

IMPORTANT ANNOUNCEMENT

Dear Residents,

The City has elected to add software to make your user experience more convenient. We now have the Easy Pay System, where you can purchase pool passes, sign up for classes, and more. The newly added feature will be a part of our existing Utility Billing and Municipal Court Online Payment System.

Beginning July 15, 2023, there will be an additional \$1.25 transaction fee on ALL online transactions. This is from the online platform and is a pass-through fee. This does not go to the City budget.

You can still pay with a check or cash in the office with no fees.

We appreciate your understanding and don't hesitate to contact City Hall with any questions.

Thank you,

City Staff
