New Business: Age Friendly update: The Town of Ware Selectmen approved The Ware Age and Dementia Friendly Community Assessment and Action Plan.

Next step is for Becky Basch to submit final report to AARP to review to accept. Nine committees will be formed to address each of the 9 Domains of Livability outlined in the Action Plan, we have begun working on them.

Our FY23 budget has been approved, and we will begin the hiring process in September for a part time Activities Coordinator to organize volunteers, create an activities calendar and plan trips from the senior center.

On Friday we will began working on the bathrooms so they will be ADA compliant. All four toilets will be elevated and have color compliant seats to be Dementia Friendly and ADA Compliant handles installed on each sink. The sign in computer is being moved and the floors are not being buffed so they will not be as shiny.

C. Haigh motioned to have a volunteer appreciation dinner September 21, 2022 for active volunteers at the Ware Senior Center and a notice thanking all our volunteers to be placed in the monthly newsletter. J. Zienowicz seconded, all in favor.
