

EQUIPMENT AUCTION

The Athens County Board of Commissioners in conjunction with the Athens County Engineer, Jeff Maiden, have selected GovDeals.com, an online auction platform, to sell surplus property to the public. This sale features several items from the Athens County Engineer's department including heavy equipment, several trucks, GPS surveying equipment, and miscellaneous parts. Some of the featured auctions include:

- 2008 Dodge Ram 2500 with snow plow
- 2008 F450 Truck with Dump Bed
- 1991 5-Ton Army Truck
- 1986 Athey- Model 712D Force Feed Loader
- 1989 Champion 750, 14' Blade-Grader
- Case 580 Super L Backhoe/ Loader
- 1999 International 4700 Crane Service Truck with Welder and Air
- Eagle Equipment Rotary Lift
- R6-4 GPS Trimble Receiver and TSC3 Data Collector (2013)
- R8-2 GPS Trimble Receiver and TSC2 Data Collector (2009)

Starting on Wednesday, November 15, 2023, all interested parties can view and bid on the items. In order to bid, potential buyers must first create an account and complete the registration form. New bidder registration can be completed at GovDeals.com/Register.

Questions regarding the auction items can be posted to the auction site at GovDeals.com. The equipment can be viewed Monday through Friday from 7:30am to 3:00pm at the County Engineer's facility, 16000 Canaanville Road Athens, Ohio. This auction will end on Wednesday, November 29, 2023.
