the Board to obtain approval to submit the application for the North Carolina Emergency Management Performance Grant.

Vice-Chairwoman Greene rejoined the meeting at this time.

A motion was made by Joseph Barrett and seconded by Virginia Spruill to sign and submit the Emergency Management Performance Grant application. **Question Called For: All present voting yes. Motion carried.**

Bids for New Ambulance:

Mr. Chuck Joyner, EMS Director, appeared before the Board to obtain approval to move forward with the lease purchase of a 2014 G 4500 Chevrolet Ambulance from Northwestern Emergency Vehicles at the cost of \$129,981.

A motion was made by Fannie Greene and seconded by Joseph Barrett to allow Northampton County Ambulance Service to lease purchase one new 2014 G4500 Chevrolet ambulance from Northwestern Emergency Vehicles at the cost of \$129,981. **Question Called For: All present voting yes. Motion carried.**

Chairman Carter explained the citizen comment process.

Public Hearing-Proposed Rezoning (Lebanon Church Road):

Chairman Carter recessed regular session and convened a public hearing.

Mr. William Flynn, Zoning Administrator, conducted a public hearing to receive and consider public comments on the proposed rezoning of 473.59 acres of land along Lebanon Church Road from Light Industrial to Heavy Industrial.

PLEASE SEE SCANNED DOCUMENTATION BELOW WHICH IS HEREBY MADE A PART OF THESE MINUTES:

DECISION PAPER

TO: Northampton County Board of Commissioners
FROM: William Flynn, Planning and Zoning Director
DATE: January 6, 2014
SUBJECT: Public hearing – proposed rezoning from Light Industrial to Heavy Industrial

PURPOSE:

The purpose of this public hearing is to receive and consider public input on the proposed re-zoning of 473.59 acres of land along Lebanon Church Road from Light Industrial (LI) to Heavy Industrial (HI).

FACTS:

1. There are five parcels proposed for rezoning totaling 473.59 acres. The five parcels and their corresponding acreages are:

a. 01-10069	40 acres	(Clement's Mechanical)
b. 01-09993	120.17 acres	(Enviva)
c. 01-10070	37.76 acres	(Northampton County)
d. 01-09992	80.25 acres	(Northampton County)
e. 01-10068	195.41 acres	(Northampton County)
2. The properties are located along Lebanon Church Road north of Blyth Road and south of Macon Price Road.
3. The property was rezoned in May of 2005 from Agricultural-Residential (AR) to Light Industrial (LI) with the intentions of developing and industrial park.
4. Re-zoning the property will increase the buffer requirements between the HI properties and the AR properties from the current 100 feet to 200 feet.
5. The Northampton County Planning Board gave the proposed re-zoning action a favorable recommendation during their November 13, 2013 meeting.

DISCUSSION:

The re-zoning action in 2005 included a twenty-five (25) acres parcel of land that will not be included in this re-zoning proposal. It will remain Light Industrial mainly due to the relatively narrow width of the property. If it were to be re-zoned to HI, the buffer requirement would occupy approximately one-half of the space available on the property.

In any re-zoning action, the Board of Commissioners must consider the following four items:

1. Relative size of the tract(s) proposed for re-zoning;
2. Benefits and Detriments;
3. Relationship of uses from one district to another;
4. Compatibility with the land use plan.

Staff's assessment of:

RELATIVE SIZE OF THE TRACTS:

The size of the tracts proposed for re-zoning may be considered average to above average for their location in the County. There are some clusters of small residential properties to the north, northwest and south of the subject properties that range from approximately ½ acre to two acres in size. However, a majority of the properties found in the immediate vicinity of the subject parcels are large tracts of farm land or wooded properties.

BENEFITS AND DETRIMENTS:

Re-zoning of the properties from Light Industrial to Heavy Industrial will more than double the permitted uses allowed on the properties thereby making the property more marketable to business industries seeking land and opportunities for development. The potential for jobs will be increased as well as the potential to boost the tax base. Some of the uses allowed in Heavy Industrial districts may not be readily welcomed by some of the residents living in the general area. Some of the uses may emit smoke, noise or dust that may possibly be considered nuisances by area residents.

RELATIONSHIP OF USES FROM ONE DISTRICT TO ANOTHER:

The uses in a Light Industrial zoning district are predominantly for light manufacture/fabrication and wholesale distribution of goods, whereas, Heavy Industrial zoning districts are designed to accommodate all but the most objectionable industries. Although the industries permitted in Heavy Industrial districts may be deemed more objectionable, they are still required to minimize their emissions of smoke, dust, fumes, glare, noise and vibrations. There is a list of uses for each district attached to this paper for comparison.

COMPATIBILITY WITH THE LAND USE PLAN:

Northampton County is currently working on developing and Comprehensive Land Use Plan. However, Northampton County has been utilizing the Northampton County Zoning Ordinance, the zoning map and subdivision regulations to plan and guide growth. It is obvious from previous zoning actions (May 2005), and the most recent upgrade of the local infrastructure, that it is the intent for this land to be used for industrial development. The proximity of the property to thoroughfare roads and interstates is also fitting with industrial development.

CONCLUSION:

Northampton County staff has identified five parcels of land that are currently zoned Light Industrial that may better be suited as Heavy Industrial. The Northampton County Planning Board passed on a favorable recommendation for the re-zoning action In November 2013. When considering this proposed re-zoning, the Commissioners must carefully take in to account the relative size of the tracts of land, the benefits and detriments to all involved (the County, and citizens), the relationship of uses from both the LI and HI zoning districts and the compatibility with the intended use of the land, before making a decision. Based on the intended use of the property, and the relatively sparse residential population adjacent to the subject properties as well as the proximity to thoroughfares, staff's recommendation is to re-zone the property from Light Industrial to Heavy Industrial.

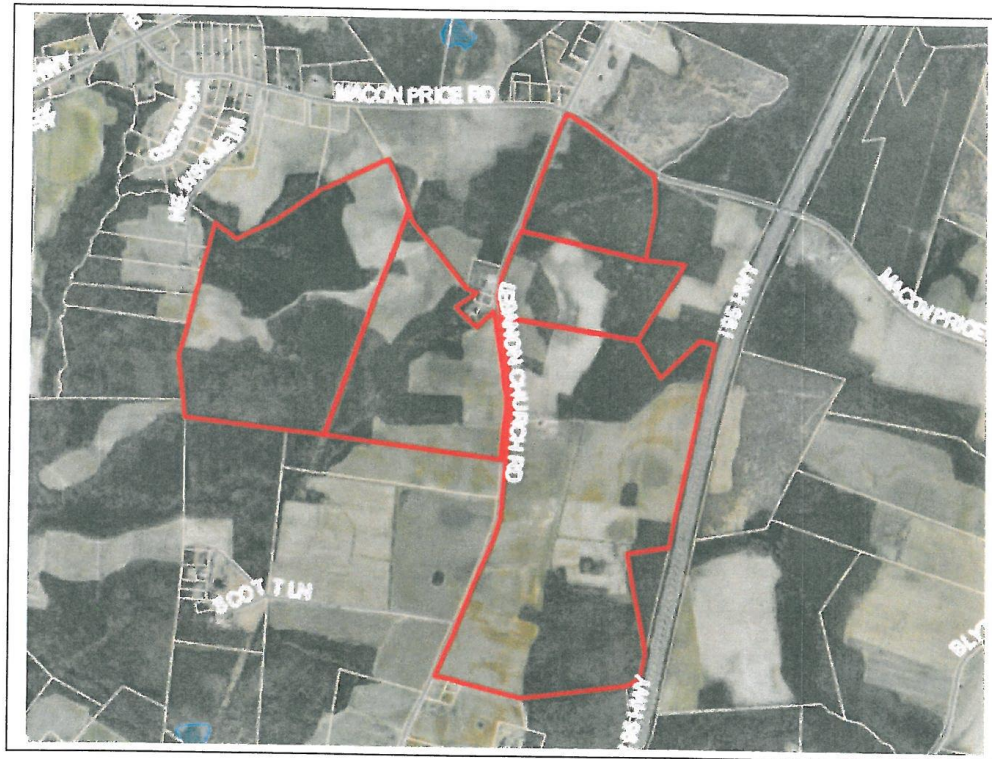

We, the Northampton County Board of Commissioners, have received the request to rezone five parcels of land (01-10070, 01-10069, 01-09993, 01-09992, 01-10068) totaling 473.59 acres along Lebanon Church Road, approximately 3/10 of a mile north of Blyth Road up to Macon Price Road and have taken into consideration the size of the tracts proposed for re-zoning, the compatibility of the re-zoning action with the land use plan, the benefits and detriments associated with re-zoning this property and the relationship of uses between Light Industrial properties and Heavy Industrial properties. Based on the evidence and testimony presented we have determined that the 473.59 acres proposed for re-zoning is / is not suitable for rezoning.

Circle one

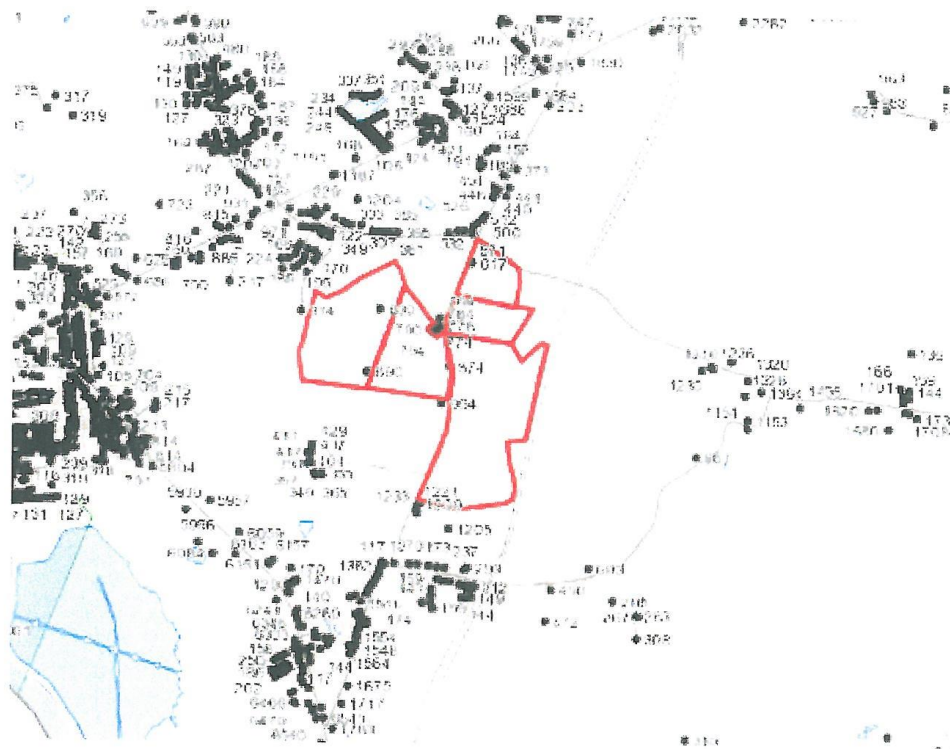

Chairperson, Northampton County Board of Commissioners

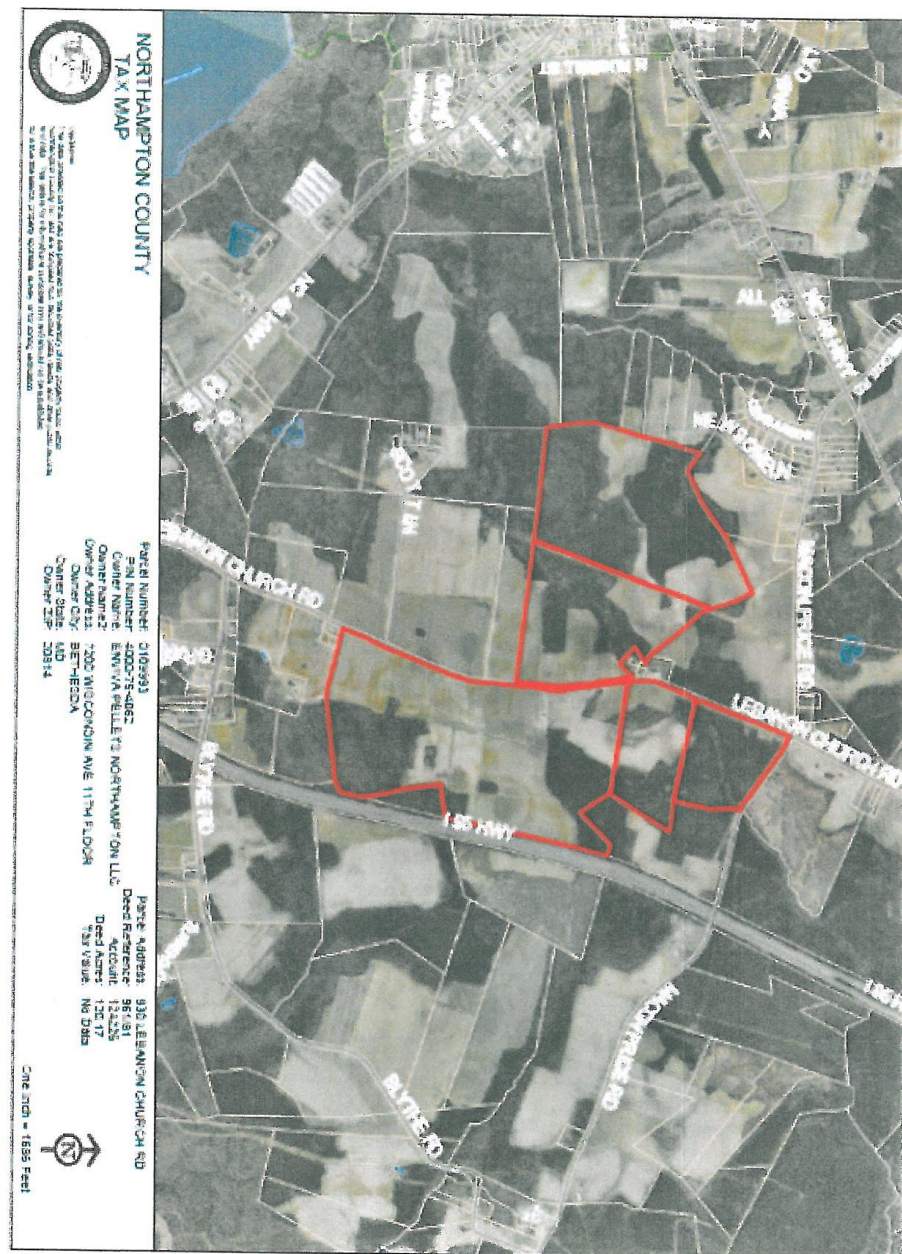

Date

PARCELS PROPOSED FOR RE-ZONING

LOCATION RELATIVE TO GENERAL POPULATION

Chairman Carter called for citizens comments:

Ms. Belinda Joyner made comments against the proposed rezoning due to the dust and noise coming from the Enviva plant that is affecting the citizens in that area. Ms. Joyner also made comments in reference to a conversation she has had with Mr. Flynn in reference to Enviva being heavy industrial, the posted sign on the property to be rezoned is too small to see from the road, and that she is not against economic development, but something has to be done about the issues in that area. Ms. Joyner presented the Board with a petition of approximately 300 or more names against this proposed rezoning.

Mr. Ritchie Harding made comments in reference to the vibration/noise and dust coming from the Enviva plant, buffer zones, condition of the streets, and the posted sign for rezoning being too small. Mr. Harding shared with the Board pictures of signs in the area, the posted sign for rezoning, view of Enviva from the road, and the condition of the roads in that area.

**PLEASE SEE SCANNED PETITION AND PICTURES BELOW WHICH ARE HEREBY
MADE A PART OF THESE MINUTES:**

Presented To

The Northampton County Board of Commissioners

January 6, 2014

The Authentic Signatures of the Citizens of

Northampton County asking you NOT to rezone

473 acres of land located on

Lebanon Church Road in Garysburg, NC

from Light Industrial to Heavy Industrial.

Say "NO To Rezoning"

The Northampton County Planning Board has decided to send a proposal to the county commissioners to rezone Lebanon Church Rd. and Macon Price Rd. from Light Industrial to Heavy Industrial.

The property was rezoned from Agricultural-Residential to Light Industrial in May 2005. Now for some reason they think we need Heavy Industrial zoning

The rezoning of these highways could expose residents to **(58 known)** companies that could set-up operation: ***bottle gas distribution and bulk storage, hatcheries, machine and tool manufacturing, machine welding, tobacco manufacturing or processing, underground low or high voltage electric power lines, pressure gas, liquid fuel transmission lines, electric substations, bio-fuel, airport landing.*** These are just a few of the companies that could have a negative impact on the persons living in the area and surrounding areas.

Do we trust the companies to protect the residents from noise, fumes and other hazardous waste?

We now have senior citizens that can't get a good night sleep, can't sit in their yard because of the noise and fumes. We have families that watch the pictures on the wall shake from the plant now located in the community. This is a grave injustice to the families and all citizens in Northampton County.

Progress is needed and we welcome it, but not in an established community, where the residents can not enjoy their own homes.

Please sign this petition and tell others to help save this community. Time is very important, a decision will be made to **rezone or not** in just a few days.

Noise, Noise, Noise!!!

That noise from that enviva plant is so loud I had to moved in the back room in the house. If I didn't know my neighbor worked second shift, I would think its him dropping or beating tin or something. The noise gets louder and louder sometimes louder than ever, But here lately its louder. Which makes it hard to sleep at night.

Dust, Dust, Dust!!!

I stay at the road front. my vehicles, home, and porches is so dusty from the plant, its looks like I stay down a long dirt path.

Citation, Citation, Citation!!!

State Trooper giving out citations on road closure which has been closed every since July or August, which means you have to go to court, causing to loose a days of pay from work.

Going out of my way to travel to I95 to get to and from work. I am tired of this. It cost me a little extra gas when I do this.

Thank you
Beverly H. Vincent

Concerns about Enviro Plant on
Lebanon Church Rd.

My House is in front of the plant.
The noise inside my house is so
loud that I have problems sleeping
at night. The noise never stops it
goes on 24hrs a day.

The Smell of wood chips burning and
smoke fill the air outside of my house.
I am concerned that long time exposure
to the air maybe a danger to my health.

Now, about the traffic, trucks are
going to fast. Afraid about childrens
battering on the school bus.

Last, this neighborhood was a
quiet place to live, but not anymore.

Kathy Claiborne
205 Cleveland Dr
Garysburg, NC 27831

To Whom It May Concern,

My name is Kathy may concern is about the noise that is coming from the plant. My husband and me had looked for five years trying to find a nice quiet place to live. We found a perfect place on 205 Cleveland Dr. It was so peaceful until Plant open in February. There are loud noises all day and all night. My alarm system is going off all time of the night. We have to jump out of the bed thinking something is wrong. It's only the vibrating from loud noise. It's causing system to go off. There are also things falling off the walls and breaking. Because of the vibrating from plant.

A handwritten signature in cursive script, reading "Kathy Claiborne". The ink is dark and the signature is fluid, with a long, sweeping tail on the last name.

Mr. Ken Creque, County Manager, made the following comments:

**PLEASE SEE SCANNED COMMENTS BELOW WHICH ARE HEREBY MADE A PART
OF THESE MINUTES:**

OFFICE OF THE
COUNTY MANAGER

Northampton County

"A GREAT PLACE TO RAISE FAMILIES, PROFITS AND EXPECTATIONS"

P.O. Box 808
Jackson, NC 27845
Phone (252) 534-2501
Fax (252) 534-1166

6 January 2013

TO: Northampton County Board of Commissioners

FROM: County Manager

SUBJECT: RE: Commercial Park rezoning

After a complete and thorough review there are no definitive values that can be expressly guaranteed with any changes to the Northampton County Commercial Park.

During the history of the commercial park there have been moments of inquiry as to whether the commercial park is zoned heavy industry, to which the county had lost an opportunity to compete.

Respectfully,

Kenneth A. Creque MPA
County Manager

Why We Do Economic Development

Everyday you do countless things to create jobs and boost the economy – but who knows what you do? Take time this week to call your elected officials to share success, invite them to a meeting or just share your thoughts on economic development. Use these 5 talking points to jump start your conversations:

1. We focus on economic development in order to create high-wage primary jobs, expand the tax base, diversify the economy and better control our destiny. Having a strong economic development program is about empowering people and communities. It is about the process of individuals gaining the ability to provide for themselves through high wage jobs and careers that allows them to contribute as productive citizens in their communities.
2. Without an effective economic development program, our state and many of our communities may grow but not always in the way they desire. By targeting high-wage, value added jobs, for which we ferociously compete with other states, we increase the wealth and prosperity of the people of Northampton County. Diversification from traditional industries balances our economy and makes us less vulnerable to fluctuations in the global economy.
3. By encouraging more capital investment by targeted companies, we expand the tax base thereby providing more dollars to local and state governments to deliver high quality services and infrastructure that further accelerate primary permanent job creation and strengthens our communities and the state.
4. Our world economy is rapidly changing. We must stay on the leading edge of innovation to secure our share of prosperity for our citizens. That requires a combined sustained effort including state and local communities with business and government all working together to help create, attract and grow innovative globally competitive companies that rely on a similarly highly skilled and productive workforce.
5. The continued effort to diversify our economy is critical for our future. At this very moment other states are competing to take existing high wage jobs out of North Carolina. In response, we must aggressively protect and grow existing home businesses while competing successfully against other markets for much needed new job creation. We need to continue and enhance what we are doing well to foster more business growth in North Carolina.

Commissioner Deloatch left the room at this time then rejoined the meeting a few minutes later.

Chairman Carter called for Board comments:

Commissioner Spruill made comments in reference to delaying action on this matter until further discussions took place, additional consideration from the Planning Board and Economic Development Commission, and a plan of action is developed.

All other commissioners agreed with Commissioner Spruill's comments.

Chairman Carter adjourned the public hearing and reconvened regular session.

A motion was made by Virginia Spruill and seconded by Fannie Greene to table this proposal from Planning and Zoning to consider at a later date. **Question Called For:** *All present voting yes.* **Motion carried.**

Halifax Regional MOU:

Mr. John White, Interim Health Director, appeared before the Board to obtain approval to enter into a Memorandum of Understanding (MOU) with Halifax Regional Medical Center Laboratory.

A motion was made by Fannie Greene and seconded by Joseph Barrett to approve for the Northampton County Health Department to enter into a MOU with Halifax Regional Medical Center Laboratory to be effective November 13, 2013. **Question Called For:** *All present voting yes.* **Motion carried.**

PLEASE SEE SCANNED MOU BELOW WHICH IS HEREBY MADE A PART OF THESE MINUTES:

Memo Of Understanding

THIS MEMO OF UNDERSTANDING is made and entered into by and between the NORTHAMPTON COUNTY HOME HEALTH AGENCY, hereinafter referred to as "Northampton", and the HALIFAX REGIONAL MEDICAL CENTER LABORATORY, hereinafter referred to as "HALIFAX."

WITNESSETH:

Whereas, NORTHAMPTON has a need for laboratory testing services, and

Whereas, HALIFAX has lab facilities with same-day results, and HALIFAX is willing to provide laboratory services to assist NORTHAMPTON in serving its clients, and

NOW, THEREFORE, NORTHAMPTON agrees as follows:

1. Deliver specimens to hospital according to their guidelines
2. Provide correct billing information on all patients with specimens
3. Agree to the terms of the Health Insurance Portability and Accountability Act as in the Business Associate Agreement as evidenced by a signed Business Associate Agreement form.

NOW, THEREFORE, HALIFAX agrees as follows:

1. To provide lab testing results to NORTHAMPTON by fax and critical test results to be called to the agency.
2. Bill patients or insurance for all services unless otherwise directed by NORTHAMPTON COUNTY HOME HEALTH AGENCY.

CIVIL RIGHTS

Both parties shall assure that no person, on the grounds of race, color, age, religion, sex, marital status, immigration status, national origin or otherwise

qualified handicapped individual, solely by reason of his/her handicap (unless otherwise medically indicated), be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity covered by this agreement.

The contract term is 11/13/13 to 11/13/14, and may be terminated, with or without cause, at any time and by either party after giving thirty (30) days notice.

IN WITNESS WHEREOF, the parties have caused this instrument to be executed by their duly authorized officers.

HALIFAX REGIONAL MEDICAL CENTER, Inc.

A motion was made by Fannie Greene and seconded by Virginia Spruill to approve Journal Entries #29-37. ***Question Called For: All present voting yes. Motion carried.***

Citizens/Board Comments:

Chairman Carter called for citizens comments:

Representative Michael Wray made comments in reference to his attendance at the meeting today.

Mr. Ritchie Harding expressed concerns about a sewer issue on the road he lives on.

Ms. Belinda Joyner thanked the Board for the consideration given to them today.

Chairman Carter called for Board comments:

Commissioner Barrett made comments in reference to a rumor about Purdue Hatchery connecting to the county water system in the Phase V Water project. Commissioner Barrett also made comments in reference to working with the municipalities while expanding our water system.

Commissioner Greene made comments in reference to her constituents' attendance at the meeting today.

Commissioner Spruill thanked the citizens for attending the meeting and being involved and made comments in reference to sending certified, return-receipt mail within the Tax Department when it comes to the 120-days notice.

Mr. Ken Creque, County Manager, stated that he is already working on that.

Commissioner Deloatch thanked the citizens for coming to the meeting and expressed concern about the Phase V Water project.

Commissioner Greene made further comments in reference to receiving calls again about the King Solomon Cove request.

Chairman Carter made comments in reference to the attendance at the meeting and the Board's decision.

Closed Session:

A motion was made by Chester Deloatch and seconded by Fannie Greene to recess regular session. **Question Called For: All present voting yes. Motion carried.**

A motion was made by Chester Deloatch and seconded by Virginia Spruill to convene a closed session for the purpose of G.S. 143-318.11(a)(6) and G.S. 143-318.11(a)(1). **Question Called For: All present voting yes. Motion carried.**

A motion was made by Chester Deloatch and seconded by Fannie Greene to adjourn closed session. **Question Called For: All present voting yes. Motion carried.**

A motion was made by Fannie Greene and seconded by Joseph Barrett to reconvene regular session. **Question Called For: All present voting yes. Motion carried.**

Chairman Carter asked the commissioners to review the Board work session materials on pages 17-22 related to merit and longevity.

Commissioner Spruill made comments in reference to complaints that she has gotten about Public Works field employees not reading meters, hiding from people and not doing their work.

Vice Chairwoman Greene left the room at this time.

A motion was made by Chester Deloatch and seconded by Virginia Spruill to adjourn. **Question Called For: All present voting yes. Motion carried.**

Kimberly L. Turner, Clerk to the Board
