Recycling

Arlington participates in single-stream recycling. This means there is no reason to separate or organize the recycle materials. As such - all recycle must be loose in the can. Recycle items which are bagged are considered contaminated and handled as garbage.

The following items are recyclable:

- flattened cardboard
- newspaper, paper bags, magazines,
- steel, tin, and aluminum cans,
- and plastic bottles

Items that are Not recyclable:

- mirrors, windows, or auto glass,
- hazardous or dangerous materials,
- bulky/rigid plastic,
- tires,
- Styrofoam,
- Aerosol cans,
- plastic bags (like grocery bags),
- pizza boxes (due to grease contamination)

Bulky Items (appliances, furniture)

- Bulky items at the curb will be picked up on your regular collection day.
- Refrigerators & freezers must have compressors removed, and doors removed or taped shut.

Yard Debris (grass, leaves, sticks)

- Yard Debris is picked up on your collection day.
- Leaves, grass, & small yard debris must be bagged. Larger items gathered for easy pick up.
- No Dirt & Yard Debris in trash or recycle cans.
