Ware Historical Commission Ten Year Preservation Plan 9/26/22

- A plan for maintaining the building that now houses the Ware Town Hall
- Pass the Scenic Road by-law
- Continue to enforce the Demolition Delay By-Law
- Repair the antique fountain in front of WTH
- Restore/protect items in basement fall-out shelter
- Update the historical inventory of town
- Continue to support groups that protect historical buildings and land in town: Friends of the Ware Town Hall, Proprietors of the Ware Center Meeting House, Workshop 13, Ware Historical Society, Friends of Quabbin, East Quabbin Land Trust, Friends of the Young Men's Library
- Work on the application of Quabbin Cemetery to the National Register
- Promote efforts to restore scenic river views along South Street and East Main Street
- Update and dispense historical educational materials
- Plan and execute a community-based activity to engage the public in historical resources (eg, historical book hunt, walking tour, essay contest, architectural coloring book, etc.)
