Public Hearings Appendix A

Proposed Route Service Enhancements:

Route	Proposed Change
<u>P21E:</u>	Improve frequency from 60 minutes to 45-minutes effective December 24, 2023, and further improving frequency to 30 minutes for the Spring Bid. This change will affect service Monday through Sunday
<u>G73E:</u>	All trips will serve Northampton with 45-minute frequency effective December 24, 2023, and further improving to 30-minute frequency for the Spring Bid. This change will affect service Monday through Saturday and will include adding new service on Sundays beginning December 24, 2023.
<u>Ware Palmer:</u>	Changes include reinstituting the previous Ware and Palmer Circulators using 2 separate vehicles and providing more comprehensive service in each town. Additional service to Wilbraham Big Y will be added bringing the total number of connections to Springfield to six each day. These changes will take effect in December with the addition of weekend service planned for early Spring.
