

Understanding Your Monthly North Branch Water & Light Bill

If you have auto-pay set up, you will see a red "paid" on your bill with the date your payment method will be charged.

The day after the due date, a penalty of 10% of your balance will be added to your bill.

This portion of your bill is detachable, so you can provide it with your payment.

This portion of your bill is yours to save so you can compare usages from month to month.

MESSAGES:

Service dates are found on the lower portion of your bill.

Total amounts used will be found under "used" or "usage".

Usages are calculated from the "previous" readings minus the "present" readings. These are readings gathered from your meter.

Electric usages are in units of kWh and will be found in orange on your bill.

Water usages are units of 1,000 gallons and will be found in blue or teal for irrigation water.

Sewer is calculated from the amount of water you use. This is also in units of 1,000 gallons and will be found as green on the bill.

Storm sewer will be found in yellow.
