DEVELOPMENT INFORMATION

New Application Previously applied for property

Applicants that have been denied a water hookup for new construction outside of a Smart Growth Development Area and decide to build despite not having access to public water may resubmit an application for hookup authorization after a period of ten (10) years from the date of the Certificate of Occupancy issued by the Code Enforcement Officer. The applicant must provide proof that the building has not been abandoned and has been in continued occupancy for the preceding 10 years. Proof of occupancy can be in the form of a letter from the municipal assessor or code enforcement officer, or through utility bills or other similar evidence.

- What type of development will the proposed hook-up serve? (examples: single-family home, office building, retail store)

- Is the property located within a Smart Growth Development Area? Yes No
- Is the proposed development in accordance with local comprehensive plans and zoning? Yes No
- Is the property located within a NYS Agricultural District? Yes No
- Has the property benefited from an agricultural assessment during the last three (3) years? Yes No

(over)

- Has a local Building and/or Zoning Permit been issued for the proposed development? Yes No
If yes, Date of Issuance: _____
- Is the development benefiting from an economic development program providing tax relief? Yes No
- Other available onsite infrastructure:
 public sewer natural gas broadband internet other _____
- Is there a private well on the property? Yes No
If yes, has the well water been tested for quality? (Please explain)
