LATEX PAINT RECYCLING!!

Benzie County Recycling is excited to announce a partnership with Nugent Ace Hardware in Benzonia and Honor Building Supply in the Village of Honor. You may now bring your leftover water based paints to these stores to be properly recycled for a small fee. Epaint of Battle Creek, Mi. will turn the old paint into a new product to be sold at Habitat for Humanity ReStores.

Put Your Pills in the POD!

Benzie County Sheriff's Department offers a Prescription & Over the Counter Drug Drop-Off Box in their lobby at 505 S. MI Ave. Beulah, MI 49617 for residents to bring unwanted & expired medicines, prescription drugs, controlled substances, etc. to be disposed of safely and properly. **NO SHARPS ALLOWED.**

Not storing medicines in the home reduces possible prescription drug abuse and accidental poisoning. Medicines should never be put in the trash or flushed down the toilet.

Questions?

Call 882-0554

"Clean up days" are held throughout Benzie County. Contact your local city, village or township office for dates & details.

HOUSEHOLD HAZARDOUS WASTE, ELECTRONICS & SPECIAL COLLECTIONS

2023

There is no charge to recycle computer equipment and small miscellaneous electronic items at the scheduled collections in 2023.

Mattress & Box Springs!!

Benzie County residents will be able to have their Mattresses and Box Springs recycled at our collection events for a fee of \$15/unit. There is a limit to Mattresses per Collection.

Benzie County households may dispose of household hazardous waste at no charge.

Many yard & garden, automotive, paint products, cleaners & other miscellaneous products in our homes, garages & basements are hazardous to dispose of and require careful treatment. Read the label to find out if a product is harmful and use caution when handling hazardous substances.

Acceptable items include oil base paints, stains, thinners, cleaning solvents, contaminated oil, antifreeze, old gasoline, pesticides, insecticides, chemicals, compact & tube fluorescent bulbs, muriatic acid, household batteries, unwanted & expired medications, sharps needles, mercury

Unacceptable items include latex paints, water based products, automotive batteries, ammunition, propane canisters.

Call 882-0554 to find out what to do with these unacceptable items or go to www.benzieco.net, then to the Solid Waste/Recycling webpage. Click on Recycling Documents for information.
