

# CASSOPOLIS CURRENT

August 2020 - Issue 02

## WHAT IS HAPPENING IN THE VILLAGE?

### ➡ MSHDA NEP Grant

Another Neighborhood Enhancement Program grant transformation has been completed! How great does this new siding look?!

### ➡ MEC is Back Within Village Limits

Midwest Energy & Communications is once again within the Village limits. MEC's corporate headquarters (on the corner of Decatur Road and M-60) has been annexed into the Village. This increased the Village land area by about 450 acres. Welcome back, MEC, we are happy to have you!

## IMAGINE CASS

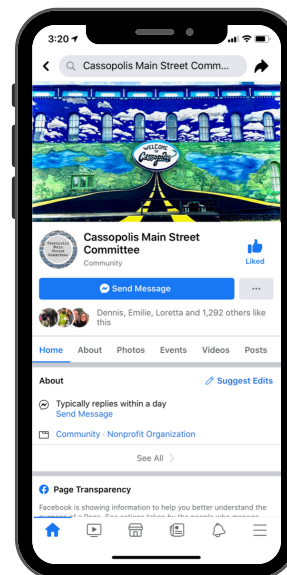

Progress on the pier at Stone Lake

Clisbee Park Playground

The new playground equipment has been installed! Stop by Clisbee Park to test out the new play structure that was chosen by our Sam Adam's students.
