Memorandum

To: Board of Commissioners

From: Katie Zeits, County Administrator *Katie Zeits*

Date: January 28, 2022

Subject: **Benzie County Goals and Objectives**

On Tuesday, we will be meeting to work together on the Benzie County Board of Commissioners Goals and Objectives for the next year. This session may be the first of many sessions. I encourage you to think both big and small picture items, from staff development to infrastructure investment; a finalized goal may encompass smaller items discussed.

I'd like for the Board to consider these questions as they finalize their goals and objectives for Benzie County and the Board.

What is the most important issue or need the Board of Commissioners should address and focus energy, time, and resources on over the next year and how does this align with the County Strategic Plan?

Why is this issue or need most important?

I look forward to Tuesday's meeting! Please let me know if there are any questions.

Thank you!
