

Checklist for Modular Home Permit

- [] Plans reviewed for compliance by our office*
- [] Zoning permit
- [] Health permit
- [] Lien agent report
- [] Surety bond (if not a licensed NC General Contractor)
- [] Proof of workman's compensation insurance
- [] Contract/scope of work

*Plans with application should have already been submitted to our office for compliance review. Plan review is required **BEFORE** permit issuance. Allow 5 days for review.

This checklist is for the building portion of the project ONLY. All other trades must apply for and obtain their own permits.
