Are you interested in public service and making a difference in communities across the state of Minnesota? Does the idea of supporting counties—the most effective and least polarized layer of government—appealing to you? Do you value advocacy work, collaboration, digging into nuanced public policy issues, and being responsible for forwarding legislative solutions to better county governance and outcomes for all Minnesotans? Then join our team at the Association of Minnesota Counties!

AMC is seeking a Housing, Economic Development, and Workforce Policy Analyst to help support our government relations work and promote our legislative priorities and platform at the Minnesota Legislature. As non-partisan, non-profit organization, AMC promotes quality county governance through legislative advocacy, education and training, and research and best practices for all 87 Minnesota counties. Our work is guided by our Core Values: Leading the Way, Meeting Members’ Needs, and Stronger Together. We offer competitive pay and benefits, a positive work environment with great people, and hybrid work options.

POSITION OVERVIEW
This position will manage the AMC’s economic development, workforce, and housing policy portfolio. Position also serves as the Director for the Minnesota Association of Workforce Boards (MAWB) and is responsible for the overall management of the organization and legislative duties on the state and federal level. MAWB is the state association that represents Minnesota’s 16 local workforce development boards.

- The position will serve on a team of nine AMC policy analysts and report to the AMC Government Relations Manager.
- Position requirements are flexible and dynamic and will change to reflect current needs and conditions with AMC and MAWB.
- The position requires abnormal and extended hours during peak hours of the legislative session, AMC’s membership conferences, district meetings, and special events.

QUALIFICATIONS
- Bachelor’s degree plus a minimum of two years’ experience in local government, public policy, or government relations/lobbying. Two additional years of relevant experience may be substituted for a bachelor’s degree.
• Education or experience related to workforce development or a related field is preferred, but not required. Most importantly, a qualified candidate should display an interest in growing a public policy portfolio through learning and hands-on work.

• A valid Minnesota driver’s license required. The ability to travel independently by car throughout Minnesota is required. Overnight travel is required occasionally.

In addition, a successful applicant will be able to demonstrate the following attributes:

• Willingness to dig into complex and, at times, controversial policy issues with an interest in learning different perspectives and trying to forge a collaborative solution.

• Interest in working with both political parties and association members from urban, suburban, and rural Minnesota.

• Willingness to be present and work nontraditional hours during legislative session, to travel around the state to interact with membership, and to learn more about county operations and policies.

• Strong oral and written communication skills, creativity, and the ability to work with and adapt to all kinds of people. Research experience helpful.

• Being a team player and willing to assist other team members when needed.

• Proficiency with technology including, but not limited to, Microsoft Office and Zoom.

EXAMPLES OF JOB DUTIES

• Manage and coordinate AMC’s housing, economic development, and workforce portfolio through collaboration with county affiliate groups and the AMC Economic Development, Workforce, and Housing policy subcommittee, which includes elected county commissioners and staff from around the state.

• Develop and maintain productive, collaborative relationships with state and local agency staff to facilitate effective implementation of policies and programs.

• Conduct policy research and analysis on a variety of topics related to workforce development, economic development, federal workforce legislation such as the Workforce Innovation and Opportunity Act (WIOA), economic disparities, housing affordability, homelessness, and more while also responding to membership requests and inquiries. Develop communications and presentations based on research and analysis for stakeholders.

• Represent AMC and MAWB at the capitol and register with the State Ethical Practices Board as an official lobbyist for AMC and MAWB.

• Monitor state and federal legislation for any possible impact upon the operations of county government as it relates to housing, economic development, and workforce development.

• Engage with legislators, legislative staff, and the Revisor’s Office to assist in drafting legislation and amendments.

• When necessary, provide testimony at the Legislature on important legislative initiatives and in response to legislation that may negatively impact county and workforce board operations, services, and/or participants.

• Assist in identifying testifiers and writing testimony/remarks for hearings, legislative meetings, and press engagements.
• Coordinate MAWB member involvement in legislative and policy issues and drive consensus on statewide priorities.
• Actively engage with other professional societies, national and regional workforce associations, and federal and state agencies on important policy issues and other legislative programs of joint interest.
• Participate in AMC membership communications, which includes but is not limited to, press releases, weekly legislative updates, membership Zoom updates, articles, presentations, and reports.
• Serve as public speaker for AMC, MAWB, workforce boards, and county government.
• Help create and manage relevant program content at for AMC, MAWB, and other related affiliates meetings and conferences.
• Plan virtual and in-person meetings, conferences, and events.
• Provide fiscal oversight including managing Association’s budget and grants.
• Perform other duties if necessary or requested.

AMC offers competitive benefits and a positive working environment. Starting salary dependent on qualifications but expected to be between $70,000-$85,000. This position is based in St. Paul, Minnesota.

Applications will be accepted until the position is filled, but the first screening of applications will occur on January 24, 2024.

Submit resume, letter of application and salary requirement to amc@mncounties.org.
