# JANUARY 2023 | EVENTS & PROGRAMS

## WEEKLY - OFFSITE

### Preschool/Toddler Storytime

\*Winter Break January 10 - January 31\*

Arlington Safe Room, 11842 Otto Lane

What's wigglier than a toddler and sillier than a barrel of monkeys? Preschool/Toddler Storytime! Join us for lots of wiggles, giggles, and great books. Specifically tailored for those aged 5 and under, we also sneak in lots of early literacy and social skill building.

## WEEKLY AT THE LIBRARY

### CHESS CLUB

Whether you're a beginner or a seasoned player, come get some board time at the library. With instruction time and competitive play, this club is a great way to build your strategy skills and make some friends along the way. Open to all ages.

### BUILDERS CLUB

Need a good construction riddle? What's the tallest possible kind of building that person can build? A library because it easily has the most stories. Ages 5 and up are encouraged to come test and improve their building skills with Lego, Magna-Tiles and more. Children under 5 require adult supervision.

### KNITTING CLUB

Bring your yarn, needles and current project and spend some time relaxing, talking, and sharing ideas with other crafters. While not a formal instruction time, current members are often enthusiastic about sharing their experience and expertise.

### STEM

**Winter Break - January 12-Feb 2**

Do you like Science, Technology, Engineering & Math? If you said yes, then join us for a program that emphasizes design and problem-solving skills while introducing STEM concepts in a fun way. If you said no, then join us so we can change your mind (go back and read the part about "in a FUN way"!).

Recommended for K - 8th grade.

## MONTHLY AT THE LIBRARY

### BOOK CLUBS

One of the best things about a good book is talking about it with other people! Did you love it? Did you hate it? All of the opinions make great conversation and debate. Pick up this month's selection, read it and then come tell us about it. All clubs meet monthly.

#### Adult Book Club

**Elementary Book Club:** 2nd - 5th grade

**Masterminds Book Club:** 6th - 12th grade

**Homeschool Book Club:** Homeschooled students, both elementary and a middle school group

### KIDS ART CLASS

Are you a young artist in the making? Children, ages 5-9, are invited to come to the library to create a unique work of art once a month. All supplies will be provided, but registration is required.

### ART WITH HALEY

Discover your inner artist at the library! Designed for ages 9 - adult, Haley features a different art style or technique every month and walks you through the process, step by step, to help you create your very own masterpiece. All supplies will be provided, but registration is required.

### KIDS ZONE DIY CRAFT DAY

A once-a-month Take and Make day. Pick up prepackaged craft kits, take them home and have some creative family fun!

CHECK US OUT ON SOCIAL MEDIA!

## VIRTUAL STORYTIMES

### Bedtime Storytime

**Mondays at 7:00**

You are getting sleepy, soooooo sleepy. No??? Then try listening to our weekly bedtime story on Facebook Live. We can't guarantee it'll soothe you to sleep, but it'll definitely make bedtime more fun.

### READ WITH ME STORYTIME

**Thursdays at 10:30**

This Facebook Live weekly read-a-loud is perfect for slowing down and taking a closer look at some of the amazing books we have at the library.

### TINY TOTS LAPSIT STORYTIME

**Thursdays at 10:30**

Our tiniest friends (babies to age 2) will enjoy singing songs and listening to books selected just for them on Facebook Live every week. Wilson, the monkey puppet that lives at the library, loves to wave at our friends and help model how parents can interact with their babies to build a strong foundation for early literacy.

### SATURDAY FAMILY STORYTIME

**Monthly - 1st Saturday at 10:30**

Can't make it to our Tuesday morning storytimes? Join us for our monthly Facebook Live family storytime instead. Start your Saturday with books, songs, and rhymes. There may even be a puppet friend or two.
