WHEREAS, the Capital Improvement Advisory Committee ("CIAC") convened on Monday, August 6, 2018, at the City of Oak Ridge North municipal building located at 27424 Robinson Road, Oak Ridge North, Texas 77358;

WHEREAS, the CIAC convened to fulfill its functions and duties to review engineering reports and make recommendations to the City Council of the City of Oak Ridge North ("City Council") concerning the necessity to update the City's impact fees;

WHEREAS, the CIAC is prepared to issue its comments and recommendations to the City Council which will be filed with the City Secretary pursuant to Tex. Loc. Gov't Code Sec. 395.058.

NOW THEREFORE, THE CAPITAL IMPROVEMENT ADVISORY COMMITTEE MAKES THE FOLLOWING COMMENTS AND RECOMMENDATIONS TO THE CITY COUNCIL:

SECTION 1. The CIAC has received an update from the City engineer(s) concerning the current land use assumptions, capital improvements plan, and impact fee rates.

SECTION 2. The CIAC finds that the current land use assumptions and capital improvements plan remain substantially unchanged, and the current impact fee service areas, and the current impact fee rates remain appropriate based on the City's 10-year growth projections, land use assumptions, the associated consumption demand values and the currently known status of their applicable CCN, if any.

SECTION 3. The CIAC recommends that City Council determine that an update is unnecessary and send notice of its determination not to update the land use assumptions, capital improvements plan, and impact fee in accordance with Tex. Local Gov't Code Sec. 395.0575.

SECTION 4. These preliminary comments and recommendations shall be filed with City Secretary immediately upon the approval of same.
