County Administrator

Salary Range

$150,696 - $251,680

Olmsted County government is a county with over 1,300 employees allocated across 21 departments and offices. Olmsted County takes pride in being a great place to live, learn, work, and play. We are looking for an enthusiastic, visionary strategic leader who is eager to make a difference in an innovative, growing county.

The selected candidate will lead a vibrant, talented executive management team. The executive management team implements county board policy and decisions by establishing the vision, allocating resources, and guiding the development of strategies and plans to accomplish the vision through measurable outcomes and results. This individual is also expected to foster a culture of belonging, collaboration, service, and care for taxpayer funding.

The organization is led by a seven-member board of commissioners, an appointed county administrator, executive management team and other elected officials, the county sheriff, and the county attorney.

Minimum qualifications:
Master’s degree or post-doctoral (PhD) from an accredited college or university in public administration, business administration, political science, or related field and eight (8) years of progressively responsible experience in the public administration field with four (4) of those years in a supervisory capacity.
OR
Bachelor's degree from an accredited college or university in public administration, business administration, political science, or related field and ten (10) years of progressively responsible experience in the public administration field with four (4) of those years in a supervisory capacity.
