

AMC Priority Items Scorecard 2023

+ Success +/- Partial Success - Disappointment

County Program Aid		Mental Health	
+	\$80 million/year in NEW, ongoing County Program Aid funding starting in FY 2025 (pay 2024).	+	Money to eliminate the county cost share for mentally ill and dangerous individuals who await transfer from one state-operated facility to another as well as investments in suicide prevention grants, school linked behavioral health grants, mobile crisis grants, new psychiatric residential treatment facility start up grants, and more. Bills also include 3% increase to mental health outpatient services rates with inflation every year until the new rate methodology is adopted. A new requirement for DHS to distribute a survey to counties to determine how many children are sent to residential facilities in other states.
Community Supervision		Housing Investments	
+	Historic investment in community supervision funding (\$43 million/year!) with formula recommended by AMC Community Supervision Workgroup.	+	\$1 billion+ investments in housing and homelessness, including: \$200 million in Housing Infrastructure Bonds, \$39 million for the Greater Minnesota Workforce Housing Program, \$46 million for new state funded rental assistance program, added funding for other MHFA programs, \$100 million for shelter capital, and increase for ESP (\$30 million increase for 2024/25 and \$55 million increase in 2026/27).
Transportation Funding		SCORE/SWMT	
+	The Legislature passed a comprehensive transportation funding bill with dedicated revenue for roads, bridges, and transit including new revenue from indexing the gas tax, adjustments to tab fees, rate equalization of the MVST, a 0.75% sales tax in the metro area for transit, a new retail delivery fee, full phase-in of the auto parts sales tax revenue to transportation, and more. In addition, a \$2.6 billion capital investment bill passed with investments in local roads, bridges, and bus rapid transit as well as the local road wetland replacement program.	+/-	3% of Solid Waste Management Tax revenues will be redirected to SCORE Grants, \$6.9 million in additional funding for 2024-25 with anticipated future growth.
Local Public Health Funding		Family First and Family First Resource Centers	
+	Significant new base funding (\$9.8 million/year) for public health departments as well as a new public health emergency preparedness and response grant program of \$8.4 million/year ongoing.	+	Creation of a special revenue fund for Title IVE reimbursements as well as funding for evidence-based prevention/early intervention services, kinship supports within counties/tribes, family response and intervention grants, and more.
Broadband		Health & Human Services Systems Modernization	
+	\$100 million over the next two years. \$60 million for the Border-to-Border Grant Program; \$40 million for Lower Population Density Program.	+/-	Close to \$200 million in state modernization and systems transformation; no county-dedicated funds.
PILT Sustainability		Duty Disability Departures	
+	NCLUB/AMC-supported changes to PILT to increase payments (from \$2 to \$3/acre) for county and DNR administered lands as well as a supplemental PILT payment for counties with a disproportionate amount of PILT lands.	+	AMC-supported changes to duty disability process for injured public safety officers that prioritizes mental health treatment.
Response to Cannabis Legislation			
+/-	Local registration, compliance, and enforcement mechanisms; license cap of 1:12,500 residents; ongoing Local Public Health funding; ongoing local revenue sharing (20% cities/counties) of new 10% gross receipts sales tax.
