Re: Road Paving

---

Dear Resident,

I hope this letter finds you and your family well as our community, and the world, returns to some sense of normalcy.

In 2020, the Township began a road repaving project in the Old Towne development. We completed the first of three sections before getting sidetracked by the pandemic.

I am pleased to report that we have scheduled the repaving of all the remaining roads in Old Towne. We expect the work to begin on or about May 31<sup>st</sup>, weather permitting. The total project should take between 2 to 3 weeks and will affect the following roads:

- Apache Way, Blackfoot Trail, Buffalo Hollow Road, Cherokee Path, Cheyenne Trail, Creek Trail, Dakota Trail, Hopi Trail, Huron Trail, Mohawk Trail, Lenape Trail, Mohave Path, Mohegan Trail, Ottawa Trail, Ramapo Trail, Samson Court, Sioux Lane, Tuscarora Trail, Yuma Trail, Delaware Lane, Arapaho Trail

Signs will be posted alerting motorists to the road work a few days in advance. Residents are asked to park vehicles on adjacent streets if they will need to leave during the construction period. If you will be away during this period we ask that you park your vehicle on your driveway.

Residents are urged not to cross freshly paved roads until the work is completed and the road is reopened to traffic. This includes pedestrians and pets. The paving materials will be hot and sticky until they cool.

As with all projects of this nature, there will be inconveniences to you who live on or near these roads. Once completed the improvements will be most welcomed.

Please do not hesitate to contact any member of the Township Committee or Administration should you have questions about this project (or any matter in the community).
