Times Subject to Change

THE COUNTY OF BENZIE WILL PROVIDE NECESSARY REASONABLE AUXILIARY AIDS AND SERVICES, SUCH AS SIGNERS FOR THE HEARING IMPAIRED AND AUDIO TAPES OF PRINTED MATERIALS BEING CONSIDERED AT THE MEETING, TO INDIVIDUALS WITH DISABILITIES AT THE MEETING OR HEARING UPON THIRTY (30) DAYS NOTICE TO THE COUNTY OF BENZIE. INDIVIDUALS WITH DISABILITIES REQUIRING AUXILIARY AIDS OR SERVICES SHOULD CONTACT THE COUNTY BY WRITING OR CALLING THE FOLLOWING:

BENZIE COUNTY CLERK 448 COURT PLACE BEULAH MI 49617 (231) 882-9671

This notice was posted by Dawn Olney, Benzie County Clerk, on the bulletin board in the main entrance of the Benzie County Governmental Center, Beulah, Michigan, at least 18 hours prior to the start of the meeting. This notice is to comply with Sections 4 and 5 of the Michigan Open Meetings Act (PA 267 of 1976).

PUBLIC INPUT

Purpose: The Benzie County Board of Commissioners is a public policy setting body and subject to the <u>Open Meetings Act (PA 267 of 1976)</u>. The Board also operates under a set of "<u>Benzie County Board Rules (section 7.3)</u>" which provides for public input during their meetings. It continually strives to receive input from the residents of the county and reserves two opportunities during the monthly scheduled meeting for you the public to voice opinions, concerns and sharing of any other items of common interest. There are however, in concert with meeting conduct certain rules to follow.

Speaking Time: Agenda items may be added or removed by the board but initially at least two times are devoted to Public Input. Generally, however, attendees wishing to speak will be informed how long they may speak by the chairman. All speakers are asked to give their name, residence and topic they wish to address. This and the statements/comments will be entered into the public record (minutes of the meeting). Should there be a number of speakers wishing to voice similar opinions, an option for a longer presentation may be more appropriate for the group and one or more speakers may talk within that time frame.

Group Presentations – 15 minutes Individual Presentations – 3 minutes

Board Response: Generally, as this is an "Input" option, the board will not comment or respond to presenters. Silence or non-response from the board should not be interpreted as disinterest or disagreement by the board. However, should the board individually or collectively wish to address the comments of the speaker(s) at the approval of the Chair and within a time frame previously established, responses may be made by the board. Additionally, the presenter may be in need of a more lengthy understanding of an issue or topic and may be referred to a committee appropriate to address those issues.

Public Input is very important in public policy settings and is only one means for an interchange of information or dialogue. Each commissioner represents a district within the county and he/she may be individually contacted should greater depth or understanding of an issue be sought. Personal contact is encouraged and helpful to both residents and the board.

Commissioner Contacts:

	I Lisa Tucker (Almira East of Reynolds Road)	
District	II Vance Bates (Almira Twp West of Reynolds Road,	Platte
	and Lake Townships)	
District	III - Roger Griner (Crystal Lake, Frankfort)	651-0757
District	IV - Coury Carland (Benzonia)	231-930-7560
	V - Frank Walterhouse (Homestead)	
District	VI - Evan Warsecke (Colfax, Inland)	640-2319
	VII - Gary Sauer (Blaine, Gilmore, Joyfield, Weldon)	

THE BENZIE COUNTY BOARD OF COMMISSIONERS June 14, 2016

The Benzie County Board of Commissioners met in a regular meeting on Tuesday, June 14, 2016, 448 Court Place, Government Center, Beulah, Michigan.

The meeting was called to order by Chairman Roger Griner at 9:00 a.m.

Present were: Commissioners Bates, Carland, Griner, Sauer, Walterhouse and Warsecke

Absent: Excused: Tucker

The invocation was given by Commissioner Griner followed by the pleage of allegiance.

Agenda:

Motion by Walterhouse, seconded by Carland, to approve the agenda as amended, adding one additional 2% grant for Veterans to the Action Items. Ayes: Bates, Carland, Graner, Sauer, Walterhouse and Warsecke Nays: None Exc: Tucker Motion carried.

Minutes:

Motion by Bates, seconded by Sauer, to approve the regular session minutes of May 24, 2016 as amended on page 2 adding last name to Dr. Lois Goslinoski and page 4 line 3 correcting to County Planning Commission. Ayes: Bates, Carland Griner, Sauer, Walterhouse and Warsecke Nays: None Exc: Tucker Motion carried.

Motion by Walterhouse, seconded by Carland, to approve the closed session minutes of May 24, 2016 as presented. Ayes: Bates Carland, Griner Satter, Walterhouse and Warsecke Nays: None Exc: Tucker Motion carried.

9:03 a.m. Public Input

Mary Lee Orr is here in support of the resolution to shirt down the Enbridge Pipeline; Blaine Township has passed the resolution; article or editorial page of the Record Eagle to shut down the pipeline; what is needed is admission by Enbridge that the pipeline is outdated.

pipeline; what is needed a discount of the Enbridge that the pipeline is outdated.

Harry Bannister, Frankfor businessman, member of DDA of Frankfort; also founding member of the Advocates for Benzie County running to County Commissioner for District 3 – Frankfort and Crystal Lago Township.

Crystal Laxe Township.

J. Douglas Holmes, spoke regarding taxes – rather than hike our taxes, ask each department to cut a tiny bit; Rails to trails; AES – people in Manistee are really ticked off; they will take tax money.

9:08 a.m. Public Holm Closed

PUBLIC HEARING — Summer Tax Rate – L-4029

Tom Longanbach, Equalization Director, stated that the summer tax levy only effects the General Fund not the Maples, Jail, EMS, etc. The operating millage that the county levied last year will be the same or less this year, due to Headlee millage reduction; the state limits each taxing authority to the revenue that was generated in the prior year, without a public hearing; for the County, convention and cigarette tax revenue must be deducted from the tax revenue collected the year before; that adjusted revenue is the maximum allowable without a tax hearing; the purpose of this meeting is to notify the public of the County's intent to levy the maximum allowable under Headlee.

9:12 a.m. Public Hearing Opened

COMMISSIONERS Page 2 of 6 June 14, 2016

Harry Bannister asked if the Convention and Facilities tax is county. How does it work? Do we have large conventions in Benzie County? Where does it come from? Is it the same amount every year? No other public requested to speak.

9:15 a.m. Public Hearing Closed

L-4029: Motion by Bates, seconded by Walterhouse, to adopt the L-4029 to levy the maximum allowable of 3.4919, authorizing the chairman and clerk to sign. Roll call. Ayes: Bates, Carland, Griner, Sauer, Walterhouse and Warsecke Nays: None Exc: Tucker Motion carried.

ELECTED OFFICIALS & DEPT HEAD COMMENTS:

Bob Roelofs & Camp Bailey, Veterans Affairs, Bob stated that he has provided today a 2% grant application for the Veterans Affairs to be handled later in the meeting; Thank you for your support; all is well with Veterans Affairs.

Frank Post, Emergency Management, provided the April and May 2016 monthly activity reports; reported that he has some 2% grants application to be fandled under Action Items; reported that sand bags are now being stored at the Sleeping Bear Duries National Lakeshore in Empire—which is closer than other available sites; gave a report following the active Shooter exercise and he reviewed how the exercise went. Frank requests authorization to attend the FEMA National Emergency Management Advanced Academy in Empireshurg, Maryland; the only cost to the county would be meals—other expenses are reimbursed by the intergency Management Institute.

Motion by Walterhouse, seconded by Carland, to authorize food expense to Frank Post while attending the National Emergency Management Academy with Hattexpense to come from his budget. Roll call. Ayes: Bates, Carland Criner, Sauer, Walterhouse and Warsecke Nays: None Exc: Tucker Motion carried.

Animal Control report for May, 2010 received.

COMMISSION REPORTS

Comm Carland reported that he attended the Villages and Township meetings; Airport Authority meeting stating that the airport has been downgraded from a basic to general utility airport so they cannot receive MDOT funds the Planning Commission met last Thursday and he stated that the Master Planis to be done by June 30; they have also solicited a quote from Networks Northwest for support; COG met last night in Traverse City.

Comm Bates reported that he attended the Lake and Almira Township meetings and Lake Township is seeing some building going on – six or eight new home construction; Lake Twp is working with one of the homeowner associations on fixing roads in that area; Almira Twp discussed the Dune Fest Concert that they host; they are working on a cemetery ordinance updates; surplus property getting rid of; Rolling Thunder veterans' motorcycle ride will go on North Shore then on to Frankfort – to be held June 18 (this weekend).

Comm Walterhouse reported on the BVT – map; he had two other meetings that were cancelled; June 6 he attended the Homestead Township meeting.

COMMISSIONERS

Page 3 of 6 June 14, 2016

Comm Sauer says thank you for the showing at the Veterans Memorial it was nice to see everyone; he attended the Joyfield, Blaine and Village of Thompsonville meetings; the Village has to upgrade their water system – they will try to do it in the fall. Then will upgrade two old water mains next year. The DEQ is forcing a lot of this. They have the financing set up locally.

Comm Warsecke stated that the Conservation District meeting was cancelled; he was at Inland Township last night and they are putting in a high-output water well to fill the fire trucks; the Memorial Day ceremony was great.

Comm Griner stated that he had an open heart procedure so the first meeting he attended was the Maples – the process is unacceptable that we started the process in 2000 and we are now 2016 and it still isn't open.

Mitch Deisch reviews a financial sheet that has been provided dated May 23, 2016.

Tom Longanbach stated that the spray/sprinkle is done; Option 3, encapsulation was dropped; extended smoke detectors are being installed now; after 3d Hale inspects and reports, then we will decide which way to go depending on what the reports ws.

Roger stated that we haven't talked about recovering the unds – I am really concerned about the drop dead date of whether we are going to do a roof or not.

10:15 a.m. Recess 10:23 a.m. Reconvene

COUNTY ADMINISTRATOR'S REPORT Mitch Desch

- His 6-month evaluation needs to be completed will be selectuled for June 28 closed session; we need one additional Like committee member to assist in gathering information.
- We also need to get the list of AES membership for June 28 approval.

NEXT MEETING

Wednesday, July 20, 2016 at 4:30 p.m. The Gathering Place Senior Center Honor, MI 49640 RECEIVED

JUN 22 2016

DAWN OLNEY BENZIE COUNTY CLERK BEULAH, MI 49617

BENZIE COUNTY COUNCIL ON AGING, INC. BOARD OF DIRECTORS MEETING May 18, 2016

Chair Beverly Holbrook called the meeting to order at 4:34 pm. Prayer of invocation was given by Bob, and the Pledge of Allegiance was said by all.

Roll Call: Present: Beverly Holbrook, Rosemary Russell, Jane Elzerman, Ann Dawe, Bob McQuilken Denise Favreau, Ron Dykstra, and Niel Haugen, Donna Malecki and Sylvia Bennett. Also present are Sabra Boyle and Douglas Durand, Frank Walterhouse, Scott Harrison, and Carl, Bob's friend.

Agenda

- Add under action items: A1 Scott Harrison from BHHC
- Add under New business C Art fair, D. MERS, and E. Draft MI envision statement.
- Motion to approve the agenda with additions was made by Rosemary and Seconded by Denise. All ayes being heard, the motion to approve the agenda was made.

Minutes

• A motion to approve the minutes of the previous meeting, with no corrections was made by Denise and Supported by Sylvia. All ayes being heard, the motion was carried to approve the previous minutes.

Finance Committee:

Doug reviewed the financial report. We are at 58% of our budget. Revenues were up by less than 1% Expenses were up by 4% this was mostly due to Dues, subscriptions, computer expenses, food and travel expenses, equipment repair and the sewer bill. There were some increases in contractual services such as lawn chore. Overall we ended April with a surplus of \$5,104; however this is less than the projected surplus. Looking ahead the spring clean up and lawn mowing will start to impact our budget. Volunteer recognition events, a brake job that was necessary from MDOT on the 15 passenger van and Jeff will need a new computer as his went blue screen.

Public Input:

• There was a comment from our public in attendance, he reported that he had no idea of the level of passion for the seniors the board has and that the county of Benzie should be proud of the work being done. The comment box was empty except for two of the meal surveys that praised the food, especially the Prime Rib dinner. Kudos to the staff.

Information Items

- A. Directors Report: April/May 2016
 - A copy was submitted to the board and Doug reviewed the highlights.
 - Our annual area on agency on aging compliance survey was done on April 28th. We were in 100% substantial compliance. This was a very hard assessment process and all areas of the agency including employee files and all of our services including a ride along occurred. Kudos to the staff for all of their hard work.

- Benzie Business expo was a success and many kind words and praises were heard from our local businesses and chamber of commerce.
- New kitchen assistant has been hired.
- Volunteer recognition event was a success with many local businesses supporting us to make such a special occasion for our 135 volunteers.
- Senior project fresh is moving along, our retractable awning was purchased and we are getting some new plant containers for the gathering place.
- Older Michiganian's day was a success. 6 of us went to Lansing to support our seniors and programming. Presentation was given from Senator Booher, house of representative regarding Meals on wheels of North West Michigan and the need for an additional \$5,000,000 in nutritional funding for our fiscal year 2017. This presentation was well received.

B. Program Report April

- Nutritional Programs
 - Home Delivered Meals are up 29% from 2014 and 17% from 2015.
 - Congregate Meals up 3% from 2014 and 3.7% when compared to 2015.
 - Dining out is up 63% from 2014 and 59% from 2015.
- Homemaker Program increased by 13% from last month, 290 service units were provided
- MMAPS 23 persons were seen
- Guardian Medical 25 clients are on this service at no charge. 12 are on a waiting list.
- Benzie Bus-119 passes were given
- 692 calls were handled this month for information related to services and information for older adults.
- Foot Clinic 22 persons received foot care at no cost.
- Hearing Clinic 6 people had hearing evaluations at no charge.
- The Gathering Place has had an 18% increase over the same time as last year.

C. Senior Center Coordinator's Report for May 2016

- WE ARE BUSY!!
- All of our regular happenings continue, we also had a Mother's Day Luncheon complete with cupcakes, from Integrity home care, a fabulous meal and all ladies got a flower.
- Josh Stoltz from Grow Benzie was here to inform us of the happenings at Grow Benzie.
- We were chosen to be the judge in a drawing contest for the Coho Festival. The art works were hung and our seniors voted for their favorites.
- We won 1st placed at Wii bowling, The Older Michiganian's day in Lansing along with a tour of the capital was a hit. We went to the matinee to see James Dean, Dining out continues, and we are gearing up for another Matter of Balance Class.

D. County Commissioner, Frank Walterhouse

- His update included an upcoming program to begin in Benzie County. This program will be a collaborative effort between the prosecuting attorney and the Sheriff office. The prosecuting attorney will have the use of a service dog to go to court with kids. This will assist in helping the children to relax and be calm during their court appearances. Benzie will also include the assistance and possibility in using our own K-9 unit.
- The Maples is looking into replacing the roof on the new building and getting the building open as soon as possible. The sprinkler was already put in place but to no avail. That did not pass the inspections and a waver will not be awarded year after year, so it looks like the replacement of the roof is a must.

Action Items

A. Resolution of the Potential Merger of Benzie Council on Aging and Benzie Home Health Care.

A motion was made by Donna and Seconded by Rosemary to vote on the board resolution of the proposed BHHC and BCCOA merger. Roll call of the board members was taken. All yes being heard. The board approved unanimously to approve the resolution as written. Benzie Home care has also approved the merger unanimously per Scott Harrison.

Congratulations to BHHC and BCCOA.

A1. Scott Harrison from BHHC wished to congratulate BCCOA and provide information related to the merger from the steering committee. He also would like to invite one BCCOA board member to join their next board meeting at POMH June 21 at 4:00pm.

Donna volunteered

New Business

- A. Square Dance Fund Raiser, June 10, 7-9
- B. 2017 Budget

A meeting was held on 6/6/2016 and a preliminary budget was drafted with input from Mary Dykstra, Doug and Sabra. More details will be coming..

C. New Contract August 1

The first draft was given to Kate Redman, attorney, and is being reviewed.

D. Draft of a vision statement for the new combined organization. Scott and the two boards will work together to draft this for the steering committee. A joint application and vision statement will be necessary.

E. MERS:

This retirement plan is not affordable for the agency long term. Doug is looking into ways to revamp the retirement plan and keep the long standing employees with MERS so that there will not be a change in retirement for them.

Old Business

- A. Fund Development
 - Square Dance at PRA hall.
 - Sip and Dab will be in June
- B. Update on HDM clients discharged
 - We scored 9.44 0-10 scale 0=worst 10=best
 - Many positive comments. Overall appreciation from those clients.
- C. Art Fair is coming up July 9th Signup sheet was passed around and filled out by board members.

ROUND TABLE DISCUSSION

There was no round table discussion.

ADJOURNMENT

A Motion to adjourn the meeting made by Ron and seconded by Rosemary. The meeting was adjourned at 6:04pm.

Respectfully Submitted

Rosemary Russell, RNC Secretary BCCOA

Next Meeting
Wednesday, June 15, 2016 at 4:30pm
The Gathering Place
Honor, Michigan 49640

Benzie County Council on Aging, Inc.

Executive Directors Report May 2016 – June 2016

- ➤ Phil Gagilano is retiring from BCCOA after 16 plus years. Phil has been a tremendous asset to the agency and especially as a cook. Over his 16 years of service, Phil has plated 703,707 meals!
- >A grant for a HDM vehicle has been submitted to the Grand Traverse Band of Offawa & Chippewa Indians 2% Funds.
- >The Press Release has generated articles in the Record Patriot and Record Eagle. TV interviews with both 9&10 and 7&4.
- >The Diamond Tours to Mackinac Island left on Monday, 6/6 and they will return on 6/8. A total of 28 participants went on this trip.
- Attended my first meeting with BHHC Volunteer Committee regarding the Annual Local Motion Event that will be held on Saturday, August 6th. The Kitchen will participate by making egg casseroles and provide insulated warmer totes. The Gathering Place Senior Center will also help sell the sneaker cut outs for a \$1. The goal is for increase participation with pledges and walkers.
- ➤So far we have interviewed and processed Senior Project Fresh applications and given out 158 \$20 Coupon Booklets to be used at local Farmer's Markets in Benzie County.
- ➤ David and I will be attending the Annual Nutrition Summit at the Kellogg Center in East Lansing on June 16th.
- ▶I have completed the first draft of the Fiscal Year 2017 Budget that combines both agencies. I will know more in July regarding our current Health Insurance premiums and plans. I am also working with MERS regarding the retirement plan in an attempt to lower the costs associated with the current plan.
- ➤Twenty folks came to the Antique Appraisal Clinic on Saturday, May 14th. Everyone who had their items appraised left with smiles on their faces!

Program Report for May 2016

Nutritional Programs

Home Delivered Meals

Home Delivered Meals – 3,682 meals were provided to 131 clients in May 2016. This represents an increase of 19% as compared to May 2014 and a 30% increase as compared to May 2015.

Congregate Meals

The Gathering Place and Thompsonville served a total of 2,314 in May 2016. This represents an increase of 8% as compared to May 2014 and a 15% increase as compared to May 2015.

Through the first 8 months we have served 6,569 additional meals than last year at this time.

Other Programs/Services

Dining Out Program – A total of 193 customers purchased 676 vouchers in May 2016. This represents an increase of 50% as compared to May 2014 and a 41% increase as compared to May 2015.

Homemaker Program – 322 service units were provided 91 clients in May. This is an increase of 28% as compared to May 2014 and no change as compared to May 2015.

MMAPS - The counselors saw 19 clients for 30 hours of assistance in May 2016.

Guardian Medical Monitoring – 25 Clients receive this no charge service in May 2016 and currently we have 7 on the waiting lists for this free service. This is a reduction of 5 off the waiting list.

Benzie Bus Punch Cards – 115 bus passes were given to clients in May 2016. For the past two months, the number of passes has increased by 18 additional punch cards.

Lawn Chore – We provided 80 mowings in May. So far we have 57 clients receiving Lawn Chore Services.

Information & Assistance - The agency handled 767 calls in May 2016 regarding Information and Assistance for services and questions related to older adults. **This is an increase of 8% as compared to May 2015.**

Foot Care Clinic - 23 individuals came in for foot care at no cost to them in May 2016.

Hearing Clinic – 6 individuals had a hearing evaluation completed in May 2016 at no cost to the client.

Estate Planning - 5 individuals received estate consultation service in May 2016 at no cost.

Benzie COA Senior Dental Program - Two clients were signed up in May 2016.

Emergency Senior Essential Needs Fund – Three individuals were provided funds through a collaboration with BACN to meet their medical needs.

The Gathering Place Senior Center – In May 2016, The Gathering Place Senior Center offered a total of thirteen core activities that 663 folks participated in. The top 5 attended activities for May 2016 were Music Programs, Card Games, Exercise, Day Trips and Bingo. This is a 29% increase over May 2015.

Respectfully submitted,

Douglas Durand

Recent Events

Wednesday, June 1st brought our first Garden Club meeting of the season. Take a look out front and on the patio to appreciate how hard they are working!

Thursday, June 2nd Jessica Carland, Mobility Manager with Benzie Bus was here during lunch with the newest Benzie Bus for folks to tour. She also had plenty of literature to explain the various route options. She will be spending every 4th Thursday during lunch here to check in with our seniors.

Friday, June 3rd was National Donut Day! In case you didn't already know this, Wesco in Benzonia makes DELICIOUS donuts. We had plenty here for everyone to enjoy!

June is National Men's Health Month and Marcus Matthews, Spa/Wellness Manager at Crystal Mountain was here during lunch on Monday, June 6th with information on their many programs.

SQUARE DANCE! Sponsored by Integrity Home Health & Skilled Care. Carter Creek String Band with caller Pat Heokje will help us kick up our heels on Friday, June 10th at The Platte River Association Hall from 7:00 p.m.—9:00 p.m. This dance is a fundraiser for The Gathering Place. All ages are welcome! Cost is \$10 per person or \$15 per couple. (This report was completed before square dance).

Phil's Retirement Party is June 13th during lunch. We'll wish him well as we thank him for his 16 years of service to the Seniors of Benzie County.

Thursday, June 16th at 1:00 p.m. Container Garden Class. Nancy Dillingham will be here conducting a Container Garden Demonstration. If you'd like, bring your own container and we can get yours rolling. Sign-up required by June 13.

Monday, June 20th Dining Out Day! We are heading to Mayfair Tavern in Elberta for lunch. Grab your dining out certificates from our office for only \$3. They are worth \$6 at participating restaurants. Leaving at 11:15 a.m. Sign up required. Call (231) 525-0601.

Monday, June 27th Mystery Trip! Leave at 9:00 a.m. Return by 3:00 p.m. Get your adventure pants on and join me for a fun-filled day trip. Trip fee is \$5 plus your lunch. This trip does not require a lot of walking. Come on! Trust me! ©

FINANCE REPORT

Finance Committee Meeting Notes June 14, 2016

A regular meeting of the Finance Committee was called to order by Frank Walterhouse at 12:00 p.m.

Present:

Coury Carland, Gary Sauer and Frank Walterhouse

Staff Present: Dawn Olney, Mitch Deisch, Maridee Cutler, Frank Post, Craig Johnson, Ron Berns

Pledge of allegiance given.

Agenda: Motion by Sauer, seconded by Carland, to approve the agenda as amended, adding Sheriff Department Motor Pool to 10. Other. Ayes: All Nays: None Motion carried.

Minutes: Motion by Carland, seconded by Sauer, to approve the minutes of May 10, 2016 as presented. Ayes: All Nays: None Motion carried.

12:01 p.m. Public Input:

Mitch Deisch stated that he appreciates the injutes that Dawn takes, for as many as she has to be responsible for, it is very helpful, if you cheve done minutes before, it is not an easy task and she does a very nice job for as many as she has to do. Trank you.

12:02 p.m. Public Input closed...

David Schaffer – Recycling Truck: David stated that use current vehicle is a 2001 with over 246,000 miles on it and it has broken down a couple of times since he has been here – it is time for a new truck; to purchase a truck he would suggest \$24,225 from the fund balance from the Solid Waste Department to purchase a vehicle in the ball part range of \$26,000; that should get us what we want; the solid waste committee has narrowed down what type of truck speeded; they would perhaps put a plow on it next year; this committee recommends purchasing outright if the funds are there.

Motion by Sauer, seconded by Carland, to recommend to the Board of Commissioners to approve the purchase of a new Pick Up for the Solid Waste Recycling Department and use Solid Waste fund balance to purchase it. Ayes: Carland, Sauer and Walterhouse Nays: None Motion carried.

Frank Post – Security Improvements: Prior approval has been made to do security improvements; concern is the lower level with probation & parole; electric door locks for the lower level and three cameras outside; MMRMA have changed the way they approve RAP grants, but at this point our projects are not affected; Maridee stated there were no funds budgeted for this; Mitch stated that if you choose to approve this, you can task Maridee and he to look at the budget as to where the funds would come from since it was not budgeted.

Motion by Walterhouse, seconded by Carland, to recommend to the Board of Commissioners to approve the purchase of services and equipment from TKS Security for a price "not to exceed" \$9,383.50 and that reimbursement from the MMRMA for half of the amount specified based on the approved grant. Ayes: Carland, Sauer and Walterhouse Nays: None Motion carried.

Mitch Deisch:

- Server: Maridee reported: Put server at Government Center and Sheriff Dept to allow us to back each other up; the cost from Wyant is \$25,585; we do not have the funds to cover this; Mitch will talk with Shelley about using the excess DTRF funds for special projects. Mitch would like to get another estimate.
- b. Budget Update: Mitch stated that all department budgets are in; Treasurer increased property tax by \$23,000 but is holding back enough funds that she believes necessary to cover Board of Review and MTT appeals; about \$110,000 less in revenue than last year; Prosecutor thought they would get increased revenue from grants to cover salary increase but won't be able to get those funds in the future; about \$180,000 less in expenditures this year; the departments have really helped in tightening their belt; Coury asks if those grants are the ones tied to her salary – Yes; that salary increase was contingent on her getting those grants – we need to look at the salaries; the increase in MERS fees won't be until the year; he has met with Worth and the health insurance will increase by 33% due to the way BC/BS assesses rates and this will put us above the hard cap; if we go above the hard cap, the commission the three choices to override the hard cap; 2) have employees part difference between hard cap and the new rate, or 3) go to the 80/20; 44 North is looking for other options for us; this is about an \$86,000 hit to the general fund and \$161,000 to all departments
- c. Longevity: Mitch stated it is not important to discuss now.
- c. Longevity: Mitch stated it is not important to discuss now.
 d. Uncompensated positions. There are several positions which are 25-30% below the median; he asked if this board is in support of making an attempt to make those adjustments; Gary stated it is worth looking into but while cau are at it, we need to factor in the new law regarding salaried employees; Mitch will bring information back to the committee.
- e. Raises No funds.
- Raises Norfunds.

 Increase Revenue to GF: Witch stated he and Shelley will look at it.
- g. The of Telephone. Maridee stated that our ALET contract is up this month and our fee is increasing from \$7.00 to \$22.00 per line; Abilita is looking to get the contract with AT&T extended for 3-6 months we may have to pay up front and get a refund later.

Coury stated that he heard the Rotan Charities grant was not approved for AES - Mitch stated yes, they will meet with Rotary Charities and have asked to reapply.

Other:

Sheriff Dept Motor Pool: Troy Lamerson stated the when the TNT millage passed in 2014, a new vehicle was purchased and it is now 2 years old; the plan is to purchase a new vehicle in the next budget; the TNT officer is trained by the DEA as a meth responder as well and with that there is a trailer to go to the sites; they want to transfer the TNT vehicle to the administrative fleet at no general fund cost and purchase a new TNT vehicle with the millage money; the 2015 tax collection will bring in about \$115,000 and a new vehicle would be \$38,000.

Mitch asks if the millage allows the vehicle to go back to the Sheriff Dept.

Finance Committee June 14, 2016 Page 3 of 4

Troy says the language is pretty broad and feels it could be transferred to the Sheriff Dept.

Public Input:

Craig Johnson stated that they have received a check from the insurance company for the water damage at Station 2 and it covered all of the repairs.

Motion by Sauer, seconded by Carland, to adjourn at 1:27 p.m. Ayes: All Nays: None Motion carried.

Motion by	, seconded by	, to approve the Finance Consent Calendar items as
follows:		

1. To approve the purchase of a new Pick Up for the Solid Waste Recycling Department and use Solid Waste fund balance to purchase it.

2. To approve the purchase of services and equipment from TKS Security for a price "not to exceed" \$9,383.50 and that reimbursement from the MMRMA for half of the amount specified based on the approved grant.

June 3, 2016

Benzie County Board of Commissioners 448 Court Place Beulah MI 49617

RE: Land Sale Proceeds

Dear Board Members:

Attached please find the Benzie County Land Sale Proceeds Report to the Board of Commissioners, as per MCL 211.78 m (8). It includes the parcels sold at the 2014 Tax Foreclosure Auction for delinquent taxes from 2011 and prior years, as well as the disposition and sales amounts.

This report shows that the proceeds of the 2014 Land Auction, less attorney fees, publication and postage, any shortfall from previous years and maintenance costs, results in the ability of the Tax Foreclosure Fund (532) to share excess proceeds in the amount of \$55,800.48 with the General fund (101).

In anticipation of this amount, \$50,000 of this has been budgeted in the General Fund Contingency line.

If you have further questions, please feel free to contact me.

Sincerely,

Michelle Thompson

Treasurer

JUN 20 2016

DAWN OLNEY BENZIE COUNTY CLERK BEULAH, MI 49617

LAND SALE PROCEEDS ACCOUNTS: NET PROCEEDS CALCULATIONS:

Categories of claims against Land Sale Proceeds and Contingent Liabilities are specified in MCL 211.78m(8). To simplify, those categories are:

- a) Pay all taxes, interest and fees to the Delinquent Tax Revolving Fund.
 - b) Pay all costs of advertising and running the auction.
- c) Pay all costs of the forfeiture and/or foreclosure proceedings for the year, such as, costs of mailing, publication, personal service, and outside contractors, etc.
 - (d) Reimburse any shortfalls from previous years.
- e) Reimburse any maintenance costs including clean up, demolition, and/or environmental remediation.
 - (f) If the foreclosing governmental unit is not the State, any of the following apply:

Proceeds from subsequent years can be used to reimburse shorfalls from current year.

Pay any cost for the defense of title actions.

Pay any other administrative costs of forfeiture, foreclosure and/or property sale and/or management.

Land Sale Proceeds from the 2014 auction for delinquent 2011 taxes.

Re: Benzie County Representative on Airport Authority Board

It has been a privilege and challenge serving as a Benzie County Representative and Chairman of the Operations Committee on the Frankfort City-County Airport Authority (FCCAA) the past few years. The FCCAA has accomplished many positive things for the entire community in establishing the airport facility as a more valuable asset for the county in the areas of aviation usage, future needs, and adequate airspace requirements for effective and safe airport operations.

The next annual meeting of the FCCAA is July 14, 2016 at which time the new term of a county representative on the Authority begins for the next fiscal year. This provides the County the opportunity to appoint a replacement Benzie County representative to the Authority to serve, as the time has come to pass the baton to another interested individual at the FCCAA annual meeting.

This decision was not an easy one to make, but due to some personal family health issues and the vast time requirements of the position, along with the three owners entities refusal to hire an Airport Administrator to assist in the growing federal, state, and operational demands, it is no longer possible to give the FCCAA the commitment necessary to perform the job effectively on a volunteer basis.

I very much appreciated the opportunity, confidence and support given to me by you, the county officials, and its residents during my term. The FCCAA has some important issues and concerns ahead of it, including some major future financing and management/operational issues due to the FAA and MDOT/AERO requirements; volunteers/leadership; airport licensure status; securing avigation easements and making the necessary future improvements required by the FAA, which will need to be addressed in the near future.

JUN 1 5 2016

DAWN OLNEY BENZIE COUNTY CLERK BEULAH, MI 49617 Again, thank you for the opportunity to serve the county and hope my contributions have been some help and benefit to county, community and the FCCAA.

Sincerely,

Kenneth J. Laurence Sr.

CC: Les Poggemeyer, Bruce Harwood, Doug Kirk, Paul Strack, Consultant, Charles Judson, Attorney, Michelle Thompson, FCCAA Board.

BENZIE COUNTY BOARD OF COMMISSIONERS

Policy & Procedures for County Committee Appointments

Preamble: The Benzie County Board of Commissioners strives to encourage broad citizen representation on all County committees or commissions. In an effort to reach this goal, the following policy and procedures are adopted by the Board of Commissioners on Tuesday, July 17, 2007.

Benzie County Board of Commissioners appoints citizen committees and commissions to facilitate a broad range of activities. Certain committees or commissions are mandated by statute and others are not.

Citizens committees or commissions are broken down into the following two categories:

<u>Category 1</u>: Those committees or commissions that expend resources, create or recommend policy, or whose actions may create liability to Benzie County.

<u>Category 2</u>: Advisory committees or commissions with little or no spending authority.

Procedures for appointments:

The Personnel Committee will submit a letter to the citizen committee or commission with the vacancy to be filled. The letter will inform the citizen committee or commission of the process that will be followed to fill the vacancy by including this document. The Chair of the citizen committee or commission, or the Chair's designee, will be requested to sit on the full committee interviewing prospective candidates. It is recognized that the citizen Chair is speaking on his/her own behalf and does not represent the citizen committee or commission as a whole. The Interview Committee will also include the County Administrator.

If two or more candidates applying for an appointment are equally qualified, priority will be given to the candidate that would increase the range of geographic representation on the citizen committee or commission. All individuals appointed to county committees or commissions are obligated to represent the best interest of Benzie County as a whole.

Category 1 Appointments:

- Both members of the public and a member currently serving may request appointment/reappointment for the position(s) to be filled.
- Available positions shall be advertised in the Record Patriot for a minimum of two weeks and the interview committee will establish the interview procedure/schedule.
- Interviews of candidates will be conducted by an Interview Committee of: Three members of the County Board, the Chair (or Chair's designee) of the citizen committee or commission, and the County Administrator. All will have reviewed applicant resumes and ascertained qualified candidates. Following the candidate interviews, the committee of five will discuss and the three members of the Board of Commissioners will vote for a recommendation to the full board.
- After voting, the Interview Committee will disband.
- This recommendation and the record of the vote will be presented at the next regular or special meeting of the County Board of Commissioners, where the final vote will be taken.

• Where the number of applicants for appointment to a given position (s) equal the number of position(s) available on the Board, or all of the Applicants are sitting Board members in good standing, and upon request by the Interview Committee to the Board of Commissioners, the Board of Commissioners may vote at a regularly scheduled meeting to waive or modify the interview process.

Category 2 Appointments:

- If the present citizen committee or commission member wishes to be reappointed, and the Chair of the citizens committee or commission is in agreement, it will not be necessary to advertise for these appointments.
- If there is a vacancy without an existing member wishing reappointment, the Personnel Committee will advertise and fill the position, in the same manner as a Category 1 appointment.

If two or more candidates applying for an appointment are equally qualified, priority will be given to the candidate what would increase the range of geographic representation on the committee. All individuals appointed to County Committees are obligated to represent the best interests of Benzie County as a whole.

CORRESPONDENCE

The regular meeting of the Board of County Road Commissioners of Benzie County was called to order by Chairman Rosa at their offices in Honor, Michigan on Thursday, May 26, 2016 at 9:30 AM.

Present:

Chairman Rosa

Vice Chairman Nuske

Comm Mick Manager Skeels

Superintendent Schaub

Clerk Jordan

Motion by Comm Nuske and supported by Comm Mick to accept the agenda as amended adding a letter from Lake Twp regarding Highland Dr and Spring Valley Rd estimates. Ayes: Rosa, Nuske and Mick. Motion carried.

The minutes of 5/12/16 were accepted as presented.

Motion by Comm Mick and supported by Comm Nuske to pay bills # 42989 to # 43022 for the amount of \$ 369.607.16 and Payroll # 10-16 for \$ 44,532.21. Ayes: Rosa, Nuske and Mick. Motion carried.

Superintendent's report: Lots of paving is going on...Primary roads, Local roads in Crystal Lake Twp and Almira Twp; Dust complaints.

Public Input: Bill Robinson thanked Brad and Matt for meeting with him and the residents of Crystal Highlands. Irene Dunham Thayer-Miller Rd would like work done on Miller Rd.

Standing Guest: Gary Sauer - County Commissioner Liaison-Brought the Commissioners up to date on the county business. There will be a flag dedication and ceremony on Memorial Day at the new Veterans Memorial in the Benzonia Twp park at noon.

New Business:

Lake Twp - Motion by Comm Nuske and supported by Comm Mick to develop an agreement with Lake Twp for the paving of Spring Valley Rd and Highland Dr in the Crystal Highlands. Ayes: Rosa, Nuske and Mick. Motion carried.

Power across Mollineaux/Crystal Lake property for Cole-No action was taken.

Snowbirds request to use Cinder Rd - A motion was made by Commissioner Mick and supported by Commissioner Nuske to allow the Snowbirds and the DNR to utilize Cinder Rd between Bendon Rd and the county line and a portion of Bendon Rd as part of the snowmobile trail to link Thompsonville to Interlochen. If an alternate route is not found by June of 2017, the Snowbirds will need to reapply for permission for the winter of 2017-2018. Ayes: Rosa, Nuske and Mick. Motion carried.

CRASIF - Call for Trustees - No action taken.

Recycling-Tire collection - Motion by Comm Nuske and supported by Comm Mick to allow County Recycling to hold a tire collection on either July 16th or August 20th. Ayes: Rosa, Nuske and Mick. Motion carried.

JUN 09 2016

Loader axle replacement - Motion by Comm Mick and supported by Comm Nuske to go through AIS for the remanufactured axle for \$24,683 with a one year warranty. Ayes: Rosa, Nuske and Mick. Motion carried.

Correspondence:

USW 14557 Grievance #2016-01 has been withdrawn by the union.

Miss Dig - We have been told by Miss Dig that we cannot withdraw. The County Road Association is getting a legal opinion.

Nostwick Rd bridge repair - Repair has been delayed. The latest start date is Jun 6, 2016.

Weldon Rd traffic counts - Traffic counts for Weldon Rd south of Brownell Rd were 41 vehicles/day. For Weldon Rd just north of Cinder the traffic count was 90 vehicles/day.

Public Input: Ron Evitts - Both shoulders on Wallin Rd near the gravel pit need work.

Meeting was adjourned at 10:55 AM.	
Minutes approved 06/09/16	
Robert Rosa, Chairman	Kathleen A, Jordan, Clerk

EATON COUNTY BOARD OF COMMISSIONERS

JUNE 15, 2016

RESOLUTION SUPPORTING LEGISLATION TO ADDRESS THE ASSESSMENT METHODOLOGY UTILIZED BY THE MICHIGAN TAX TRIBUNAL – "DARK STORES"

Introduced by the Ways and Means Committee

Commissioner Eakin moved for the approval of the following resolution. Seconded by Commissioner Freeman.

WHEREAS, the Michigan Tax Tribunal (MTT) has interpreted the law for tax assessments in a way that dramatically reduces the property tax liabilities of major "big box" retailers by assessing currently used buildings as though they are empty and dark; and

WHEREAS, under the "dark store" theory, big box stores are appealing their property tax assessments to the MTT, arguing that the fair market value of their operating store should be based on comparisons to sales of similar properties that are vacant and abandoned, or are now used for a different, less valuable purpose; and

WHEREAS, the MTT has upheld this theory and cut property tax assessments by as much as 50% and, as a result, townships and local units are losing millions of dollars, impacting services to their residents; and

WHEREAS, additionally, big box stores are putting deed restrictions on their properties that severely limit how the building can be used once it's vacant resulting in buildings being kept empty and adding to the blight problem in Michigan townships; and

WHEREAS, the issue is already spreading to restaurants, apartment complexes, auto part stores, and many other businesses, and without action, the problem will only get worse; and

WHEREAS, the reduction of property tax liabilities creates huge cuts in the funding to State and local units of government like cities, counties, townships, and school districts; and

WHEREAS, the decisions of the MTT are a catastrophic departure from the tax assessment process required by law and all precedents in the matter, once again reducing the rightful tax to businesses and the wealthy, thus, once again, placing the tax burden on the poor and middle class; now

RECEIVED

JUN 22 2016

DAWN OLNEY BENZIE COUNTY CLERK BEULAH, MI 49617

- **NOW, THEREFORE, BE IT RESOLVED,** that the Eaton County Board of Commissioners strongly supports a legislative fix that addresses three (3) issues:
- 1). All properties, including big box stores, must be assessed at their highest and best use;
- 2). Deed restrictions should NOT be a factor in determining a property's true cash value; and
- 3). The Michigan Tax Tribunal should be required to consider all three (3) methods of assessing 'cost minus depreciation,' 'sales comparison,' and 'income' when determining a property's true cash value; and
- **BE IT FURTHER RESOLVED**, that a copy of this resolution be forwarded to all Michigan Counties, Representatives Tom Barrett and Brett Roberts, Senator Rick Jones, Governor Snyder, and the Michigan Association of Counties. Carried.

BENZIE-LEELANAU DISTRICT HEALTH DEPARTMENT SPECIAL BOARD OF HEALTH MEETING

June 17, 2016 10:00 a.m.

Tentative minutes to be acted upon at the July 28, 2016 meeting. Meeting called to order at 10:00 a.m. by Chair Griner

A Quorum Was Present With the Following Members in Attendance: Gary Sauer, Benzie County Board of Commissioners
Roger Griner, Benzie County Board of Commissioners
Carolyn Rentenbach, Leelanau County Board of Commissioners
Melinda Lautner, Leelanau County Board of Commissioners

Excused:

Marge McCulloch, Leelanau County Member at Large Dr. George Ryckman, Benzie County Member at Large

Pledge of Allegiance

Administration Present:
Lisa Peacock, Health Officer
Dodie Putney, Director of Administrative Services
Tom Fountain, Environmental Health Director

Approval of the Agenda:

Motion: by Lautner, seconded by Rentenbach to approve the agenda as presented.

Voice vote: 4 ayes

Motion carried

Public Comment:

None

RECEIVED

JUN 23 2016

DAWN OLNEY BENZIE COUNTY CLERK BEULAH, MI 49617

Guests:

Gerry Chase, Northern Health Foundation – participated by speaker phone

Benzie Community Resource Center –

Peacock stated the reason for the special meeting is to approve the final amount of financing for the refinance and renovation project. The total amount of financing has not changed since last presented however there were small changes that balanced out a payoff amount was less than anticipated and construction costs came in slightly higher than anticipated due to some additional work that made sense in the scope of this project, including some updates at the front desk and reception area and improvements to the lower level restrooms which will see increased traffic. A parking capacity assessment was completed and it was determined that increased client flow through the building will require 7-8 additional parking spaces therefore this work is included in the financing. Total amount of

financing is \$685,000, which includes the payoff of the existing loan (\$171,000) and \$514,000 for the building remodel/rehab costs including administrative and legal costs associated with the project. Discussion followed.

Motion: by Rentenbach, seconded by Sauer to approve the total amount of the financing in the amount of \$685,000.00 which includes the payoff of the existing loan of approximately \$171,000.00 and the balance of the financed amount of \$514,000.00 will be used for the building remodel/rehab costs including the administrative and legal costs associated with the loan.

Aves: Griner, Sauer, Rentenbach and Lautner

Motion carried

Motion: by Rentenbach, seconded by Sauer to authorize the Health Officer and the Board of Health Chair (acting alone) to sign the Restated Lease Agreement.

Ayes: Griner, Sauer, Rentenbach and Lautner

Motion carried

Public Comment: None

Board Comments:

None

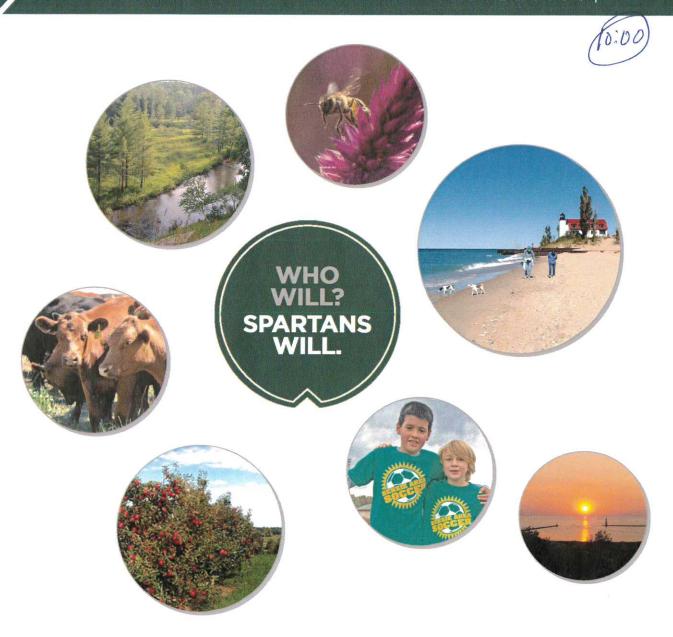

Motion: by Sauer, seconded by Griner to adjourn the meeting:

Benzie County 2015-2016 **ANNUAL REPORT**

FROM THE DISTRICT COORDINATOR:

This past year, MSU Extension conducted focus groups and online surveys to solicit feedback from the public on what are the most vital needs and priorities for Michigan residents. These results will shape our educational programming for Benzie County residents now and into the future. MSU Extension is committed to providing relevant, responsive and timely outreach to families and communities.

Your MSU Extension staff have linked the knowledge resources of the University directly to individuals, communities and businesses. It is my distinct privilege to present these accomplishments in our annual report. This report summarizes some of the important work done by MSU Extension staff in Benzie County. It has captured most of the significant highlights of our work in 2015 and provides a sense of the direction of our work into the future.

As always, I thank you for your continued support. Without you, we would not be here doing this important work with your constituents.

28% Increase in District 3 Visitors to MSU Extension Website

MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Issued in furtherance of MSU Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Dr. Jeff Dwyer, Director, MSU Extension, East Lansing, MI 48824. This information is for educational purposes only. Reference to commercial products or trade names does not imply endorsement by MSU Extension or bias against those not mentioned

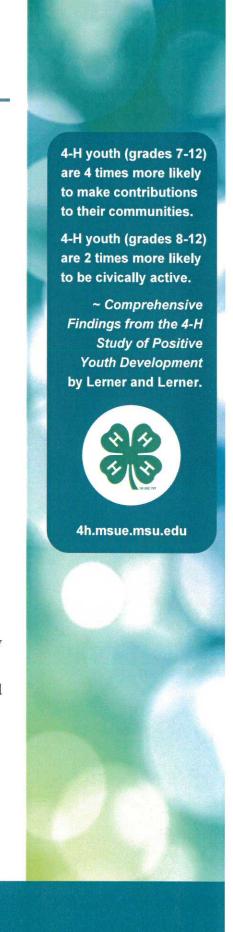

DEVELOPING YOUTH AND COMMUNITIES

The Benzie County 4-H Leaders Association Council

- This leadership group functions as the main oversight of the Benzie County 4-H
 program and also acts to support the mission, capacity and priorities for the 4-H
 clubs and other activities and events.
- The current board consists of 8 members, representing the communities of Benzonia Twp., Beulah, Homestead Twp., Honor, and Joyfield Twp.
- A new sub-committee of this council, called the "4-H Expansion and Review Committee," was established in 2015 to expand the reach of the Benzie 4-H program. In 2016, some Benzie community members took an interest in an educational event that 4-H Program Coordinator Debra Laws has planned and hosted in Manistee County for over 20 years. The event involves an outdoor nature program with an audience of every 4th grade student and teacher in the county. A similar program for Benzie County is currently in the planning stages.
- The 4-H Leaders Council also works with 4-H staff to support a 4-H ambassador program, county plat book, annual youth trip to Michigan State University, and a volunteer recognition program. 4-H Program Coordinator Laws is currently exploring the possibility of the council seeking donor support to fund an annual college scholarship intended for Benzie County 4-H members.
- 4-H Program Coordinator Laws assists this council by preparing all meeting agendas and materials, reserving meeting space, and in handling a number of clerical tasks required by this group.

The Benzie County 4-H Ambassador Program

- A maximum of two youths are selected annually through an application and interview process to serve as representatives at public 4-H events and council meetings.
- Ambassadors indicate that this distinction is a highly favorable asset when mentioned in portfolios and resumes, scholarship and college admission applications, and employment interviews.
- This year, Benzie County 4-H is pleased to have Kaitlyn Long, now a Benzie Central High School senior, serving in a second term.

Developing Youth and Communities, continued

The Benzie County Land Atlas and Plat Book

- A brand new edition of the book was launched on March 1st, 2016.
- Proceeds from all sales go directly to the Benzie 4-H Leaders Association Council.
 Numerous local 4-H activities, special events, and funding for travel to statewide
 educational events and 4-H Exploration Days are made possible in part due to the
 financial support received annually through plat book sales.
- The book is a valuable asset in promoting local tourism and real estate interests. Sales records continue to show that the book is ordered statewide, as well as in states surrounding Michigan.
- 4-H Program Coordinator Debra Laws works with the current plat book publisher,
 Farm and Home Publishing, to include valuable local content such as government and
 agency directory pages and a Benzie County landmark or logo for the book's cover.
 Since October 2011, Laws had been handling all plat book deliveries, but by June of
 2016, that duty will gradually be taken over by council volunteers.
- The book is sold at the County Treasurer's office and MSU Extension office, as well as several local businesses including Backcast Fly Shop, Lake Ann Grocery, Nugent Ace Hardware, Stapleton's Market, Tag Limit Outdoors, and Victoria's Floral Design & Gifts.

4-H Exploration Days at MSU

- This 3 day event, held annually in late June at the Michigan State University campus, simulates college life for over 2,200 4-H youth from all over the state.
- The Benzie 4-H Leaders Association Council pays all enrollment fees for adult chaperones and 50% of the cost for youth attendees, plus additional expenses such as group insurance and chaperone needs.
- The youth and their chaperones live on campus, experience dorm life, and attend a
 variety of classes and other educational events in subject areas that include human and
 animal sciences, international culture and languages, career exploration in dozens of
 fields, music, human services, life skills, hobbies and sports, and personal and business
 finance.
- For most of these Benzie County youth, this will be their first exposure to a college campus and it will influence most of them towards a college education and a greater career goal than they had originally planned.
- For the June 2016 event, Benzie County 4-H will be sending 16 people.

Members of the 2015 Benzie County 4-H Exploration Days delegation in front of the Breslin Center at MSU and the statue of legendary basketball player Magic Johnson.

Developing Youth and Communities, continued

The Benzie Youth Soccer Program

- In 1997, the need arose for Benzie County youth to participate in and reap the benefits of a well-organized youth soccer program. In most communities, soccer programs typically fall under the authority of a community recreation association. As Benzie County did not have this type of agency, event organizers looked to Benzie MSU Extension to provide that leadership.
- To support the program, the Benzie MSU Extension office, under the direction of 4-H
 Program Coordinator Debra Laws, handles most of the business aspects of the
 program.
- The Extension office and Laws work with a volunteer soccer program treasurer, but
 they are ultimately responsible to oversee a well-organized and transparent financial
 system that handles membership dues, equipment purchases, and insurance coverage.
 In 2016, the long-time and dedicated volunteer soccer program treasurer, Barbara
 Wentzloff, announced her retirement from the position, so Laws is currently seeking
 a replacement.
- The program also utilizes a careful and confidential member registration process and a "volunteer selection process" to ensure that volunteer coaches have undergone thorough background checks.
- Benzie MSUE is thankful to local volunteer Dr. Dennis Pace, for the countless hours
 he spends on and off the playing field in support of this valuable youth development
 program. In 2016, Dr. Pace has announced that he is stepping back from his soccer
 program involvement, so Laws will also be seeking a replacement for this essential
 position.
- For the 2015 autumn playing season, a total of 157 Benzie County youth participated in the program.

Benzie Volunteers Are An Essential Part of 2 County Fairs

- The Manistee County Fair is not "officially" known as a district fair, but its successes would not be possible if not for the added contributions made by Benzie County residents.
- Of the 13 member Manistee County 4-H Livestock Council, 4 are Benzie County residents. Approximately the same figures and proportions are true of the Manistee County Fair Board. Currently, that fair board's president is also a Benzie County resident. There are also a number of Benzie county residents who are actively involved in the Northwestern Michigan District Fair and in other 4-H councils and committees that support both fairs.

For youth, the benefits of all team sports, including soccer, are widespread. But probably most important, they encourage the formation of social skills and a sense of belonging. For those kids who feel disconnected or directionless, these advantages can often make the difference in whether they will choose the right paths – or the wrong ones – to follow in life.

Benzie 4-H Soccer players from the 2015 fall season, Casey Meredith and Kadence Popour. Kadence says, "Forget the glass slipper – this princess wears soccer cleats!"

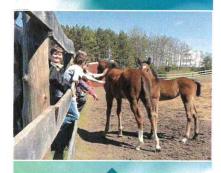

SIT OF THE PROPERTY OF THE PRO

Although live ducks, chickens, geese and turkeys could not be exhibited at Michigan fairs in 2015, Benzie 4-Hers filled the small animal barn with lifelike displays inside many of the poultry cages or educational posters tacked to the doorframes of poultry pens.

"Because of 4-H, I get to ride horses – which I love!"

~ Submitted by the late Melinda Klockziem, for her daughter Alexis, a Benzie 4-H member.

Developing Youth and Communities, continued

- The summer of 2015 posed an unusual challenge for all 4-H youth exhibiting and selling any poultry species in Michigan. In early spring, the USDA began monitoring the spread of a large outbreak of Avian Flu in the Midwestern states. By June 1st in Michigan, the announcement was made that no public exhibitions of poultry would be allowed indefinitely. 4-H programs and county fairs were given the option to handle this news in whatever manner worked for their local programs, including canceling any poultry-related activity. Within the first day of the announcement, 4-H Program Coordinator Debra Laws established a plan for the 2015 Manistee County Fair. 4-H children would continue to raise their market poultry, show an artificial replica at the fair, create a lifelike animal exhibit to take the place of a live one, and then sell their market animals via a full color photo auction program that she produced. Because she made many of her arrangements within the first day of the announcement, she was able to secure some of the last of the lifelike and highly sought after poultry replicas for the kids to use for showmanship. As a result of these efforts, 4-H members sold 70 poultry animals.
- The premier event carried out by this group is the annual 4-H Livestock Auction at the Manistee County Fair. In August of 2015, the auction celebrated its 35th year with a sale featuring 155 animals and 45 donated items. With 109 buyers participating, the event raised nearly \$118,000. Honor State Bank, which is also a 32 year consecutive buyer, has served as auction cashier since 2005.
- A total of 7.5% of auction proceeds go back to the Livestock Council for ongoing support of its programs. A smaller portion goes to other 4-H councils that were designated as recipients of income from certain donated items that were sold.
- The majority of the auction money raised goes back to the 4-H members and is used for back-to-school needs and college funds.
- At the 2015 auction, figures indicate that 24 of the registered buyers represented Benzie County businesses. People want to support businesses that support 4-H. These local businesses report that the exposure and publicity they get by being involved in this event increases their foot traffic and volume.
- The newest effort of this council is an annual day-long educational event to be held every April that will focus on various aspects of the 4-H Market Livestock Program. The 2016 event was just held on April 30th. 4-H Program Coordinator Debra Laws lined up MSU Extension Educators from various parts of the state who presented on topics such as building skills to improve relationships with auction buyers, showing appreciation for businesses and individuals that support the 4-H Market Livestock program, and animal health and well-being. The event was attended by 63 participants.

Benzie 4-H members Corbin Lopez and Hannah Long performing at the Youth Live Performance event. Their talent is awesome and both have won significant honors at this event.

KEEPING PEOPLE HEALTHY& ENSURING SAFE FOOD

Improving Nutrition and Physical Activity

The Supplemental Nutrition Assistance Program – Education (SNAP-Ed) provides nutrition education to income-eligible adults and children. This program focuses on improving dietary quality, increasing physical activity while stretching food dollars. The ultimate goal of these programs is to promote healthy weight maintenance and obesity prevention. During the past year in Benzie County, 350 adults and 668 youth were reached through nutrition education classes at various venues.

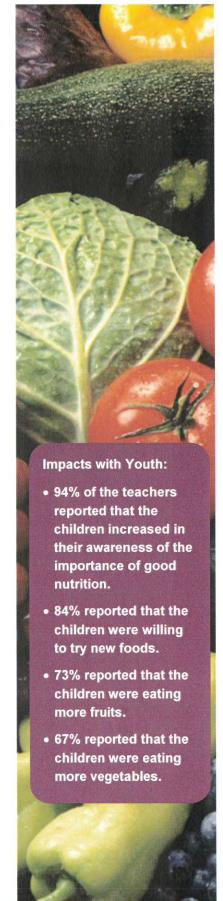

In the Fall of 2015, the SNAP Education staff confirmed 100% participation with three elementary schools. Every student will have the opportunity to engage in age appropriate, interactive, hands-on activities that promote good eating habits, positive body image, physical activity and food safety. Through each interesting and fun nutrition class, students will gain the skills necessary to make healthy lifestyle choices. In addition, SNAP staff has worked with school personnel implement Smarter Lunchrooms. The Smarter Lunchrooms movement applies practical, research-based principles and strategies that have proven effective at creating an environment that encourages kids to make healthy choices. It uses environmental cues to increase student selection of healthy meal options and decrease plate waste. These include simple strategies such as structuring choices in the lunch line so that healthy foods are easiest for students to access, having cafeteria staff dialog with students in such a way that nudges them toward healthy items, and creatively naming foods or meals to make them more appealing to children.

Students at Betsie Valley formed a Veggie Naming Committee to make healthy cafeteria choices more fun.

Impacts with Adults: • 83% improvement in one or more nutrition practices like planning meals, making healthy food choices or reading food labels. • 95% of participants in Project FRESH will eat more fresh fruits and vegetables per day.

Keeping People Healthy, continued

One of the many adult classes MSU Extension staff teach each year is through a partnership called Project FRESH. In collaboration with the Benzie County Health Department, MSU Extension nutrition staff provide nutrition education to families involved in the Women, Infants and Children program (WIC) on the benefits of including more fruits and vegetables in their diet. Coupons were provided to these participants to purchase locally grown fresh fruit and vegetables from Benzie County farmer's markets though Project FRESH. These coupons were redeemed at the farm market for \$2,400 in funds for produce grown by local farmers.

A participant in Cooking Matters for Adults reported that she is cooking more than ever before!

"I'm planning meals for the week, from breakfast to dinner, including snacks. I've gotten so many helpful hints on how to add more fruits and vegetables without my son, even really noticing it. My change in eating habits has also extended to my family's behavior, as well. We are having so much fun cooking together as a family. This class has helped me develop confidence in the kitchen."

In the first class, this participant was very timid and hesitant to participate in anything hands on. With each class her confidence and enthusiasm noticeably grew and by the last class she successfully cut and prepared a whole chicken. Her transformation will have lasting impact on the health of her entire family.

Teaching Residents about Food Safety

Supporting MSU Extension food safety education programs helps prevent food borne illnesses and ensures a safer food supply for consumers – whether that is at food retailers, restaurants, farmers' markets or community meals served by organizations. MSU Extension food safety education programs train participants to prevent incidents of foodborne illness associated with unsafe food handling practices, which results in fewer medical expenses, fewer food recalls, and less temporary or permanent closures of food businesses by local health departments. Costs of illness, recalls, and food business closures are more expensive from a public health perspective than taking an inexpensive class to learn how to prepare food safely and preserve food correctly. Residents in Benzie County participated in a variety of food safety classes.

Benzie County residents indicated that as a result of attending food presentation workshops:

- 96% will follow research based/tested recipes when canning food at home.
- 97% will properly use processing techniques to safely can low and high acid foods.
- 98% will use correct processing times to safely can low and high acid foods.

Keeping People Healthy, continued

Preventing and managing chronic disease

Chronic diseases are among the most prevalent, costly, and preventable of all health issues. Compared to the national average, Michigan adults suffer from more risk factors (obesity, hypertension, and high cholesterol) that contribute to chronic disease. Michigan State University Extension disease prevention and management programs work to promote health and wellness by reducing and managing the incidence and impacts of chronic diseases among Michigan residents and communities. Health factors such as obesity and physical inactivity significantly influence risk for developing chronic diseases, such as type 2 diabetes and cardiovascular disease.

The County Health Rankings, an annual measure of the overall health of nearly all counties in the nation ranked Benzie County 30th out of all 68 Michigan counties. Rankings are comprised of several national measures that affect the health of communities, such as high school graduation rates, access to healthy food, rates of smoking and obesity.

MSU Extension can support improved health of individuals and communities through delivery of evidence-based programs and engaging in multi-level partnerships with shared goals of reducing the prevalence of chronic disease. Noted activity within Benzie includes the following:

- A partnership between MSUE, the Northern Michigan Diabetes Initiative and Benzie/ Leelanau Health Department to provide the National Diabetes Prevention Program to Benzie county residents who are identified by at risk for developing type 2 diabetes.
- Farms, Food, and Health, this sold out conference took place in January at the Grand Traverse Resort and brought health practitioners, employers, hospital and school food service directors, educators and farmers together under one roof to connect the dots between health care and wellness. Participants from Benzie County were among the statewide audience. MSUE served as one of the primary conference organizers and hosts. A 'Farms, Food and Health' Facebook page was created following the conference to promote sharing.

Enhancing Farm-to-School Programming

FoodCorps is a nation-wide organization working to bring real food to kids and help them grow up healthy. Through this program, we host a FoodCorps service member who actively delivers nutrition education, garden education, and conducts taste tests in order to aid the development of sustainable farm to school programming in two target schools in Benzie County: Frankfort Elementary and Platte River Elementary. From September 1, 2015- May 31, 2016 FoodCorps service members have reached a total of 382 children in Benzie County through 40 lessons in 5 classrooms and 9 cafeteria taste tests.

Sarah Eichberger's
MSUE News Articles

Keeping People Healthy, continued

Cafeteria Local Food Taste Tests

In order to provide support to food service directors as they menu items and encourage increased sourcing of local products, FoodCorps service members engaged students during monthly taste tests that highlighted the respective Harvest of the Month. Nine taste tests were conducted at both Platte River Elementary and Frankfort Elementary since September. Thanks to these taste tests, combined with additional nutrition education, students are realizing they can have a say in designing their own lunch menu and are beginning to request new items (like balsamic dressing for their salad bar) from their kitchen leads. Furthermore, food service director at Frankfort, Jenna Noffsinger, continued to exceed with local procurement, offering healthy, local, meals to all her students daily and menuing items that performed well at taste tests (like Panther Fries, which are fries made from roasted rainbow carrots). One parent at Platte River Elementary commented on how this programming is positively affecting her family:

"We were at the farmer's market the other day and she said 'Mom, I want radishes!' and I was like 'You want what?!'. And it's great, because she is autistic so it can be extra difficult to get her to try things, but every month she comes home and tells me about all the things she tried with you, so thank you!"

Classroom Education

Another vital aspect of instituting sustainable farm to school programming is teaching lessons on nutrition and gardening. In the five classes FoodCorps members serve in, a variety of lessons were integrated into existing curriculum and taught in collaboration with teachers. These lessons included conducting soil types experiments, increasing knowledge of the metric system while preparing parsnip pancakes, and learning about states of matter while making un-BEET-able hummus.

Garden-based projects/education

Garden-based lessons are also essential to build a foundation of understanding about the environment needed to grow plants and experience healthy, fulfilling lives. Using a hoop house at Platte River Elementary, students have planted and are growing their own food while they learn about soil and nutrition requirements for the plants and their bodies.

Presentations to stakeholders and media

Finally, to grow the culture of school health and wellness through community engagement, FoodCorps service members presented on local food purchasing and establishing a fruitful farm to school atmosphere at the Frankfort Board of Education and a Benzie County Central Administration meeting. Interacting with and receiving feedback from those invested at all levels of the school is essential to a sustainable farm to school program in Northwest Michigan.

Keeping People Healthy, continued

Reducing anger, bullying and stress

MSU Extension addresses violence and bullying prevention through its focus on social and emotional health, with the overarching goal of helping young people and adults learn to foster safe, affirming and inclusive relationships and settings that are free from violence, abuse, bullying and harassment. By helping people learn safer and healthier ways to interact with others, MSU Extension benefits communities through decreased mental, emotional, social and economic costs associated with violence in communities. After one-time presentations on social and emotional health topics, evaluation surveys documented that:

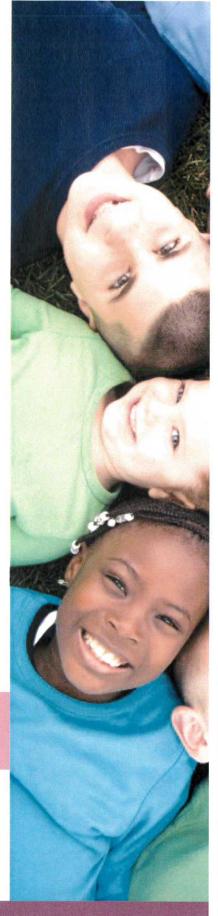

- 82 percent of participants said they knew the skills needed for healthy relationships and ways to promote healthy communication.
- 80 percent of participants said they knew how to keep relationships safe physically, emotionally and socially.

MSU Extension's RELAX: Alternatives to Anger program offers techniques for calming down and de-stressing, problem solving, communicating and letting go of the past. As a result of the program:

- 96 percent of RELAX Parent/Caregiver workshop participants learned activities to assist children with self-control.
- 65 percent of RELAX participants reported they increased efforts to talk things through until a solution is reached.

Be SAFE offers a variety of educational resources to help communities reduce and prevent bullying behaviors while promoting healthy social and emotional learning and development. The initiative focuses on helping adults consider ways to do this within all of the settings where young people live, learn, grow and develop – including out-of-school settings. Be SAFE resources include the Be SAFE: Safe, Affirming and Fair Environments curriculum, face-to-face and online workshops for adults and a series of workshops for parents and caregivers.

"As a result of your program, our adults are more open to understanding young people, and the youth seem to better recognize how much concern and care the adults have for their safety." - Youth group leader, Be SAFE: Safe, Affirming and Fair Environments

SUPPORTING FOOD AND AGRICULTURE

Developing an Industry-Wide Approach for SWD Management in 2016

Spotted wing drosophila (SWD) is an invasive insect pest that poses significant challenges to cherry production in Michigan. The Northwest Michigan Horticultural Research Center host a summit on November 20th to bring researchers and industry leaders together to discuss a strategic plan to mitigate the risk of SWD in cherries. There were 75 in-person participants and 49 remote participants who joined the event through ZOOM technology. Participants were provided with the latest updates on SWD research and observations, and MSU Extension conducted a needs assessment to determine the critical foci for future research and extension programs for SWD. As a result of this needs assessment, MSU researchers submitted five grant proposals geared toward SWD in cherries research, totaling more than \$173,500 in potential project funds.

2015 Tree Fruit Integrated Pest Management Updates Series

MSU Extension Educator, E. Pochubay hosted a total of 32 2-hr meetings in Antrim, Benzie, Grand Traverse, and Leelanau from May-early August. Over the course of this program, 537 participants attended the meetings to discuss the current season's tree fruit production and receive diagnostic services. Based on a survey of 44 respondents, 60-100% respondents reported that they adopted a practice that was suggested at an IPM Update, and estimated this program's value at a total of -\$11,177 - \$558,883 for the 5,588 acres of apples and cherries that were reported.

Other educational programs with D3 leadership and participation included:

- 2016 Tree Fruit School, February 18-20, Grand Rapids, MI
- Cider: From Apple to Bottle, March 25, Thompsonville, MI
- Hart Spring Meeting, March 31, Hart, MI
- Orchard Tours and More (formerly Cherry Connection), July 6-10, Traverse City, MI
- Traverse City Cider Week, Cider and Sausage Salon, August 17-23, Traverse City, MI
- Great Lakes Expo, Tart Cherry, Sweet Cherry, and Hard Cider Sessions, December, Grand Rapids, MI

The Northwest Michigan Horticultural Research Center was pleased to host its annual open house in late August this year. This annual event features a day of tree fruit production education through a research station wagon ride farm tour. Tree fruit

researchers from MSU's campus and the NWMHRC provided attendees with the most current updates of the 2015 season's research projects. The 120 attendees were particularly excited to watch a video from the NWMHRC's demonstration of a new approach for harvesting high-density tart cherries using an over-the-row blueberry harvester. At the evening dinner and banquet, Don Gregory of Cherry Bay Orchards was awarded the Distinguished Service Award.

Through volunteer outreach, Extension Master Gardeners share science-based gardening knowledge and engages citizens and empowers communities in environmentally responsible gardening practices, improving food security, improving community, and developing youth through gardening.

Other Consumer Horticulture programming and services available for residents of Benzie County include:

- Gardening Hot Line
- Gardening in Michigan web site
- Ask an Expert system
- Smart Gardening programming
- Soil tests for home gardens, yards and landscape plants
- Master Gardener Training and Volunteer Program

The Farm Business Management team conducted 2014 Farm Bill educational workshops with the objective of informing producers on the new Farm Bill. This includes the changes in commodity programs and the farm and risk management implications that come along with these changes.

The bill introduced major changes in risk management programs for corn, wheat, soybeans, fruit, vegetables and dairy producers in Michigan. These new programs, combined with an anticipated decrease in commodity prices, created major risk management decisions that will affect the financial success of Michigan producers during 2014-2018 (the life of the 2014 Farm Bill). Because the bill required a 1-time irrevocable decision by producers, programing in this area required the combined farm management, financial analysis, and marketing subject matters of the MSU Extension Farm Business Management Educators. This irrevocable decision, combined with the complexity of these new programs and the uncertainty of the long-term commodity price outlook, created a unique urgency for programming on this topic.

Smart Gardening in Michigan: migarden.msu.edu

Supporting Food and Agriculture, continued

Highlights of this educational effort:

- 110 local and regional meetings were held state-wide that reached a total audience of 8,000 persons.
- The Michigan State University Farm Management Team collaborated with local Agricultural Extension Educators and the USDA Farm Service Agency (FSA).
- Curtis Talley, area Farm Business Management Educator conducted regional meetings in Petoskey, Rogers City, Alpena and Traverse City.
- A set of educational publications for Michigan producers was developed.
- Decision making software to analyze the financial consequences of the various program alternatives was demonstrated and made available.

The 2014 Farm Bill brought the most significant change to the Noninsured Crop Disaster Assistance Program (NAP) since the program was initiated. NAP provides financial assistance to producers of crops that are not insurable under normal crop insurance. Tart cherry is one of those crops. The NAP policies are administered by county FSA offices and are designed to protect against natural disasters that result in lower yields and / or prevent crop planting.

Previously, the producer paid a \$250 fee / crop (up to \$750 / county) to protect against yield shortfalls that exceeded 50% of the producer's historical average production (APH). Now, the producer can purchase coverages up to 65% of Actual Production History with losses paid at 100% of the NAP market price. The producer still pays the administrative fee and there is a premium for buy-up, a structure similar to crop insurance.

Area Farm Business Management educator Curtis Talley, in cooperation with the Farm Service Agency conducted a regional meeting in Traverse City to explain these new developments and demonstrate decision making software designed by the Farm Service Agency.

Michigan State University Extension conducted 10 meetings across Michigan on the Dairy Margin Protection Program (DMPP) in September 2015. Seven of the meetings were held live, and 3 were live webinar broadcast. Producers received a current milk production and marketing forecast, discussed risk management, and how the DMPP program can fit into a risk management strategy.

- 81 participants
- 16,044 milking cows impacted (based on 36 survey responses)
- 365,610,272 pounds of annual milk production impacted

Farm Information Resource Management: firm.msue.msu.edu

Supporting Food and Agriculture, continued

The Michigan State University Extension Dairy Team delivered the Optimizing Dairy Farm Profits program to 7 locations in Michigan. The program highlighted information relevant to staying profitable with today's milk prices including: understanding financial performance indicators, improving labor productivity, and making good financial decisions in the areas of forage harvesting, stocking density, and the heifer enterprise.

- Over 130 attendees from across Michigan
- Resource tools were shared with producers on a usb thumbdrive

Managing employees is a critical function of business management, yet one in which farm business owners may lack skills and confidence. The Effective Management of Farm Employees research project continues to deliver educational programs for Michigan's agricultural employers. Phil Durst and Stan Moore taught a 1.5 hr. preconference session for the Great Lakes Regional Dairy Conference with highlights from the 2015 Employee Management conference. The project also led to a regular column for Dairy Business – East, a popular dairy magazine with wide circulation.

- Over 60 producers and professional came early to the Great Lakes Regional Dairy
 Conference for the 9:30 am pre-conference session on employee management. This
 was a great response to a session offered at a time that required them to leave farms
 early in order to attend.
- In April 2015, Durst and Moore were asked to provide an in-service for Extension Educators preceding the Tri-State Dairy Nutrition Conference in Ft. Wayne, IN.
 Educators from Ohio, Indiana and Iowa attended and understood the principles of management taught by Durst and Moore.
- Stan Moore was invited to speak at the Nebraska Beef Summit in mid-November of 2015 on "Recruiting, Hiring, and Retaining Labor". Moore was the lead speaker for the summit. The summit attracted over 120 producers, students, allied industry representatives, and campus specialist.
- In February 2016, Moore and Durst providing a talk at a symposium for dairy producers in Florida, sharing employee management principles with over 50 attendees.

FOSTERING STRONG COMMUNITIES & BUSINESSES

Assistance to support beginning farmers across MI

With the intention of promoting and building a vibrant local agriculture community, the 2015 Northern Michigan Small Farm Conference hosted more than 1,000 attendees at this multi-day event. MSU Extension was part of the annual planning committee for this committee as well as taught educational sessions. Local growers had some significant impacts from attending the conference:

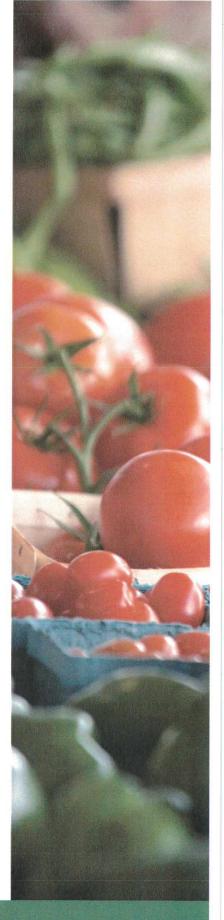

- 90% intended to make positive changes in their farm with their new knowledge
- Local growers indicated a highly significant increase in knowledge of where to find local resources and make connections with others working in the local food system
- Participants indicated a highly significant increase in food production/processing knowledge

The public value of this conference is increased local production and purchasing of local products keep dollars in the regional economy which fundamentally supports rural and regional development.

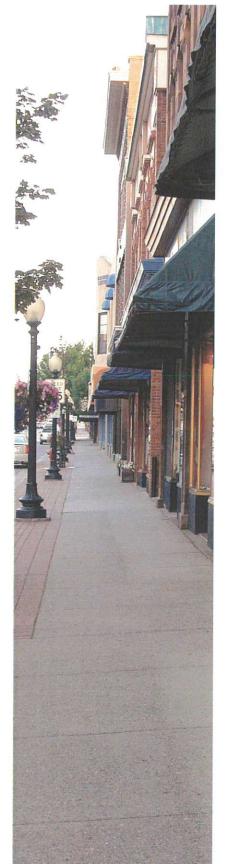

The MSU Product Center Food-Ag-Bio assists county residents in developing products and businesses in the areas of food, agriculture, natural resources and the bio economy. Extension educators are specially trained as innovation counselors to deliver these services to local residents. Business counseling is conducted on a one-on-one basis and may take place at the MSUE office or the client's home or business location. The assistance provided is tailored to meet the needs of the client and may include things like developing a business plan, navigating the regulatory maze, accessing the supply chain or seeking funding options. The innovation counselor also assists clients in accessing specialized services they may need that are offered through Michigan State University like feasibility studies, nutritional labeling, food science, and packaging assistance.

Northern Michigan Counties Association, organized by MSU Extension, county commissioners from 33 counties in northern lower Michigan meet 8 times per year to share information and learn from the experiences of others.

MAC Annual Conference joint presentation by MSU Extension and Citizen's Research Council on constitutional and statutory requirements that Michigan fund mandated local services, types of mandates, and the use of fiscal notes in Michigan and elsewhere to enhance compliance.

Fostering Strong Communities & Businesses, continued

Extraordinary Governance and Effective Meetings workshop held in Benzie County with great discussion from Benzie County participants. It also attracted participation from several surrounding counties.

Building Strong Sovereign Nations is a leadership building program developed by MSU Extension in cooperation with leaders of Tribal Nations in Michigan and delivered annually in conjunction with the United Tribes of Michigan fall meeting. The program is open to leaders from all Tribal Nations in Michigan and is also available to leadership and staff of individual tribes.

New County Commissioner Workshops are being planned for late November and early December 2016, following the election of commissioners.

The Stronger Economies Together (SET) program is a national initiative collaborating with USDA and local partners in Manistee, Benzie, Grand Traverse and Kalkaska, to help identify and develop business sectors that hold the highest growth potential in an effort to help create, attract, and retain jobs.

Placemaking workshops, delivered as part of the MIplace Partnership Initiative, help communities create and enhance amenities resulting in a high quality of life for residents, increasing their ability to retain and attract talented workers and therefore making them more competitive in the global economy. Workshops provide training on the MIplace Placemaking curriculum, and MSU Extension facilitators assist communities in developing draft placemaking strategies to move from training to action.

MSU Extension educators also held the following Government & Public Policy trainings in and around Benzie County this year:

- Form Based Zoning
- Zoning Board of Appeals Training
- Freedom of Information Act Training
- Land Division Review Training
- Sidewalk Design, Planning and Liability

In 2015, Michigan Sea Grant Extension worked on key Lake Michigan fishery transition issues and where fishery changes may impact coastal communities. A Regional Sportfishing Workshop allowed fishers from Benzie County ports to understand changes to the prey base and the salmon and trout fishery. The economic impacts of a diverse and healthy sportfishery are quite significant, drawing people to Benzie County from all over the Midwest.

AREA AGENCY ON AGING

of Northwest Michigan

2015 Annual Report

for Fiscal Year October 1, 2014-September 30, 2015

A MESSAGE FROM THE EXECUTIVE DIRECTOR...

"Come gather 'round people Wherever you roam And admit that the waters Around you have grown... For the times they are a-changin'"

These prophetic lyrics from one of Bob Dylan's songs have never sounded truer than they do today. "The times they are a-changin" and the waters "have grown" in the long term care world. Currently there are over 85,000 individuals in northwest Michigan 60 years or older, and this number is increasing each year. At the same time, changing healthcare delivery models and advances in research and technology create many new "waters" to be charted. The pace of change feels overwhelming sometimes. And yet, the long term care world has never been more exciting and exhilarating. The incredibly talented staff of the Area Agency on Aging of Northwest Michigan continues to provide high-quality long term care services to area residents. We do this in concert with a large network of organizations that have a passion for their work and a willingness to partner in charting these "waters".

As a network, a new course for long term care services will be charted over the coming years, meeting the needs of the fastest growing population segment in the region. Our focus as we collectively navigate these "waters" will always be the provision of compassionate and quality services to those who rely on us.

Sincerely,

Robert C. Schlueter Executive Director

> An Area Agency on Aging serving Antrim, Benzie, Charlevoix, Emmet, Grand Traverse, Kalkaska, Leelanau, Manistee, Missaukee, and Wexford counties (Region 10).

AREA AGENCY ON AGING OF NORTHWEST MICHIGAN

(AAANM) is a private, non-profit corporation, designated as an Area Agency on Aging in 1974 by the Michigan Aging and Adult Services Agency (AASA), formerly Michigan Office of Services to the Aging (OSA).

As one of more than 670 area agencies on aging nationwide, AAANM is responsible for developing, managing and funding a comprehensive system of services for older adults in ten counties of northwest lower Michigan.

DIRECT SERVICES	Units	Clients
Creating Confident Caregivers Program (hours)	483	47

The Mission of AAANM is to SERVE AND ADVOCATE for older persons, adults with disabilities and caregivers by supporting their INDEPENDENCE, DIGNITY and QUALITY OF LIFE.

AAANM contracts Federal Older Americans Act and State Older Michiganians Act funding to organizations serving Region 10. The following organizations received contracted funding in FY 2015:

Antrim County Commission on Aging
Benzie County Council on Aging
Charlevoix County Commission on Aging
Child & Family Services of Northwestern Michigan
Friendship Centers of Emmet County
Grand Traverse Pavilions Adult Day

Kalkaska County Commission on Aging
Legal Services of Northern Michigan
Northwest Michigan Community Action Agency
VitalCare Adult Day
Wexford County Council on Aging

CARE CONNECTIONS

Care Connections is a program that offers individuals the supports they need to remain living in the community. Support Coordinators (nurses and social workers) help individuals understand and access the care options available to them.

Care Management Services	440	people
Caregiver Respite Services	6	people
MI Choice Waiver Services	396	people
Nursing Home Transition Services	70	people
Veterans Services	8	people

PURCHASED SERVICES	Care Management	MI Choice Waive

Care Management - Guides adults 60 years and older who have long term care needs to resources that help support care in the community.

MI Choice Waiver - Coordinates a plan that supports adults 18 years and older who are eligible to have Medicaid pay for their long term care in a community setting.

Nursing Home Transition Services - Assists Medicaid eligible adults to develop a plan for returning to community living.

To view client testimonial videos for Care Management, MI Choice Waiver, or Nursing Home Transition Services, or to view a video about Creating Confident Caregivers, Personal Action Toward Health (PATH) and Tailored Caregiver Assessment, please visit www.aaanm.org.

Area Agency on Aging of Northwest Michigan 1609 Park Drive, PO Box 5946, Traverse City, Michigan 49696-5946 231.947.8920 • 1.800.442.1713

2015 Highlights

DIABETES - PATH AND MATTER OF BALANCE

Through support of the Michigan Health Endowment Fund, AAANM was able to significantly expand its service capacity for these two evidence-based programs, resulting in 9 Diabetes PATH workshops, 23 A Matter of Balance workshops, with 275 program completers in these programs. Programs were held in all 10 counties of Region 10. In addition, AAANM trained 21 Leaders in Diabetes PATH and 16 Coaches for A Matter of Balance.

MORE PEOPLE SERVED

AAANM received additional funds for the MI Choice Waiver Program as well as increased in-home service dollars for the Care Management Program in FY 2015. This allowed us to serve more people and address waiting lists for services. MI Choice Waiver enrollment increased by 66 people and the Care Management enrollment increased by 70 people. Both of these programs support individuals who want to receive long term care services in a community setting.

AGING AND DISABILITY RESOURCE COLLABORATIVE OF NORTHWEST MICHIGAN

AAANM continues to take a leadership role in establishing a "no wrong door" system for older adults and those with disabilities who are seeking information on long term care services and supports. Taskforces and work groups have developed out of this collaboration including a taskforce on Hoarding and one focused on Vulnerable Adults. We continue to support Information and Assistance staff through trainings and the sharing of information.

TRANSITIONING THOSE IN NURSING HOMES BACK TO THE COMMUNITY

Last year AAANM assisted 47 individuals in leaving nursing homes and transitioning back to a community setting. This team effort involves our Housing Coordinator finding a suitable housing option and Supports Coordinators arranging services and supports. We are proud of this program as it allows an individual to live in a setting of their choice and it saves Medicaid dollars.

FY 2015 Audited Financial Summary

EXPENSES	Dollars
Community Services	\$1,199,309
MI Choice Waiver	\$6,436,628
Home Delivered Meals	\$876,289
Congregate Meals	\$519,418
Care Management Support	\$594,539
Administration/Support/Planning	\$270,384
Other (in house programs)	\$369,061
Senior Employment	\$74,813
Program Development	\$40,849
Total	\$10,381,353

REVENUES	Dollars
MI Choice Waiver	\$6,436,628
Local Cash	\$43,000
Federal Support	\$2,092,373
State Support	\$1,543,906
Care Management	\$72,963
Other	\$192,483
Tota	\$10,381,353

AAANM receives federal and state dollars through agreements with the Michigan Department of Health and Human Services/Aging and Adult Services Agency.

AAANM also appreciates funds from each of the ten county government units, as well as contributions/ memorial gifts from clients, caregivers and the general public.

Annual Report FY 2015

Annual Report FY2015

To the Communities of the Northwest Michigan Region:

We are pleased to present the Fiscal Year 2015 Annual Report of Networks Northwest. It has been an exciting year! This was the first full year of our new public-private partnership Board of Directors and we saw many benefits. The depth of dialog and participation has been so valuable to our work!

As we endeavor every day to enrich the economic diversity, stability, and growth in our communities, we see repeatedly how this region exceeds others in its focus on healthy organizational partnerships, along with government and business working hand-in-hand. We extend big thanks to our countless, highly valued partner organizations in education, business, government, economic development, and human services, upon whose excellence we all depend.

We at Networks Northwest are fortunate to foster and witness these qualities every single day, both on the macro level as well as with individual people, companies and communities. Northwest Michigan remains dedicated to protecting our natural resources while strengthening our economy. And we at Networks Northwest remain committed to providing leadership and services to assist in those ímportant endeavors.

We hope you find the summary information in this report useful and interesting!

sincerely,

Board Chair

Chris Christensen, Chief Elected Official Flane Word

Elaine Wood, Chief Executive Officer

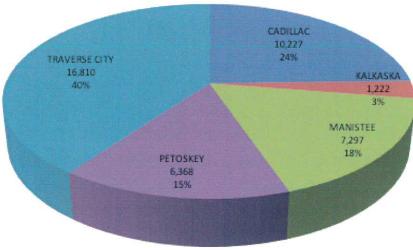

Northwest Michigan Works!, Inc. provides comprehensive services to employers and job seekers of all kinds. By working in partnership with other regional resources that provide education, economic and business development services, Northwest Michigan Works! provides leadership in meeting the needs of local employers and connecting job seekers to opportunities.

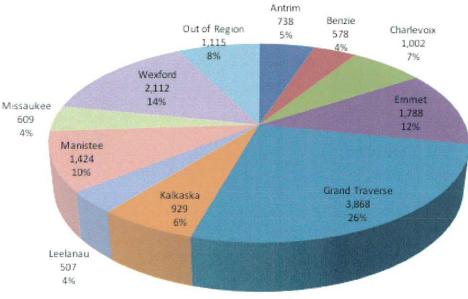

Number of Visits by Center

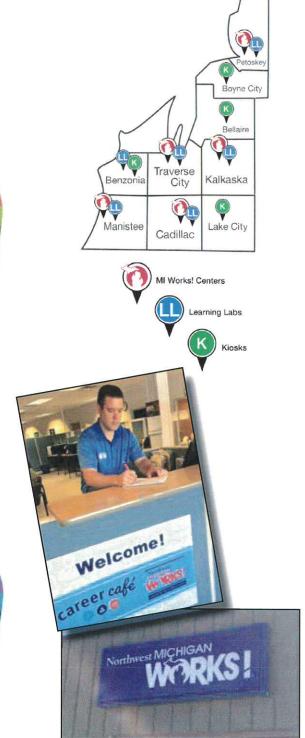

7/1/2014 - 6/30/2015 Total: 41,924

Number of Visitors by Residence County

7/1/2014 - 6/30/2015 Total: 14,670

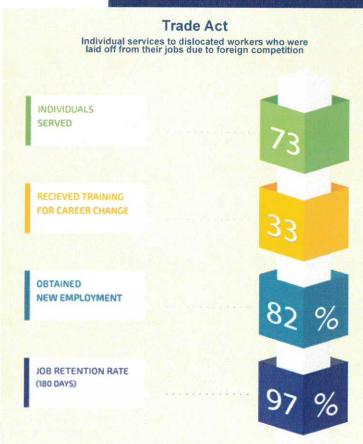

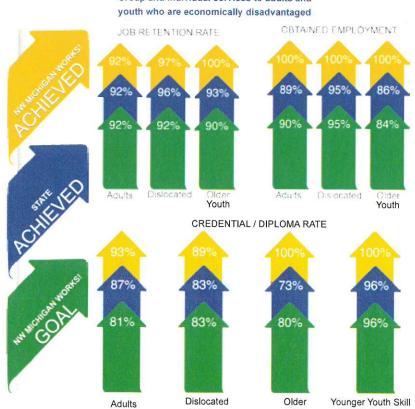

PATH Program

Workforce Investment Act (WIA)

Group and individual services to adults and

Workers

Attainment Rate

Youth

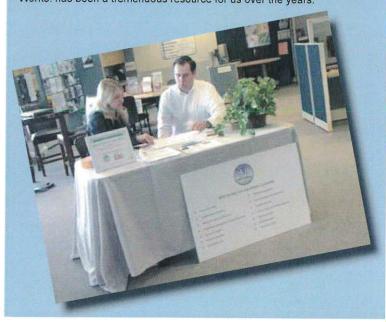

Talent Development

Events - Northwest Michigan Works! provides a variety of activities to help employers and job seekers connect to each other, and to help youth learn about their future career options and opportunities.

Employer of the Day

Northwest Michigan Works! began offering Employer of the Day events in late 2015, holding 19 total across the region. Gene LaFeve from Universal Cleaners says: "We really jumped at the opportunity to be Employer of the Day, to come out and actively recruit people... Northwest Michigan Works! has been a tremendous resource for us over the years."

Hiring Events

Northwest Michigan Works! coordinates large and small scale hiring events for multiple employers. In 2015, we offered 39 hiring events across the region. One of the largest was for the opening of the new Meijer store in Acme. Almost 400 job seekers attended the event, which stretched over four days at the Traverse City Service Center. Store Manager John Spaulding says, "It is a very challenging hiring environment... Partnering with an organization like Michigan Works! is critical. They have a lot of resources and are willing to help you and let you use their facilities. It just wouldn't happen without them, so I can't thank them enough." Due to the great success of the event, Meijer was recognized as the Michigan Works! Employer of the Year in Mt. Pleasant in October.

Veterans Appreciation

Northwest Michigan Works! has coordinated several Veterans Appreciation events, in an effort to reach out to the veteran population and thank them for their service. In 2015, an appreciation event was held in Manistee, in partnership with veteran-owned business FitUSA. Rolling Thunder, the local VFW, the Coast Guard, Michigan Veterans Alliance, and Veterans Services of the Workforce Development Agency also contributed to the event. Veterans and their families were welcomed to the day-long picnic and were encouraged to access the free job search services offered by Northwest

Talent Tours

Northwest Michigan Works! collaborates with multiple partners to coordinate Talent Tours at local companies. Students from area middle and high schools go on tours of local companies, learning about career opportunities in their own back yard. One such event was Manufacturing Day, coordinated by the Grand Traverse Manufacturing Council and held annually in early October. More than 450 students visited 21 companies to see first-hand that manufacturing is thriving in the region.

Talent Development

Northwest Michigan Works! - Adult Education

Adult Education services are delivered through a partnership between Traverse Bay Area Intermediate School district (TBAISD) and Northwest Michigan Works! Adult Education Learning Labs are located in conjunction with all five Michigan Works! Service Centers as well as the Benzie Area Christian Neighbors. Students receive individualized Learning Plans and work at their own pace. Teacher-managed Distance Learning is also available to students if they wish to use that approach. Most learning plans are correlated to occupational goals. In addition, a high school completion class is delivered at the TBAISD Career Tech Center.

Entering Educational Functioning Level	Total Number Registered	Total Attendance Hours	Percentage Completing Level*

Talent Development

Northwest Michigan Works! Occupational Training Provided

This chart shows the general occupational categories of training that was provided during FY'15 in response to employers' needs. In all cases the training was tied to employment, with the companies playing a large part in developing the curriculum. Nearly all training provided through Northwest Michigan Works! involves a combination of classroom and on-the-job learning.

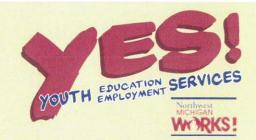

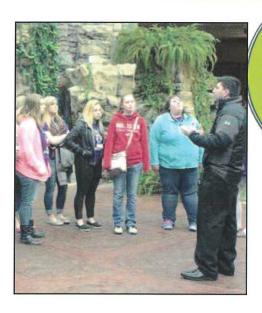

Occupational Category	Total Trained
Agriculture	6
Automotive	4
Business/Administrative	21
Construction	86

The Beaver Island Lighthouse School is a residential alternative high school for youth from the ten-county region. Students earn academic credit and learn new life skills that allow them to succeed when they return home. They also work with a Youth Career Advisor to access work experience opportunities, career planning, support services, and more.

Youth Employment & Education Services (YES) works with area partners to coordinate Career Expos for middle and high school students. One such event occurred in Charlevoix during 2015. Hundreds of high school students from local schools came to the expo, to visit with nearly 50 businesses and learn about career opportunities. Students could explore several different career paths, including Healthcare, Manufacturing, Hospitality, Information Technology, and the armed forces. The event was sponsored and coordinated by Northwest Michigan Works, Career Jumpstart, Char/Em ISD, and North Central Michigan College.

The Jobs for Michigan's Graduates (JMG) program teaches students employability and life skills through a structured curriculum and exposure to experiential learning. Young people who are at risk of dropping out of high school are supported through high school completion and make successful transitions to postsecondary education or employment. Students in the Northwest region's JMG program visited Lansing for a statewide event with legislators, toured the capital, and learned about government in action.

Small Business Development Center — SBDC

The Small Business Development Center (SBDC) provides a variety of business consulting, training and research services to both start-ups and growth companies.

Parsons Farm Awarded Northwest Michigan Regional Best Small Business of the Year

Parsons Farm near Charlevoix is a Centennial Farm that has been owned by the Parsons family since 1898. 4th generation owners, Dave and Terri Parsons, are in the process of transitioning the farm to their daughters and son-in-law. They're getting help doing that from the Northwest Michigan Small Business Development Center (SBDC). The work the Parsons family is doing to transition the farm to the next generation and expand the business earned them recognition as the Northwest Michigan 2015 SBDC Regional Best Small Business of the Year.

Business Development

Procurement Technical Assistance Center — PTAC

The Procurement Technical Assistance Center (PTAC) helps companies successfully obtain and perform under local, state and federal government contracts. In addition to our ten Northwest counties, the PTAC also covers the entire Upper Peninsula.

Northwest Michigan PTAG Government Contracting Expertise

Armor Express Awarded Michigan State Government Contractor of the Year

Armor Express designs, tests, and manufactures body armor in Central Lake. Their customers include federal law enforcement agencies and the U.S. military. To help with their efforts to do business with the government, Armor Express has developed an ongoing relationship with the Northwest Michigan Procurement Technical Assistance Center. Armor Express's success with government contracts and its ongoing work with the PTAC earned the company recognition as Michigan's 2015 Government Contractor of the Year.

Business Development

Global Trade Alliance

The Global Trade Alliance of Northern Michigan (GTA) is a business resource center for international trade, connecting businesses to service providers and peers to assist the launch and enhancement of global trade operations. In addition to our ten Northwest counties, the GTA also serves the entire Northeast region and all of the Upper Peninsula.

GTA Hosts Trade Mission to Montreal, Quebec, Canada

The Global Trade Alliance of Northern Michigan hosted the Trade Mission to Montreal to help Northern Michigan companies create new business in Canada. Fullerton Tool, Herkules Equipment, Independent Machine, Modern Machinery, Pettibone, Sakor Technologies, Servo Innovations, KC Jones Plating participated in the Mission.

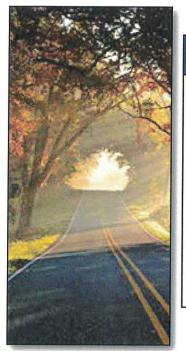

Regional Planning and Community Development take place through a wide variety of activities, as represented in the year's highlights on the next few pages.

Project	Funding Source	Activities	Status
Asset Management	Michigan Department of Transportation Fee for service	Federal/state road rating process completed with all ten county Road Commissions Value-added, county road rating process for three counties (Missaukee, Benzie, Charlevoix) and two villages (Empire, Kingsley) per local requests	Data collected for each county and submitted to MDOT Annual report completed

	Project	Funding Source	Activities	Status
Rur	al Task Force (RTF)	Michigan Department of Transportation	Coordinating the agencies that qualify for state and federal-aid dollars that are used toward roads and transit projects	RTF meetings to prioritize transportation projects for FY 2017–2020 were held in the first quarter 2016, in three sub-regions.

Project	Funding Source	Activities	Status
TC-TALUS	Michigan Department of Transportation	Coordinating the agencies that qualify for state and federal-aid dollars that are used toward roads and transit projects	Conducted an in-depth needs assessment of board approved road capacity projects TALUS was rebranded as Traverse Transportation Coordinating Initiative (TTCI) with 100% participation from communities within the designated region Developed the work plan for high-impact transportation initiatives Continued work with MDOT to transition to MPO status

Project	Funding Source	Activities	Status
Scenic Byways	Michigan Department of Transportation	Worked with local committees to coordinate and staff meetings	Final reports submitted
		Updated Byway materials	Final payments disbursed

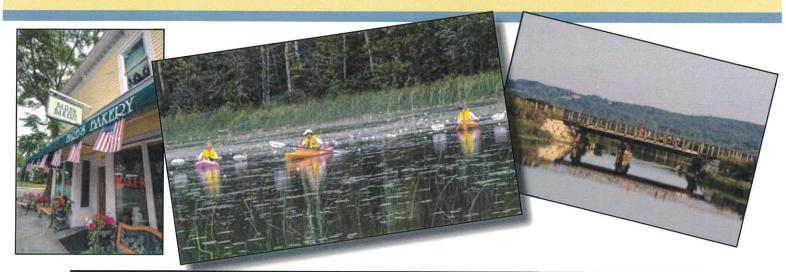

Provided ongoing economic analysis and assistance to multiple communities, public and private organizations.

Project	Funding Source	Activities	Status
		Created an enhanced data website/service (Benchmarks Northwest)	
	Michigan Department of Technology and Budget	Developed local and multi-jurisdictional economic development plans for communities along US-131	Regional US 131 Corridor economic develop- ment plan completed
Michigan Regional Prosperity Initiative		Provided staff support and resources for the Housing Solutions Network, Growth	Local (Kalkaska and Mancelona) economic development plans completed
		and Investment Network, Transportation Network, and Arts and Culture Network	Research reports (3) published and widely distributed
		Develop research and reports on non- emergency medical transportation, employer housing options, and in-demand occupations	
		Coordinated and staffed regional CDC meetings	
NW Region Collaborative Development Council	Michigan Economic Development Corporation	Conducted an assessment and market study of industrial properties in Kalkaska and Mancelona	Assessment/report and market study completed 21 post-secondary scholarships awarded to
(CDC)		Designed and implemented a pilot Career Tech scholarship program	Career Tech students
Comprehensive Economic Development Strategy (CEDS)	US Department of Commerce, Economic Development Administration (EDA)	Developed a regional comprehensive economic development strategy (CEDS)	CEDS completed and accepted by EDA

Sub-regional and community-specific planning projects take place based on market demand or needs.

Project	Funding Source	Activities	Status
Crystal Lake Watershed Management Plan	Michigan Department of Environmental Quality	Conducted mapping and analysis, facilitated public outreach, and developed a watershed management plan	Plan completed and approved by the DEQ
Hazard Mitigation Plan	Federal Emergency Management Administration	Developed hazard mitigation plans for 7 counties	Plans competed and approved by the Michigan State Police Plan development in progress for 1 county and 1 tribal entity
Asset Management Plan	Benzie Road Commission (fee-for-service)	Developed a multi-year roads asset management plan	Currently in progress with completion date expected in 2016
Benzie County Master Plan and Recreation Plan	Benzie County (fee-for- service)	Updated the Benzie County Master Plan Developed a 5-year DNR-consistent recreation plan to create eligibility for DNR recreation grants	Recreation plan completed, adopted by Benzie County Board, and ap- proved by the DNR Plan update/development in prog- ress; completion scheduled for June 2016
Village of Northport Recreation Plan	Village of Northport (fee- for-service)	Developed a 5-year DNR-consistent recreation plan to create eligibility for DNR recreation grants	Plan completed and approved by the DNR
Empire Capital Improvements Plan	Village of Empire (fee-for- service)	Worked with locally-appointed committee to develop the Village's first capital improvements plan	Plan completed and approved by the Village Council

Prisoner Reentry

We served 235 individuals who were paroled from state prison to their home communities within our region, after serving their sentences. Parolees are assigned to the program by the Parole Board or by the local Parole Supervisor.

The program's goals are:

- Increased community safety
- Reduced recidivism
- · Increased economic productivity
- · Reduced costs to taxpayers

Residential Stability

112 received Residential Stability services.

- Temporary housing assistance, in the form of rent subsidies for parolees that would otherwise be homeless.
- 37% of the annual program budget was spent on Residential Stability.
- 57% resulted in a successful outcome, meaning they secured stable, unsubsidized housing.

Social Support

133 received Social Support services.

- Provides assistance with obtaining basic needs such as identification, clothing, and bus passes.
- 4% of the annual program budget was spent on Social Supports.

Health and Behavioral Health

40 received Health and Behavioral Health services.

- Provides assistance with addressing mental health and/or behavioral health issues impacting successfully re-entry, such as batterer intervention services and individual mental health counseling.
- 4% of the annual program budget was spent on Health and Behavioral Health services.

Bottom Line

Employment Readiness

106 received Employment Readiness services.

- Individual employment-based case management, focused on employability skills and transitioning into the workforce successfully.
- Provides temporary work experience for some participants by offering incentives for employers in the form of wage subsidies.
- 85% of temporary work experience contracts resulted in unsubsidized employment for the ex-offender.
- Average wage for temporary work experience was \$10.20 an hour.
- Provides assistance with necessary work supplies, such as work tools, specialized clothing, testing fees, etc.
- 23% of the annual program budget was spent on Employment Readiness.
- Resulted in a 60% unsubsidized employment rate (compared to 25% statewide employment rate for all former inmates).

 Here is a listing, by sector, of the different types of jobs parolees obtained in FY 14:

Manufacturing

- Assemblers
- Machinists
- · Press machine operators
- Laborer

Energy, Transportation, & Construction

- · Truck drivers
- · Skilled trades (carpentry)
- Construction laborer
- · HVAC technicians
- Auto service technicians

Hospitality

- · Cooks & food prep workers
- Servers
- · Restaurant manager
- Landscaping
- Housekeeping

Statewide recidivism percentage for all parolees is 29% (nearly 1 in 3), down from over 50% before this program was started 10 years ago. Northwest MI tracks its own

recidivism percentage for parolees who are assigned to our program, and had a 18% recidivism rate at year-end FY 2015, reflecting a 64% decrease in recidivism from

the original State average. The Prisoner Reentry Program in Northwest Michigan has a 310% Return on Investment in the first year alone following an ex-offender's parole.

Northern Michigan Health Coalition (NMHC)

FY15 was the first year that a pilot project from Benzie and Manistee counties was advanced to other parts of the region by Networks Northwest.

The Northern Michigan Health Coalition (NMHC) is a network of healthcare providers and stakeholders throughout northwest Michigan. Primary membership includes representatives from primary care, behavioral health, dental care, public health, elder care, acute care, social work, and substance abuse care. Additionally, NMHC includes economic development organizations, human services collaborative bodies, philanthropic groups, and other community based agencies.

Mission:

The NMHC collaborates to connect community support and services that address direct and indirect health needs in order to improve the cost, quality, and personal experience of care.

In 2015...

- NMHC approached Networks Northwest to be its "backbone organization," providing administration and staffing assistance.
- NMHC received over \$100,000 in grant resources (Blue Cross Foundation, DHHS, RPI).
- NMHC saw its membership grow by more than 50%.
- · NMHC began an "asset map" of all the healthcare providers and assets in northwest Michigan- first of its kind.
- · Northwest Michigan was designated as one of five pilot "Community Health Innovation Regions (CHIR)" by DHHS.

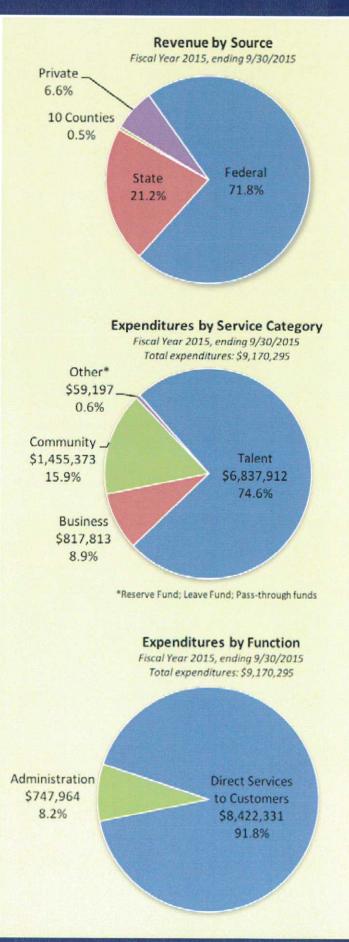

Both of our legal entities,
Networks Northwest
and
Northwest Michigan Works!, Inc.
received FY15 audits
that contained no findings
of any kind.

3.0	PLANNING COMMISSION MISSION AND PURPOSE	1
4.0	MEMBERSHIP	3
5.0	MEETINGS	4
6.0	PLANNING COMMISSION ACTIVITY IN 2015	4
7.0	PLANNING COMMISSION GOALS FOR 2016	5

1.0 INTRODUCTION

The Benzie County Planning Commission (BCPC) functions under and has their duties set forth by the Michigan Planning Enabling Act (PA 33 of 2008). The Michigan Planning Enabling Act (MPEA) provides for the creation, organization, powers and duties of Planning Commissions.

Section 19 of the MPEA (MCL 125.3819) requires the Benzie County Planning Commission to make an annual report to the County Board of Commissioners. This report is to provide the Board with a summary and status of the planning activities over the past year.

2.0 PLANNING COMMISSION RESPONSIBILITIES

The Planning Commission's basic duties and responsibilities as prescribed by Michigan state statute include the following:

- Update and maintain the Benzie County Master Plan in accordance with the MPEA.
- Review and comment on any proposed Master Plans or Master Plan amendments for all municipalities within or adjacent to Benzie County as required by the MPEA.
- Review and make recommendations, as required by the Michigan Zoning Enabling Act (MZEA),
 PA 110 of 2006 on proposed zoning ordinances or proposed zoning ordinance amendments for any Township in the County.
- Annually prepare a capital improvements program as required by the MPEA.
- Prepare an Annual Report to the Board of Commissioners as required by the MPEA.
- Prepare an Annual Budget Request as required by the MPEA.
- Hold a minimum of four (4) regular meetings annually noticed in accordance with the Michigan Open Meetings Act.
- Prepare or arrange for the preparation of the public record for all meetings and make available to the public in accordance with the Michigan Open Meetings Act.
- The Planning Commission is also considered a reviewing agency for applications into the Farmland and Open Space Preservation Program pursuant to section 361 of Michigan Public Act 451, commonly known as the Natural Resources and Environmental Protection Act of 1994.

3.0 PLANNING COMMISSION MISSION AND PURPOSE

Benzie County Planning Commission Mission Statement:

"The Planning Commission is a local nonpolitical unit of the Benzie County government providing services that are directed by the Michigan Planning Enabling Act 33 of 2008 to establish planning for the county; to promote safety, health, and general welfare."

Beyond the statutory duties and mission as outlined above, the County Planning Commission has a unique and important role for Benzie County and the northwest lower Michigan region. In Michigan, the county planning commissions are the main bodies which have a statutory coordination role and specific planning and zoning procedures. (See MPEA Section 41 (2) and MZEA Section 307 (1)). The BCPC recognizes the intent within the state statutes to assign the review and coordination role to county planning commissions and it takes this role very seriously. We further recognize the underlying reasoning for this assigned coordinating function. There are many issues and topics which cannot be dealt with within the context of a village, city or township. To be effective in planning for many issues, it must be done on a larger geographic scale.

Economic development, for example, involves a larger area than a single local municipality. The creation of jobs, and the location of people employed come from a labor market area which is often an entire county or multiple counties. To be as effective as possible, coordinated planning for economic development needs to deal with worker training, housing and new industrial sites in the entire labor market area.

Other topics that demand a multi-government cooperative planning approach include:

- Watersheds: Nearly always include areas in territory of many municipalities
- Groundwater Our drinking water: Crosses political boundaries
- Natural features (lakes, rivers): Often touch more than one municipality.
- Technology and other infrastructure: Broadband infrastructure, utilities, technology for farming, mining, pipelines, radio transmission, traffic lights etc.: Include multiple municipalities.
- Transportation Networks: Include multiple municipalities
- Brownfield Redevelopment

With many planning issues, it is not responsible or realistic for a single municipality to address the issues without the full cooperation and approval of surrounding municipalities and the county. The Michigan legislature made it clear, coordinated planning is a priority that townships, villages, cities, counties, and regions are responsible for, and in particular, county planning commissions have a major role in making coordinated planning happen. We observe that county planning in general is valued particularly in the ten county northwest lower Michigan region with all ten member counties of Networks Northwest currently maintaining county planning commissions. All ten counties also maintain professional staff dedicated specifically to planning and/or zoning activities with the exception of Benzie County. See table below for a summary of the current status of county planning and zoning in northwest Michigan as of May 2014.

County	Townships with County Zoning	County Planning Department (Staff)	County Planning Commission
Antrim	0	Yes	Yes
Benzie	0	No	Yes
Charlevoix	0	Yes	Yes
Emmet	12 out of 16	Yes	Yes
Grand Traverse	0	Yes	Yes
Kalkaska	7 out of 13	Yes	Yes
Leelanau	0	Yes	Yes
Manistee	0	Yes	Yes
Missaukee	0	Yes	Yes
Wexford	14 out of 16	Yes	Yes

The coordinating function has been worked into the state statutes in specific ways. One way this is accomplished is through the county annual Capital Improvements program with oversight by the county planning commission (See Section 61 (2) of the MPEA). Another very important coordination role of the county planning commission is that of zoning ordinance and master plan review and commentary. A township, village or city is required by statute to submit a new plan or amendment to the county planning commission for review. A township is required by statute to submit a zoning ordinance, or zoning amendment, to the county planning commission for review. (Villages and cities do not have to submit a new zoning ordinance or zoning amendments to a county for review, but the county can choose to still submit comment at the city or village's hearing on the zoning). Review of township zoning is purely advisory. The local municipality can choose to incorporate the county planning commission's comments in their zoning ordinances or master plans as each sees fit.

County planning is at the center, ideally receiving other's comments and responsible for making plans for a relatively large geographic area. The county planning commission's coordination role includes responsibility to initiate coordination opportunities, be proactive, and provide detailed substantiated comments with facts and reasons. The BCPC takes these responsibilities seriously and thanks the Board of Commissioners for their continued support of the ongoing efforts of the PC to increase intergovernmental communication and cooperation as well as coordinated planning.

County Planning provides a regional perspective to community planning by promoting coordination of planning activities between local government entities within the county. Planning is the process of coordinating activities that impact the physical and social environment of out county. The Planning Commission is in the process of and is dedicated to the Master Plan update scheduled for completion by June 2016. The Plan is a blueprint and vision of the county's future addressing trends that affect land use, transportation economic development, housing, agriculture now and in the future. Other planning functions may include:

• Provide a regional scope to the planning work, promoting coordination among the townships and municipalities (19 units in Benzie County).

- Prepare an update to the 2000 County Master Plan
- Fill planning voids between State/Multi-County Planning Agencies and individual municipalities.
- Deal with services and facilities that cross municipal lines (i.e. highways, solid waste, trailways, parks, drains/sewers) and uses of greater than local concern.
- Offer local planning advisory services and staff resources that smaller communities may not have, and be an information center for development and conservation projects (i.e. zoning, land divisions, model ordinance language).
- Promote uniform development standards among several adjacent municipalities. Examples include regulations for towers, resource extraction, outdoor lighting, signs and billboards.
- Assist local units in satisfying grant agency requirements for plans and plan documentation.
- Carry out educational and promotional services for planning in the County and among the local units, including publicizing planning goals and objectives.
- Set area-wide land use goals, encouraging local units and adjacent counties to coordinate good land use practices, including efforts to conserve natural resources, provide open space, establish public recreational facilities (i.e. parks, trails, recreation centers), and otherwise take a leadership role where such is deemed necessary or desirable to prepare for growing future needs

4.0 MEMBERSHIP

The MPEA states that the membership of the Planning Commission shall be representative of important segments of the community, such as the economic, governmental, educational, and social development of the local unit of government, in accordance with the major interests as they exist in the local unit of government, such as agricultural, natural resources, recreation, education, public health, government, transportation, industry, and commerce. The membership shall also be representative of the entire geography of the local unit of government to the extent practicable.

In 2015, the Planning Commission's membership was as follows:

Peg Minster, Chairperson Nena Bondarenko, Vice-Chairperson Susan Zenker, Secretary Walter Roch von Rochsburg Coury Carland, BOC Representative Evan Warsecke, BOC Representative Lori Hill

At the Commission's organizational meeting in January, the three officers who served in 2015were reelected to serve in the same positions for 2016 (see above).

5.0 MEETINGS

Regular meetings of The Planning Commission were scheduled for the Second Thursday of each month at 7:30PM in the Board of Commissions Room of the Benzie County Government Center. The Commission met each month for their regular meeting in 2015. In 2016, the Commission will continue to meet on the Second Thursday of the month. All meetings are held in compliance with the Open Meetings Act (PA 267 of 1976).

• The Planning Commission held twelve (12) regular meetings in 2015, two (2) Special Meetings and one (1) Budget Committee meeting.

For 2016 to date, the Commission has met for their regular meetings each month for a to-date total of six(6), One (1) Special Meeting and two [2] Budget Committee meetings in May.

6.0 PLANNING COMMISSION ACTIVITY IN 2015

The Planning Commission continued to be active this past year meeting their goals for the year. We set the goal of completion within 24 months but planned to complete it sooner if at all possible. Sarah Lucas, Networks Northwest was selected and contracted as the planning consultant for the Master Plan Update in collaboration with the Parks & Recreation Commission for an update of their Plan. The draft plan release is imminent. Scheduling a meeting of the Master Plan Committee is in progress for review of the draft plan. Completion with adoption is expected in July 2016

Capital Improvement Project request letters were sent per the statute in March 2015 and 2016.

Planning Commission Bylaws were reviewed in December 2015 with no changes.

The Planning Commissioners initiated outreach to local units of government by attending local government Planning Commission meetings.

6.1 REVIEW OF TOWNSHIP MASTER PLANS:

No Master Plans were submitted in 2015 and to date in 2016 for review.

6.2 REVIEW OF TOWNSHIP ZONING ORDINANCES:

In 2015 and 2016 (to date) there was [1] one Zoning Ordinance review.

- Greater Thompsonville Area Zoning Ordinance
- •Benzie County Planning Commission will review zoning ordinances as they are submitted.

6.3 COUNTY MASTER PLAN UPDATE

- Work continued on the 2000 Benzie County Master Plan Update with Planning Consultant Sarah Lucas, Networks Northwest (formally Northwest Michigan Council of Governments).
- Update work began with the first Master Plan Committee meeting on November 5, 2014 and continued throughout 2015 into 2016. Work consisted of Focus Group meetings to review priority topics from the Public Input Survey of which there were over 300 responses. The survey was available online with a paper copy option. Focus group topics were:
 - *Role of Planning Commission and Intergovernmental Cooperation
 - *Economic Development and Jobs
 - * Housing

*Transportation

All focus groups were well attended with active participation and engagement to identify problems and list solutions to the identified problems.

6.4 FARMLAND AND OPEN SPACE PRESERVATION

In 2015 and 2016 (to date), the Commission reviewed and commented on zero (0) applications to the Farmland and Open Space Preservation Program.

7.0 PLANNING COMMISSION GOALS FOR 2016

Continue with planned updates to the County Master Plan

- Review Draft of Master Plan Update on or before June 15, 2016
- Completion including adoption of the Master Plan Update on or before July 31, 2016
- Annual Planning Commission Bylaws review in November 2016.
- Planning Commission will design an implementation plan for the Master Plan Update Goals and Strategies including approximate time frames.
- Begin process of Capital Improvement Plan Update.

Continue Engagement in Cooperative Planning Efforts with other county entities.

- Benzie County Economic Development Corporation
- Benzie County Parks and Recreation Commission
- Benzie County Brownfield Redevelopment Authority
- Benzie County Land Bank Authority
- Township and Municipal Planning Commissions in Benzie County.

❖ Increase Community Outreach and Intergovernmental Cooperation Examples include:

- Local Units of Government
- Other Community Organizations
- Schools
- Surrounding Units of Government
- Quarterly events to offer educational opportunities and address county wide planning concerns.
- Facilitate development of focus groups for key areas of concerns i.e. economic development, jobs, housing, transportation etc
- County Planning Commissioners to attend local government Planning Commission meetings throughout 2016.
