By providing a variety of social, cultural, artistic, and culinary programs, as well as sports, fitness, community outings, horticulture, and special events, participants can recreate in the day, evening, or weekend”.

Our goal is to have the children realize that while volunteering with different programs, with the goal of inspiring others who are most in need of a kindred spirit, they ultimately realize that, **THEY** are the ones most often inspired and touched by the strong spirit of those in need.
