

APPENDIX "C"

Town of Arlington Acceptable Vegetation for Parking Lot Islands Trees*

Growth Size	Plant Types		Evergreen	Deciduous	Heat/Drought Tolerant	Native Species	Flowering	Fall Color
SMALL (10' - 30' in Height)								
	Acer buergeranum	Trident Maple		X				X
	Acer ginnala	Amur Maple		X	X			X
	***Ilex cornuta 'Bufordii'	Tree Form Burford Holly	X		X			
	Ilex vomitoira	Yaupon Holly	X		X			
	Ilex x attenuata 'Fosteri'	Foster #2 Holly	X		X			
	Ilex x 'Emily Burner'	Emily Bruner Holly	X					
	Pistacia chinensis	Chinese Pistache		X	X		X	X
	Vitex agnus-castus	Chaste Tree		X	X		X	
	Cotinus obovatus	American Smoke Tree		X	X		X	X
MEDIUM (30' - 50' in Height)								
	Acer rubrum 'October Glory'	October Glory Maple		X		X		X
	Ilex opaca	American Holly	X					
	Ilex x attenuata 'East Palatka'	East Palatka Holly	X		X			
	Ilex x attenuata 'Savannah'	Savannah Holly	X		X			
	Magnolia virginiana	Sweetbay Magnolia		X		X	X	
	Ostrya virginiana	American Hophornbeam		X	X	X		X
	Pinus thunbergiana	Japanese Black Pine	X		X			
	Pinus virginiana	Virginia Pine	X		X	X		
LARGE (50' or taller in Height)								
	Fraxinus pennsylvanica	Marshall's Seedless Green Ash		X	X	X		X
	Ginkgo Biloba	Ginkgo, Male species only		X	X			X
	Metasequoia glytostroboides	Dawn Redwood		X	X			X
	Nyssa sylvatica	Blackgum		X		X		X
	Pinus taeda	Loblolly Pine	X		X			
	Quercus lyrata 'QLFTB'	Highbeam Overcup Oak		X		X		X
	Quercus nuttalli 'QNFTA'	Highpoint Nutall Oak		X	X			X
	Quercus phellos 'QPSTA'	Hightower Willow Oak		X	X	X		X
	Quercus shumardii 'QSFTC'	Pananche Shumard Oak		X	X	X		X
	Taxodium distichum	Bald Cypress		X	X	X		X
	Ulmus americana 'Princeton'	Princeton Elm		X	X			X
	Ulmus parvifolia 'Emer II'	Allee Elm		X	X			X
	Ulmus parvifolia 'Emer I'	Athena Elm		X	X			X
	Ulmus parvifolia 'UPMTF'	Bosque Elm		X	X			X

* Specific cultivars are required in order to provide consistency of plant material shape, growth pattern and seasonal change.

Others may be specific cultivars that are more disease resistant or that perform better in extreme heat situations.

*** All Holly varieties and other evergreens growing full to the ground must be 'Tree-Form' in nature in order to provide a clear view between parking bays for safety purposes.

****Additional tree varieties not listed above may be approved by the Town upon request.
