JODI L. HATHERLY, CPA, CFF, CGMA

BDO Director

EXPERIENCE

Jodi Hatherly is a Director in the firm's [Forensic Insurance and Recovery practice](#) with more than 25 years of insurance claims, litigation support, and other economic damage consulting experience. Her experience includes providing business interruption, property damage, construction contract/builder's risk, fidelity/employee dishonesty, cyber/data breach, environmental, third party liability, and insurable value related services including the quantification of damages and expert reports in support of litigation.

Ms. Hatherly has experience in the energy industry including mid-stream natural gas companies, refineries, pipelines, terminals, chemical and petrochemical, and electrical generation in various markets. She has worked with numerous steel manufacturers with various types of production facilities as well as other production facilities within the metals industry. In addition, she has assisted several national retail chains and has also assisted clients in the automotive, manufacturing, mining, health/dental care, hospitality, and construction industries.

Jodi has spoken at numerous seminars including local Risk and Insurance Management Society (RIMs) meetings, American Bar Association (ABA) events, and others. Ms. Hatherly has also published articles on various topics such as fraud and construction defects.
