#### Comments and Concerns:

- Lengthy discussion on the use of the exercise equipment. A complaint of people allegedly refusing to get off of the treadmill when their allotted time has expired was brought before the COA by Cheryl Haigh. Several patrons have been at odds over this issue in spite of a clear policy set forth by the COA. Zienowicz offered to address the concerns directly.
- **New Business:**
  - **Future of the Coke machine:** Zienowicz explained that the Senior Center is not making money off of the machine in fact it is more likely that the machine is costing more money than it is bringing in. The inventory in the machine has expired and the inventory purchased to replace the expired inventory has also expired due to lack of sales. Motion to remove the Coke machine Waal, all in favor.
  - Brundige suggested making ice tea and lemonade at the coffee bar and making that available to patrons as an alternative to soda.
  - Zienowicz and Brundige will distribute Farmer's Market Coupons on a first come, first served basis on July 25 at 11am.
  - Motion to forego the August COA meeting per tradition, Waal, all in favor.
  - The COA reviewed the entirety of the Fiscal Year 19 for the Council on Aging. General Budget, Food Program, Outreach Services and Van Report.
  - Motion to adjourn 10:25AM Waal, all in favor.
