

## How to Recycle in Arlington

**FRIDAY: RECYCLING** -- All recycling will be picked up at curbside on Fridays. Please have Container at the curb by 7:00 A.M. If you need a recycle container, please call 867-4980.

### Recycle Acceptable Material

Aluminum cans  
Plastic bottles  
All news print

### Recycle Unacceptable Material

Aluminum foil or pans	Mirrors
Cardboard	Paper plates
Ceramics	Pizza boxes
Light Bulbs	Cereal Boxes
Milk Cartons	Junk Mail
Glass	Magazines
Plate & Auto Glass	Steel Cans
Plastic food Containers	

All tree limbs, stumps and other large items will be picked up at the curb on your scheduled pickup day. Have material at curb at 7:00 A.M.

**If you have contracted to have trees removed, remodeling, roofing, carpet replaced, etc., you should have the contractor include disposal of the material. The Town of Arlington will *not* remove such items.**

The Town of Arlington is beginning a new contract with a different vendor for solid waste and garbage pick-up and disposal. The new company is Allied Waste, previously known as BFI. The type equipment used for the emptying of the garbage carts requires clearance for the mechanical loading device to operate. Your corporation in keeping the area around your garbage cart clear and unobstructed on your scheduled pickup day is appreciated. If the area is obstructed, the contractor will be unable to empty your garbage cart.
