The Ware Historical Commission would like to thank everyone who has donated to the Nenameseck Square "Fountain Fund". At the end of July, the fountain returned to Nenameseck Square from Robinson Iron in Alabama and is once again occupying its position as the centerpiece of our historic square. While the fountain itself has been restored, there is still work to be done on the pump and interior mechanisms of the fountain. In addition, yearly maintenance will be necessary to keep the fountain pristine and in working order. The Historical Commission is continuing to accept donations to the "Fountain Fund" and asks for your generosity in giving to the fund to help us maintain our beautiful fountain. Donations may be sent to:
