### INSPECTOR OF ANIMALS

I have completed my barn inspections for the year 2007. During my visits to the local farms I have conducted a welfare check on the following animals.

Adult Dairy Cows	276	Horses	82
Beaf Cattle	46	Alpacas	35
Goats	62	Donkeys	3
Sheep	9	Chickens	142
Swine	23	Waterfowl	24
Game Birds	7	Rabbits	9

I would like to take this opportunity to thank the residences which allowed me access onto their property to inspect the above animals.

Respectfully Submitted,
